bids shall be solicited by advertisement in a newspaper widely distributed in this State or through electronic means, or both, as determined by the Secretary to be most advantageous, at least once and at least 10 days prior to the date designated for opening. Except as otherwise provided under this Article, contracts for the purchase of goods and services shall be based on competitive bids and suitable means authorized by the Secretary as provided in G.S. 143-49. The acceptance of bid(s) most advantageous to the State shall be determined upon consideration of the following criteria: prices offered; best value, as the term is defined in G.S. 143-135.9(a)(1); the quality of the articles offered; the general reputation and performance capabilities of the bidders; the substantial conformity with the specifications and other conditions set forth in the request for bids; the suitability of the articles for the intended use; the personal or related services needed; the transportation charges; the date or dates of delivery and performance; and such other factor(s) deemed pertinent or peculiar to the purchase in question, which if controlling shall be made a matter of record. Bids shall be publicly opened. Any and all bids received may be rejected. Each and every bid conforming to the terms of the invitation, together with the name of the bidder, shall be tabulated and that tabulation shall become public record in accordance with the rules adopted by the Secretary. All contract information shall be made a matter of public record after the award of contract. Provided, that trade secrets, test data and similar proprietary information may remain confidential. A bond for the faithful performance of any contract may be required of the successful bidder at bidder's expense and in the discretion of the Secretary of Administration. When the dollar value of a contract for the purchase, lease, or lease/purchase of goods exceeds the benchmark established by G.S. 143-53.1, the contract shall be reviewed by the State Purchasing Officer pursuant to G.S. 143-52.1 prior to the contract being awarded. After contracts have been awarded, the Secretary of Administration shall certify to the departments, institutions and agencies of the State government the sources of supply and the contract price of the goods so contracted for.

Not later than August 31, 2011, the Department of Administration shall issue requests for

- (a) The Secretary of Administration may adopt rules governing the following:
- (1) Prescribing the routine and procedures to be followed in canvassing bids and awarding contracts, and for reviewing decisions made pursuant thereto, and the decision of the reviewing body shall be the final administrative review. The Division of Purchase and Contract shall review and decide a protest on a contract valued at an amount that exceeds the benchmark established under G.S. 143-53.1. The Secretary shall adopt rules or criteria governing the review of and decision on a protest on a contract valued at or below the benchmark established under G.S. 143-53.1 by the agency that awarded the contract.
 - (2) **(See Editor's note)** Prescribing the routine, including consistent contract language, for securing bids on items that do not exceed the bid value benchmark established under the provisions of G.S. 143-53.1, 115D-58.14, or 116-31.10. The bid value benchmark for securing offers for each State department, institution, and agency established under the provisions of G.S. 143-53.1 shall be determined by the Director of the Division of Purchase and Contract following the Director's consultation with the State Budget Officer and the State Auditor. The Director for the Division of Purchase and Contract may set or lower the benchmark, or raise the benchmark upon written request by the agency, after consideration of their overall capabilities, including staff resources, purchasing compliance reviews, and audit reports of the individual agency. The routine prescribed by the Secretary shall include contract award protest procedures and consistent requirements for advertising of solicitations for securing offers issued by State departments, institutions, universities (including the special responsibility constituent institutions of The University of North Carolina), agencies, community colleges, and the public school administrative units.

 - (5) Prescribing conditions under which purchases and contracts for the purchase, installment or lease-purchase, rental or lease of goods and services may be

entered into by means other than competitive bidding, including, but not limited to, negotiation, reverse auctions, and acceptance of electronic bids. Notwithstanding the provisions of subsections (a) and (b) of this section, any waiver of competition for the purchase, rental, or lease of goods and services is subject to prior review by the Secretary, if the expenditure exceeds the benchmark established under G.S. 143-53.1. The Division may levy a fee, not to exceed one dollar (\$1.00), for review of each waiver application.

- (6) Prescribing conditions under which partial, progressive and multiple awards may be made.
- (7) Prescribing conditions and procedures governing the purchase of used goods.
- (8) Providing conditions under which bids may be rejected in whole or in part.

The Secretary may consult with other agencies having expertise in meeting the needs of individuals with disabilities in developing these provisions. These special provisions shall establish purchasing procedures that:

- (1) Provide for the involvement of the individual in the choice of particular goods, service providers, and in the methods used to provide the goods and services;
- (2) Provide the flexibility necessary to meet those varying needs of individuals that are related to their disabilities;
- (3) Allow for purchase outside of certified sources of supply and competitive bidding when a single source can provide multiple pieces of equipment, including adaptive equipment, that are more compatible with each other than they would be if they were purchased from multiple vendors;
- (4) Permit priority consideration for vendors who have the expertise to provide appropriate and necessary training for the users of the equipment and who will guarantee prompt service, ongoing support, and maintenance of this equipment;
- (5) Permit agencies to give priority consideration to suppliers offering the earliest possible delivery date of goods or services especially when a time factor is crucial to the individual's ability to secure a job, meet the probationary training periods of employment, continue to meet job requirements, or avoid residential placement in an institutional setting; and
- (6) Allow consideration of the convenience of the provider's location for the individual with the disability.

In developing these purchasing provisions, the Secretary shall also consider the following criteria: (i) cost-effectiveness, (ii) quality, (iii) the provider's general reputation and performance

capabilities, (iv) substantial conformity with specifications and other conditions set forth for these purchases, (v) the suitability of the goods or services for the intended use, (vi) the personal or other related services needed, (vii) transportation charges, and (viii) any other factors the Secretary considers pertinent to the purchases in question.

(c) The purpose of rules promulgated hereunder shall be to promote sound purchasing management.

For State departments, institutions, and agencies, except the Department of Agriculture and Consumer Services and the President of The University of North Carolina or a special responsibility constituent institution of The University of North Carolina and community colleges, the benchmark shall not be greater than one hundred thousand dollars (\$100,000). § 143-57.1. Furniture requirements contracts.

(a) State Furniture Requirements Contract. – To ensure agencies access to sufficient sources of furniture supply and service, to provide agencies the necessary flexibility to obtain furniture that is compatible with interior architectural design and needs, to provide small and disadvantaged businesses additional opportunities to participate on State requirements contracts, and to restore the traditional use of multiple award contracts for purchasing furniture requirements, each State furniture requirements contract shall be awarded on a multiple award basis, subject to the following conditions:

- (1) Competitive, sealed bids must be solicited for the contract in accordance with Article 3 of Chapter 143 of the General Statutes unless otherwise provided for by the State Purchasing Officer pursuant to that Article. Bids shall be solicited on a historical weighted average of specific contract items and not on a single item within a class of items. Historical weighted average shall be based on information derived from the State's electronic procurement system, when available, or other available data.
- (2) Subject to the provisions of this section, bids shall be evaluated and the contract awarded in accordance with Article 3 of Chapter 143 of the General Statutes.
- (3) For each category of goods under each State requirements furniture contract, awards shall be made to at least three qualified vendors unless three qualified vendors are not available. Additionally, if the State Purchasing Officer determines that there are no qualified vendors within the three best qualified vendors who offer furniture manufactured or produced in North Carolina or who are incorporated in the State, the State Purchasing Officer shall expand the number of qualified vendors awarded contracts to as many qualified vendors as is necessary to include a qualified vendor who offers furniture manufactured or produced in North Carolina or who is incorporated in the State, but the State Purchasing Officer shall not be required to expand the number of qualified vendors to more than six qualified vendors. A vendor is qualified under this subsection if the vendor's products conform to the term contract specifications and the vendor submits a responsive bid.

- (3) The vendor offers products on the same pricing and specifications as the vendor's products included on the GSA Furniture Schedule.
- (4) The vendor is a resident bidder as defined in G.S. 143-59(c) or the vendor offers products manufactured or produced in North Carolina.

(b) Definition. – For purposes of this section, "furniture requirements contract" means State requirements contracts for casegoods, classroom furniture, bookcases, ergonomic chairs,

(c) Authority to Purchase. – An agency may purchase from any vendor certified on the State furniture requirements contract, including vendors meeting the requirements of subsection (a1) of this section. An agency shall make the most economical purchase that it determines meets its needs, based upon price, compatibility, service, delivery, freight charges, contract terms, and other factors that it considers relevant. (1995, c. 136, ss. 1, 3; 1995 (Reg. Sess., 1996), c. 716, s. 30; 2004-115, s. 1; 2013-73, s. 1; 2020-90, s. 1.5.)

If any such State or nonstate department, institution, agency or instrumentality purchases any supplies, materials, equipment, printing or services contrary to the provisions of this Article or the rules made hereunder, the executive officer of such department, institution, agency or instrumentality shall be personally liable for the costs thereof. (1931, c. 261, s. 9; 1957, c. 269, s. 3; 1971, c. 587, s. 1; 1975, c. 879, s. 46; 1977, c. 148, s. 3; 1987, c. 827, s. 217.)

(a) It shall be unlawful for any person, by the use of the powers, policies or procedures described in this Article or established hereunder, to purchase, attempt to purchase, procure or attempt to procure any property or services for private use or benefit.

(b) This prohibition shall not apply if:

- (1) The department, institution or agency through which the property or services are procured had theretofore established policies and procedures permitting such purchases or procurement by a class or classes of persons in order to provide for the mutual benefit of such persons and the department, institution or agency involved, or the public benefit or convenience; and
- (2) Such policies and procedures, including any reimbursement policies, are complied with by the person permitted thereunder to use the purchasing or procurement procedures described in this Article or established thereunder.

All State departments, institutions, agencies, community colleges, and local school administrative units shall, to the extent economically practicable, purchase and use, or require the purchase and use of, products with recycled content.

(b) No later than January 1, 1995, the Secretary of Administration and each State department, institution, agency, community college, and local school administrative unit

authorized to purchase materials and supplies or to contract for services shall review and revise its bid procedures and specifications for the purchase or use of materials and supplies to eliminate any procedures and specifications that explicitly discriminate against materials and supplies with recycled content, except where procedures and specifications are necessary to protect the health, safety, and welfare of the citizens of this State.

(c) The Secretary of Administration and each State department, institution, agency, community college, and local school administrative unit shall review and revise its bid procedures and specifications on a continuing basis to encourage the purchase or use of materials and supplies with recycled content and to the extent economically practicable, the use of materials and supplies with recycled content.

(d) The Department of Administration, in cooperation with the Division of Environmental Assistance and Outreach of the Department of Environmental Quality, shall identify materials and supplies with recycled content that meet appropriate standards for use by State departments, institutions, agencies, community colleges, and local school administrative units.

(e) A list of materials and supplies with recycled content that are identified pursuant to subsection (d) of this section and that are available for purchase under a statewide term contract shall be distributed annually to each State agency authorized to purchase materials and supplies for use by its departments, institutions, agencies, community colleges, or local school administrative units.
