In all such cases it shall be the duty of the Bureau to keep such records as may be necessary and to prepare evidence in the cases investigated, for the use of enforcement officers and for the trial of causes. The services of employees of the Bureau may be required by the Governor in connection with the investigation of any crime committed anywhere in the State when called upon by the enforcement officers of the State, and when, in the judgment of the Governor, such services may be rendered with advantage to the enforcement of the criminal law. The Governor must give the person being investigated written notice that the Governor intends to request a background investigation at least 10 days prior to the date that the Governor requests the State Bureau of Investigation to conduct the background investigation. The written notice shall be sent by regular mail, and there is created a rebuttable presumption that the person received the notice if the Governor has a copy of the notice.

Article IV.

Authorized Record Disclosures.

(a) To the extent authorized by section 552a of Title 5, United States Code (commonly known as the Privacy Act of 1974), the FBI shall provide on request criminal history records, excluding sealed record information, to state criminal history record repositories for noncriminal justice purposes allowed by federal statute, federal executive order, or a state statute that has been approved by the Attorney General to ensure that the state statute explicitly authorizes national indices checks.

(b) The FBI, to the extent authorized by section 552a of Title 5, United States Code (commonly known as the Privacy Act of 1974), and state criminal history record repositories shall provide criminal history records, excluding sealed record information, to criminal justice agencies and other governmental or nongovernmental agencies for noncriminal justice purposes allowed by federal statute, federal executive order, or a state statute that has been approved by the Attorney General to ensure that the state statute explicitly authorizes national indices checks.

(c) Each request for criminal history record checks utilizing the national indices made under federal authority must be submitted through the FBI or, if the state criminal history record repository consents to process fingerprint submissions, through the criminal history record repository in the state in which the request originated. The vice-chair of the council shall serve as the chair of the council in the absence of the chair.

(d) The council shall meet at least once each year at the call of the chair. Each meeting of the council must be open to the public. App.) for all purposes other than noncriminal justice.

(b) Nothing in this compact may require the FBI to obligate or expend funds beyond those appropriated to the FBI.

(c) Nothing in this compact may diminish or lessen the obligations, responsibilities, and authorities of any state, whether a party state or a nonparty state, or of any criminal history record repository or other subdivision or component thereof under the Departments of State, Justice, and Commerce, the Judiciary, and Related Agencies Appropriation Act, 1973 (Public Law 92-544) or regulations and guidelines promulgated thereunder, including the rules and procedures promulgated by the council under Article VI(a), regarding the use and dissemination of criminal history records and information.

If a portion of this compact is held contrary to the constitution of any party state, all other portions of this compact must remain in full force and effect as to the remaining party states and in full force and effect as to the party state affected, as to all other provisions.
