

Article 89A.

North Carolina Professional Employer Organization Act.

Part 1. In General.

§ 58-89A-1. Title.

This Article shall be known and may be cited as the "North Carolina Professional Employer Organization Act". (2002-168, s. 8; 2004-162, s. 1.)

§ 58-89A-5. Definitions.

In this Article:

- (1) "Applicant" means a person applying for a license or a group license under this Article.
- (2) "Assigned employee" means an employee who is performing services for a client company under a contract between a licensee and a client company in which employment responsibilities are shared or allocated. "Assigned employee" does not include a temporary employee. Individuals who are directors, shareholders, partners, and managers of a client company are assigned employees to the extent the licensee and the client have agreed that those individuals are assigned employees and provided that those individuals meet the criteria of this subdivision and act as operational managers or perform reviews for the client company.
- (3) "Audited GAAP financial statement" means a financial statement that is audited by an independent certified public accountant and presented in accordance with generally accepted accounting principles.
- (4) "Client company" or "client" means a person that contracts with a licensee and is assigned employees by the licensee under that contract.
- (5) "Control", including the terms "controlling", "controlled by", and "under common control with" means the direct or indirect possession of the power to direct or cause the direction of the management and policies of a person, whether through the ownership of voting securities, by contract other than a commercial contract for goods or nonmanagement services, or otherwise. Control is presumed to exist if any natural person directly or indirectly owns, controls, holds with the power to vote, or holds proxies representing ten percent (10%) or more of the voting securities of any other person. This presumption may be rebutted by a showing made in the manner provided by rule of the Commissioner. The Commissioner may determine, after furnishing all persons in interest notice and opportunity to be heard and making specific findings of fact to support such determination, that control exists in fact, notwithstanding the absence of a presumption to that effect.
- (6) "Financial responsibility" means the current and expected future condition of financial solvency sufficient to support a reasonable expectation that an applicant or licensee can successfully conduct its business without jeopardizing the interests of its assigned employees, client companies, or the public.
- (7) "Good moral character" means a personal history of honesty, trustworthiness, fairness, a good reputation for fair dealings, and respect for the rights of others and for state and federal laws.
- (8) Repealed by Session Laws 2013-413, s. 11.1(a), effective October 1, 2013.

- (9) "Licensee" means a person licensed under this Article to provide professional employer services. The term includes a professional employer organization group licensed under G.S. 58-89A-35(b). Unless specifically stated otherwise in this Article, "licensee" includes persons who are licensed under this Article pursuant to alternative licensing procedures as set forth in G.S. 58-89A-76.
- (10) "Managed services" means services provided by an organization that is the sole employer of employees whom it supplies to staff and manage a specific portion of a company's workforce or a specific facility within a company on an ongoing basis. The managed services organization has responsibility for ensuring the capabilities and skills of the employees it supplies or provides, for all employer functions, for supervisory responsibility over the employees, and for management accountability of the facility or function.
- (11) "PEO agreement" means a written contract by and between a client company and a professional employer organization that provides:
 - a. For the allocation and sharing between the client company and the licensee of the responsibilities of employers with respect to the assigned employees, including hiring, firing, and disciplining of employees; and
 - b. That the licensee and the client company assume the responsibilities required by this Article.
- (12) "Person" has the same meaning as in G.S. 58-1-5(9).
- (13) "Personnel placement service" means a job placement service offered through an organization that assists persons seeking employment to find a job with companies that are seeking employees. Companies that hire persons through a personnel placement service are the sole employers of the persons hired, and the personnel placement service does not have any responsibility as an employer.
- (14) "Professional employer organization" or "PEO" means a person that offers professional employer services and includes "staff leasing services companies", "employee leasing companies", "staff leasing companies", and "administrative employers" who offer or propose to offer professional employer services in this State.
- (15) "Professional employer organization group" or "PEO group" means a combination of professional employer organizations that operates under a group license issued under this Article or is otherwise subject to group licensure requirements under G.S. 58-89A-35(b).
- (16) "Professional employer services" means an arrangement by which employees of a licensee are assigned to work at a client company and in which employment responsibilities are in fact shared by the licensee and the client company in accordance with G.S. 58-89A-100, the employee's assignment is intended to be of a long-term or continuing nature, rather than temporary or seasonal in nature. "Professional employer services" does not include services that provide temporary employees or independent contractors, a personnel placement service, managed services, payroll services that do not involve employee staffing or leasing, the sharing of employees by commonly owned companies within the meaning of section 414(b) and (c) of the Internal Revenue Code of 1986, as amended, or similar groups that do not meet the requirements of this subdivision.

- (17) "Temporary employees" means persons employed under an arrangement by which an organization hires its own employees and assigns them to a client company to support or supplement the client's workforce in a special work situation, including:
- a. An employee absence;
 - b. A temporary skill shortage;
 - c. A seasonal workload; or
 - d. A special assignment or project. (2002-168, s. 8; 2004-162, s. 1; 2007-127, s. 12; 2013-413, s. 11.1(a).)

§ 58-89A-10: Repealed by Session Laws 2008-124, s. 7.3, effective October 1, 2008.

§ 58-89A-15. Rules.

- (a) The Commissioner may adopt rules necessary to implement, administer, and enforce the provisions of this Article.
- (b) Each licensee and each person subject to licensure requirements under this Article are subject to the provisions of this Article and to the rules adopted by the Commissioner.
- (c) Nothing in this Article preempts the existing statutory or rule-making authority of any other State agency or entity to regulate professional employer services in a manner consistent with the statutory authority of that State agency or entity. (2002-168, s. 8; 2004-162, s. 1.)

§ 58-89A-20. Interagency cooperation.

A State agency, in performing duties under other law that affects the regulation of professional employer services, shall cooperate with the Commissioner as necessary to implement, administer, and enforce this Article. (2004-162, s. 1.)

§ 58-89A-25. Effect of other law on client companies and assigned employees.

- (a) This Article does not exempt a client company of a licensee, or any assigned employee, from any other license requirements imposed under local, State, or federal law.
- (b) An employee who is licensed, registered, or certified under law and who is assigned to a client company is considered to be an employee of the client company for the purpose of that license, registration, or certification.
- (c) A licensee is not engaged in the unauthorized practice of an occupation, trade, or profession that is licensed, certified, or otherwise regulated by a State agency or other political subdivision of the State, including a county or city, by entering into a PEO agreement with a client company and assigned employees.
- (d) With respect to a bid, contract, purchase order, program, or agreement entered into with the State or a political subdivision of the State, or State program or benefit otherwise available to a client company, a client company's status, certification, or qualification pursuant to the bid, contract, benefit, program, agreement, or State program shall not be affected because the client company has entered into an agreement with a licensee or utilizes the services of a licensee.
- (e) Nothing in this Article or in any PEO agreement or other professional employer services contract shall affect, modify, or amend any collective bargaining agreement or the rights or obligations of any client company, professional employer organization, or any assigned employee under the National Labor Relations Act, 29 U.S.C. § 151, et seq. (2004-162, s. 1.)

§ 58-89A-30. Other provisions of this chapter.

G.S. 58-2-45, 58-2-50, 58-2-55, 58-2-60, 58-2-65, 58-2-69, 58-2-70, 58-2-75, 58-2-100, 58-2-155, 58-2-163, 58-2-180, 58-2-185, 58-2-200, 58-2-240, and 58-3-100 shall apply to all persons licensed under this Article and all persons subject to licensure requirements under this Article. (2004-162, s. 1; 2007-127, s. 13.)

§ 58-89A-31. Tax credits and other incentives.

For purposes of determination of tax credits and other economic incentives provided by the State or a political subdivision and based on employment, covered employees are considered employees solely of the client. A client shall be entitled to the benefit of any tax credit, economic incentive, or other benefit arising as the result of the employment of covered employees of the client. Each professional employer organization must provide, upon request by a client, employment information that is required by any agency or department of the State or a political subdivision responsible for administration of any tax credit or economic incentive and that is necessary to support a request, claim, application, or other action by a client seeking the tax credit or economic incentive. For purposes of this section, the term "political subdivision" has the same meaning as in G.S. 162A-65(a)(8). (2004-162, s. 1; 2009-552, s. 4.)

Part 2. License Requirements and Limitations.

(b) Two or more professional employer organizations that are controlled by the same ultimate parent, entity, or persons may be licensed as a professional employer organization group. A professional employer organization group may satisfy the reporting and financial requirements of this Article on a consolidated basis. As a condition of licensure as a professional employer organization group, each professional employer organization that is a member of the group shall guarantee payment of all financial obligations of every other member. Notwithstanding the definition of "person" in this Article, whenever two or more entities combine to seek issuance of a single license under this Article, the requirements for group licensure under this subsection shall be met before issuance of a license and any license issued will be a group license issued pursuant to this subsection. (2002-168, s. 8; 2004-162, s. 1.)

(a) An applicant for licensure shall file with the Commissioner a surety bond, or other items as set forth in subsection (f) of this section, in the amount of one hundred thousand dollars (\$100,000) for the benefit of the Commissioner. (d) Repealed by Session Laws 2013-413, s. 11.2(b), effective October 1, 2013.

(e) Notice of cancellation or nonrenewal of the surety bond required by this section shall be provided to the Commissioner in writing at least 45 days before cancellation or nonrenewal.

(e1) A surety bond may be cancelled by the issuer of the bond with respect to future obligations or liabilities upon proper notice pursuant to this section and without regard to approval or acceptance of the Commissioner.

(f) In lieu of the surety bond required by this section, an applicant may submit to the Commissioner an irrevocable letter of credit in a form acceptable to the Commissioner issued by a financial institution, the deposits of which are insured by the Federal Deposit Insurance Corporation, or may maintain on deposit with the Commissioner an amount equal to the amount required under subsection (a) of this section in cash or in value of securities of the kind specified in G.S. 58-5-20.

(2004-162, s. 1; 2005-124, s. 1; 2008-124, ss. 7.1, 7.2; 2009-552, s. 1; 2013-413, s. 11.1(b).)

§ 58-89A-55. Reserved.

(a) Every applicant for licensure shall file with the Commissioner, on a form prescribed by the Commissioner, the following information:

- (1) The name, organizational structure, and date of organization of the applicant, the addresses of the principal office and of all offices in this State, the name of the contact person, the type of operations within this State, and the taxpayer or employer identification number.
- (2) A list by jurisdiction of each name under which the applicant has operated in the preceding five years, including any alternative names, names of predecessors,

and, if known, names of successor business entities. The list required by this subdivision shall include the parent company name and any trade name, trademark, or service mark of the applicant.

- (3) A list of all officers and controlling persons of the applicant, their biographical information, including their management background, and an affidavit from each attesting to his or her good moral character and management competence.
- (4) The location of the business records of the applicant.
- (5) An attestation, executed by the chief financial officer and chief executive officer of the applicant, that the applicant is current as of the date the application is submitted with respect to all of its obligations for payroll, payroll-related taxes, workers' compensation insurance, and employee benefits. If any such obligations are in dispute with a client as of the date the application is submitted and the disputed amount is material when considered in the context of the applicant's most recent audited financial statement, then the applicant shall disclose the nature of the dispute causing the obligations to be unpaid and the amount of money in controversy.
- (6) Any other information the Commissioner deems necessary and requires by rule to establish that the applicant and the officers and controlling persons are of good moral character, have business integrity, and have financial responsibility.

(b) Every applicant shall file with the Commissioner an audited GAAP financial statement, prepared as of a date not more than 90 days before the date of application that demonstrates that the applicant or licensee's current assets exceed current liabilities and attached to which is a separate document signed by the chief executive and the chief financial officer certifying that (i) each has reviewed the financial statement; (ii) based on each signatory's knowledge, the financial statement does not contain any untrue or misleading statement of material fact or omit a fact with respect to the period covered by the financial statement; and (iii) based on each signatory's knowledge, the financial statement fairly presents in all material respects the financial condition of the licensee as of, and for, the period presented in the financial statement.

Notwithstanding the requirements of this subsection, the Commissioner may, in the Commissioner's discretion, accept an audited GAAP financial statement that has been prepared more than 90 days before submission to the Commissioner if the Commissioner deems such acceptance appropriate. The Commissioner may, in the Commissioner's discretion, impose conditions upon such acceptance of financial statements prepared more than 90 days prior to submission.

The audited GAAP financial statement shall be prepared in accordance with generally accepted accounting principles and audited by an independent certified public accountant licensed to practice in the jurisdiction in which such accountant is located and shall be without qualification as to the going concern status of the PEO. A PEO group may submit combined or consolidated audited financial statements to meet the requirements of this section, except that a PEO that has not had sufficient operating history to have audited financial statements based upon at least 12 months of operating history must meet the financial capacity requirements of this subsection and present financial statements reviewed by a certified public accountant.

(c) Every applicant shall submit to the Commissioner the application fee pursuant to G.S. 58-89A-65.

(d) Every applicant shall furnish the Commissioner a complete set of fingerprints of each officer, director, and controlling person in a form prescribed by the Commissioner. Each set of fingerprints shall be certified by an authorized law enforcement officer.

Upon request by the Department, the State Bureau of Investigation shall provide to the Department from the State and National Repositories of Criminal Histories the criminal history of any applicant and the officer, director, and controlling person of any applicant. Along with the request, the Department shall provide to the State Bureau of Investigation the fingerprints of the person that is the subject of the request, a form signed by the person that is the subject of the request consenting to the criminal record check and use of fingerprints and other identifying information required by the State and National Repositories, and any additional information required by the State Bureau of Investigation. The person's fingerprints shall be used by the State Bureau of Investigation for a search of the State's criminal history record file, and the State Bureau of Investigation may forward a set of fingerprints to the Federal Bureau of Investigation for a national criminal history record check. The Department shall keep all information obtained pursuant to this subsection confidential. The State Bureau of Investigation may charge a fee to offset the cost incurred by it to conduct a criminal record check under this section. The fee shall not exceed the actual cost of locating, editing, researching, and retrieving the information.

In the event that an applicant has secured a professional employer organization license in another state in which the professional employer organization's controlling persons have completed a criminal background investigation within 12 months of this application, a certified copy of the report from the appropriate authority of that state may satisfy the requirement of this subsection. This subsection also applies to a change in a controlling party of a professional employer organization. For purposes of investigation under this subsection, the Commissioner shall have all the power conferred by G.S. 58-2-50 and other applicable provisions of this Chapter.

(e) An application for licensure of a professional employer organization group shall contain the information and submissions required by this section for each member of the group.

(f) No application is complete until the Commissioner has received all information and submissions required under subsections (a) through (e) of this section. Subsections (a) through (e) of this section do not apply to persons who are licensed pursuant to the alternative licensing procedures set forth in G.S. 58-89A-76.

(g) The Commissioner may deny the license of an applicant under this Article if, after notice to the applicant and an opportunity for a hearing, the Commissioner finds that a controlling person has:

- (1) Made any untrue material statement regarding the background or experience of any controlling person;
- (2) Violated, or failed to comply with, any professional employer services law or any rule or order of the Commissioner or of any other State official responsible for the regulation of professional employer services;
- (3) Obtained or attempted to obtain the license through misrepresentation or fraud;

- (5) Been found in a final judgment or administrative proceeding to have committed fraud or an unfair trade practice; or
- (6) Been a controlling person in another professional employer organization that has had its license or registration suspended, terminated, or revoked by any state.

(h) If the Commissioner finds that the applicant has not fully met the requirements for licensure, the Commissioner shall refuse to issue the license and shall notify the applicant in writing of the denial, stating the grounds for the denial. The application may also be denied for any reason for which a license may be suspended or terminated under G.S. 58-89A-155. To obtain a review to determine the reasonableness of the Commissioner's denial, the applicant shall make written demand upon the Commissioner within 30 days after notice is given under G.S. 150B-38(c). The review shall be completed without undue delay, and the applicant shall be notified promptly in writing as to the outcome of the review. If the applicant disagrees with the outcome of the review and seeks a hearing, under Article 3A of Chapter 150B of the General Statutes, on the outcome of the review, the applicant shall make a written demand upon the Commissioner for the hearing within 30 days after notice of the outcome of the review is given under G.S. 150B-38(c).

(i) Removal, demotion, or discharge of a controlling person in response to an order of the Commissioner of the alleged unsuitability of that person is an affirmative defense to any claim by that individual based on the removal, demotion, or discharge.

(j) The Commissioner may, in the Commissioner's discretion, waive the required evaluation of an officer, director or controlling person if that officer, director or controlling person has been evaluated previously under this Article.

(k) After denial, suspension, or termination of a license, and before issuing a new license or reinstating a license, the Commissioner shall review and consider:

- (1) The extent to which the applicant or licensee has adequately corrected any problems; and
- (2) Whether the applicant or licensee has demonstrated that the applicant or licensee had exercised due diligence to avoid the reason or reasons for the denial or termination.

The applicant or licensee bears the burden of proof with respect to subdivisions (1) and (2) of this subsection. (2002-168, s.8; 2004-162, s. 1; 2013-413, s. 11.1(c); 2014-100, s. 17.1(o); 2015-281, s. 6; 2023-134, s. 19F.4(uu).)

§ 58-89A-65. Fees.

(a) Each applicant for a professional employer organization license or de minimis registration shall pay to the Commissioner, before the issuance of the license, a nonrefundable application fee of one thousand dollars (\$1,000).

(b) Each licensee shall pay to the Commissioner when filing the information required under G.S. 58-89A-70(d) an annual filing fee of one thousand dollars (\$1,000).

(c) Each applicant for alternative licensing under G.S. 58-89A-76 and each applicant for renewal of a license provided under G.S. 58-89A-76 shall pay to the Commissioner, before issuance or renewal of the license, a fee of five hundred dollars (\$500.00).

(d) When the Commissioner finds that a licensee has committed an act that is a ground for disciplinary violation under G.S. 58-89A-155 or that a licensee has committed a prohibited act in violation of G.S. 58-89A-170, and such decision becomes final following the conclusion of all administrative or judicial proceedings, the Commissioner may charge an applicant or licensee reasonable fees to recover the Department's costs associated with investigations, inspections, examinations, and any other administrative or enforcement responsibilities created under this Article.

(e) Fees collected by the Commissioner under this Article shall be deposited in the Insurance Regulatory Fund under G.S. 58-6-25 and shall be used to implement this Article. (2002-168, s. 8; 2004-162, s. 1; 2005-124, s. 2.)

§ 58-89A-70. License issuance and maintenance.

(a) The Commissioner shall issue a license to an applicant whom the Commissioner determines has satisfied the requirements of this Article not later than the 90th day after the date on which the completed application is filed with the Commissioner. The Commissioner shall notify an applicant of any deficiency in the application not later than the 60th day after the date on which the Commissioner receives the application.

(b) A license issued by the Commissioner under this Article shall remain in effect until revoked, suspended, surrendered, or otherwise terminated.

(c) By obtaining licensure under this Article, the controlling persons of a licensee certify, under penalty of law, their compliance with the requirements of licensure and of operation as a professional employer organization pursuant to this Article.

(d) Within 120 days after the end of each fiscal year, each licensee shall file with the Commissioner all of the following information:

(1) Evidence of "financial responsibility" as set forth in G.S. 58-89A-60(b).

(2) Any information required by G.S. 58-89A-60(a) for which there has been a change since the last or initial filing. Any change of controlling persons may subject the licensee to a background investigation of those controlling persons as required by G.S. 58-89A-60.

(3) The annual filing fee, pursuant to G.S. 58-89A-65.

(4) Any other information the Commissioner determines is needed for the review of a licensee.

(e) In order to maintain licensure, each licensee may be required to file with the Commissioner no later than 45 days after the end of each quarter of the fiscal year:

(1) A financial statement for the preceding quarter that is not audited but is set forth in a format similar to the annual audited GAAP financial statement; and

(2) An attestation, executed by the chief financial officer and the chief executive officer of the licensee, that the licensee is current with respect to all of its obligations for payroll, payroll-related taxes, workers' compensation insurance, and employee benefits. If any of the obligations listed in this subdivision are in dispute with a client and the disputed amount is material when considered in the context of the licensee's most recent audited financial statement, then the licensee shall disclose the nature of the dispute causing the obligations to be unpaid and the amount of money in controversy. (2004-162, s. 1.)

§ 58-89A-75. De minimis registration.

(a) A person who seeks to offer limited professional employer services in this State shall be eligible for de minimis registration status upon compliance with this section and may operate as a de minimis registrant in this State upon notification pursuant to this section. A person shall satisfy the requirements for a de minimis registration only if the professional employer organization:

(1) Does not maintain a physical professional employer organization office located in this State;

- (2) Does not employ salespersons who reside or direct their sales activities in this State;
- (3) Does not employ directly or in common control with another person, as defined in G.S. 58-89A-5(12), more than 50 assigned employees in this State;
- (4) Does not advertise through any media outlet physically located in this State;
- (5) Is a licensed or registered professional employer organization in at least one other state of the United States; and
- (6) Is operated by and under the control of persons of good moral character.

A professional employer organization operating under a de minimis registration shall be subject to all of the responsibilities and authority of a licensee under this Article except for G.S. 58-89A-50, 58-89A-60 and 58-89A-70(c), (d), and (e).

(b) A person seeking de minimis registration status shall notify the Commissioner, on a form prescribed by the Commissioner, attesting that the professional employer organization meets all of the eligibility requirements for de minimis registration status under this section and additionally provide, at a minimum, the following information:

- (1) The name of the professional employer organization, the address of its principal office, the name of the contact person, and the taxpayer or employer identification number;
- (2) A list by jurisdiction of each name under which the registrant has operated in the preceding five years, including any alternative names, names of predecessors, and, if known, successor business entities;
- (3) A list of all officers, directors, and controlling person(s) of the registrant and their biographical information in a form to be determined by the Commissioner; and
- (4) The location of the business records of the person.

(c) If the Commissioner finds that the person seeking de minimis registration has not fully met the requirements for de minimis registration, the person shall not be eligible for de minimis registration status, and the Commissioner shall notify the person in writing. Within 30 days after service of the notification, the person may make a written demand upon the Commissioner for a review to determine the reasonableness of the Commissioner's action. The review shall be completed without undue delay, and the person shall be notified promptly in writing as to the outcome of the review. Within 30 days after service of the notification as to the outcome, the person may make a written demand upon the Commissioner for a hearing under Article 3A of Chapter 150B of the General Statutes if the person disagrees with the outcome.

(d) If the Commissioner determines that the notification of eligibility for de minimis registration is incomplete, the Commissioner shall notify the person of the deficiency, and the registrant shall be allowed time, not to exceed 30 days from the date of the notice, to correct the deficiency. Failure of the person to correct the deficiency within the 30-day time period shall result in the de minimis being deemed denied. Except as otherwise provided in this section, a person notified of a deficiency under this section may continue to operate while the deficiency is being corrected unless the Commissioner determines that the person is ineligible for de minimis registration status or is otherwise not authorized to operate in this State.

(e) After a de minimis registrant's initial notification, a de minimis registrant shall annually notify the Commissioner of its continuing eligibility for de minimis registration status no earlier than January 1 and no later than January 15 of each year. The annual notification shall include the

attestation of eligibility for de minimis registration and any change in the information previously provided to the Commissioner under this section.

(f) A person operating under a de minimis registration to engage in professional employer services in North Carolina that ceases to satisfy any of the requirements for de minimis registration under this section shall apply for a professional employer organization license. The de minimis registrant may continue to operate in North Carolina pending approval of the registrant's application for a license provided the application is filed with the Commissioner no later than 30 days after the professional employer organization becomes ineligible for de minimis registration. If the application for licensure is denied or is not filed as prescribed in this section, the de minimis registrant must cease engaging in professional employer services in North Carolina. (2004-162, s. 1; 2005-124, s. 3; 2007-127, s. 14; 2009-570, s. 9.)

§ 58-89A-76. Alternative licensing.

The Commissioner, by rule, may provide for the acceptance of an affidavit by a bonded, independent, and qualified assurance organization that has been approved by the Commissioner certifying the qualifications of a professional employer organization for licensing under this Article in lieu of the requirements of G.S. 58-89A-40 through G.S. 58-89A-60. A professional employer organization licensed under this section shall be exempt from the provisions of G.S. 58-89A-70(c), (d), and (e). (2004-162, s. 1.)

§ 58-89A-80. License not assignable; change of name or location.

(a) A licensee shall not conduct business under any name other than that specified in the license. A license issued under this Article is not assignable. A licensee shall not conduct business under any fictitious or assumed name without prior written authorization from the Commissioner. The Commissioner shall not authorize the use of a name that is so similar to that of a public office or agency or to that of another licensee that the public may be confused or misled by the name's use. A licensee shall not conduct business under more than one name unless the licensee has obtained a separate license for each name or the licensee is operating under a group license pursuant to G.S. 58-89A-35.

(b) Except as provided in this subsection, a licensee may change the licensee's licensed name only once in a calendar year by notifying the Commissioner and paying a fee for the change of name. The fee for a name change shall be fifty dollars (\$50.00). A licensee may change the licensee's name without the payment of the name change fee if the name change is submitted with the information required by G.S. 58-89A-70(d). If a licensee has changed its name once during a calendar year, the licensee shall not change its name again unless the name change is approved by the Commissioner.

(c) A licensee shall notify the Commissioner in writing within 30 days of any change in the status of the licensee, including:

- (1) Any change in the location of the licensee's primary business office;
- (2) The addition of or change in the location of any other business offices providing professional employer services in this State; and
- (3) A change in the location of business records maintained by the licensee.

(d) A licensee may advertise in this State using only the name that is on the license issued by the Commissioner.

(e) Each written proposal provided to a prospective client company and each PEO agreement between a licensee and a client company or assigned employee shall clearly identify the name of the licensee. (2004-162, s. 1.)

§ 58-89A-85. Supervision; rehabilitation; liquidation.

If at any time the Commissioner determines, after notice and an opportunity for the licensee to be heard, that a licensee (i) has been or will be unable, in such a manner as may endanger the ability of the licensee, to fully perform its obligations pursuant to this Article or (ii) is bankrupt, the Commissioner may either (i) commence a supervision proceeding pursuant to Article 30 of this Chapter or (ii) apply to the Superior Court of Wake County or to the federal bankruptcy court that has previously taken jurisdiction over the licensee, if applicable, for an order directing the Commissioner or authorizing the Commissioner to rehabilitate or to liquidate a licensee in accordance with Article 30 of this Chapter. (2004-162, s. 1; 2013-413, s. 11.1(d).)

(b) The licensee shall give written notice of the agreement, by agreement or otherwise, as it affects assigned employees to each employee assigned to a client company work site.

(c) Repealed by Session Laws 2013-413, s. 11.1(e), effective October 1, 2013. (2004-162, s. 1; 2013-413, s. 11.1(e).)

§ 58-89A-100. Contract requirements.

A contract between a licensee and a client company shall provide:

- (1) Unless otherwise expressly agreed by a professional employer organization and a client company in a PEO agreement, the client company retains the exclusive right of direction and control over the assigned employees as is necessary to conduct the client company's business and without which the client company would be unable to conduct its business, to discharge any fiduciary responsibility that it may have, or to comply with any applicable licensure, regulatory, or statutory requirement of the client company or an assigned employee. The PEO agreement shall provide that employment responsibilities not allocated to the licensee by the PEO agreement or this section remain with the client company.
- (2) That the licensee assumes responsibility for the payment of wages to the assigned employees as agreed to in the PEO agreement.
- (3) That the licensee assumes responsibility for the payment of payroll taxes and collection of taxes from payroll on assigned employees.
- (4) That the licensee shall have a right to hire, discipline, and terminate an assigned employee as may be necessary to fulfill the licensee's responsibilities under this Chapter and a PEO agreement. The client company shall have a right to hire, discipline, and terminate an assigned employee.

- (5) That the licensee retains a right of direction and control over the adoption of employment policies and the management of workers' compensation claims, claim filings, and related procedures in accordance with applicable federal laws and the laws of this State.
- (6) That responsibility to obtain workers' compensation coverage for assigned employees, from an entity authorized to do business in this State and otherwise in compliance with all applicable requirements, shall be specifically allocated in the PEO agreement to either the client company or the licensee. If the responsibility is allocated to the licensee under any such agreement, that agreement shall require that the licensee maintain and provide to the client company, at the termination of the agreement if requested by the client company, records regarding the loss experience related to workers' compensation insurance provided to assigned employees pursuant to the agreement. (2004-162, s. 1; 2013-413, s. 11.1(f).)

§ 58-89A-105. Employee benefit plans; required disclosure; other reports.

(a) A licensee may sponsor and maintain employee benefit plans for the benefit of assigned employees. Any health insurance plan sponsored and maintained by a licensee shall only be fully insured by one of the following:

- (2) A service corporation organized and licensed under Article 65 of this Chapter.
- (3) A health maintenance organization organized and licensed under Article 67 of this Chapter.

(a1) A client company may sponsor and maintain employee benefit plans for the benefit of assigned employees.

(b),(c) Repealed by Session Laws 2008-124, s. 7.4, effective October 1, 2008.

(d) For the purposes of this section, a health insurance plan is fully insured only if all of the benefits provided under the plan are covered by an approved policy issued by one or more of the entities specified in subsection (a) of this section. A health insurance plan is not fully insured if the plan is any form of stop-loss insurance or any other form of reinsurance.

(e) Existing licensees shall comply with subsection (a) of this section by October 1, 2009. If on October 1, 2009, an existing licensee sponsors and maintains any health insurance plan that is not fully insured by one or more of the entities specified in subsection (a) of this section, the licensee may continue to sponsor and maintain the health insurance plan if it complies with G.S. 58-89A-106. (2004-162, s. 1; 2008-124, s. 7.4; 2009-552, s. 2.)

§ 58-89A-106. Health insurance plan requirements.

(a) In order for a licensee to sponsor and maintain a health benefit plan that is not fully insured by one or more of the entities specified in subsection (a) of G.S. 58-89A-105 on and after October 1, 2009, as authorized by subsection (e) of that section, the licensee shall meet all of the requirements listed in this subsection. A health benefit plan developed under this section is not required to provide coverage that meets the requirements of other provisions of this Chapter that mandate either coverage or the offer of coverage by the type or level of health care services or health care provider. The licensee shall:

- (1) Use a third-party administrator licensed or registered under Article 56 of this Chapter.
- (2) Hold all health insurance plan assets, including participant contributions, in a separate trust account for use only with the health benefit plan.
- (3) Provide sound reserves for the health benefit plan that are determined on an annual basis by an actuary who is a member in good standing of the American Academy of Actuaries. The Commissioner may establish, by rule, a process for approving plan reserves.
- (4) Maintain the health benefit plan for only employees of the licensee or employees of the client company and neither offer nor advertise the health insurance benefit plan to the public generally.
- (5) Issue to each covered employee a policy, contract, certificate, summary plan description, or other evidence of the benefits and coverages provided. The evidence of benefits and coverages provided shall contain, in boldface print in a conspicuous location, the following statement: "THE BENEFITS UNDER THIS PLAN MAY NOT BE EQUAL TO THE MANDATED BENEFITS REQUIRED OF FULLY INSURED PLANS. THE BENEFITS AND COVERAGES DESCRIBED HEREIN ARE PROVIDED THROUGH A SELF-FUNDED HEALTH BENEFIT PLAN ESTABLISHED BY [name of PEO]. EXCESS INSURANCE IS PROVIDED BY AN AUTHORIZED INSURANCE COMPANY TO COVER HIGH AMOUNT MEDICAL CLAIMS. THE HEALTH BENEFIT PLAN IS NOT PROTECTED BY ANY INSURANCE GUARANTY ASSOCIATION. OTHER RELATED FINANCIAL INFORMATION IS AVAILABLE FROM YOUR EMPLOYER OR FROM THE [name of PEO]." Any statement required by this subsection is not required on identification cards issued to covered employees or other insureds.
- (6) File all contracts with third-party administrators with the Commissioner and report any changes to those contracts to the Commissioner before their implementation.
- (7) Obtain and maintain stop-loss insurance from an insurer authorized to write insurance in this State and that meets the following requirements:
 - a. If individual stop-loss insurance, it is actuarially appropriate for the size of the group, surplus, and the expected losses, as determined by a qualified actuary and approved by the Commissioner.
 - b. If aggregate stop-loss insurance, it is actuarially appropriate for the size of the group, surplus, and the expected losses as determined by a qualified actuary and approved by the Commissioner. If the licensee is unable to obtain aggregate stop-loss insurance that is actuarially appropriate, the licensee shall maintain at least a thirty percent (30%) lag reserve above expected losses, as determined by a qualified actuary.
 - c. If prescribed by the Commissioner, by rule, it satisfies net retention levels in accordance with a PEO's surplus and expected claims.
- (8) File with the Commissioner for information the summary plan description and the evidence of the benefits and coverages provided under the health benefit plan that is issued to the person covered by the health benefit plan.

- (9) Establish and maintain a written plan of operation for the health benefit plan.
- (10) File with the Commissioner the plan of operation for the health benefit plan and any updates to the plan of operation within 30 days of implementation.
- (11) Upon request of the Commissioner, provide information that summarizes paid and incurred expenses and contributions or premiums received and any additional evidence that the PEO's health benefit plan is actuarially sound.

(b) Notwithstanding Chapter 132 of the General Statutes, all documents filed by a licensee under this section are confidential, are not open for public inspection, and are not discoverable or admissible in evidence in a civil action brought by a party other than the Department against a person regulated by the Department, its directors, officers, or employees, unless the court finds that the interests of justice require that the documents be discoverable or admissible in evidence. The Commissioner, however, may use the contracts filed under this subsection in the furtherance of any regulatory or legal action brought as part of the Commissioner's official duties. (2009-552, s. 3; 2010-96, s. 11.)

§ 58-89A-107. Examinations of self-funded health benefit plans.

(a) The Commissioner may conduct an examination of a licensee's self-funded employee benefit plan as often as the Commissioner considers appropriate.

(b) An examination under this Article shall be conducted in accordance with the Examination Law of this Chapter, G.S. 58-2-131 through G.S. 58-2-133.

(c) In lieu of an examination of any foreign or alien licensee's self-funded employee benefit plan, the Commissioner may, in the Commissioner's discretion, accept an examination report on the licensee's self-funded employee benefit plan prepared by the appropriate regulator for the licensee's state of domicile.

(d) When making an examination under this section, the Commissioner may retain attorneys, appraisers, independent actuaries, independent certified public accountants, or other professionals and specialists as examiners, the reasonable cost of which shall be borne by the licensee that is the subject of the examination.

(e) The amount paid by a PEO for an examination of its health benefit plan under this section shall not exceed sixty thousand dollars (\$60,000), unless the PEO and the Commissioner agree on a higher amount. The State Treasurer shall deposit all funds received under this section in the Insurance Regulatory Fund established under G.S. 58-6-25. Funds received under this section shall be used by the Department for offsetting the actual expenses incurred by the Department for examinations under this section. (2009-552, s. 3.)

§ 58-89A-110. Workers' compensation insurance.

(a) A licensee or the licensee's client company shall provide workers' compensation insurance coverage through a licensed insurance carrier or a licensed self-insurance plan for the licensee's assigned employees as provided in Chapter 97 of the General Statutes, the Workers' Compensation Act. To the extent that the licensee secures and maintains workers' compensation coverage for assigned employees, the carrier may elect to provide such coverage to the licensee pursuant to either the multiple coordinated policy method, as set forth in subsection (b) of this section, or the single policy method, as set forth in subsection (c) of this section.

(b) If the licensee provides workers' compensation coverage pursuant to the multiple coordinated policy method, the licensee shall secure a separate policy for each client company of the licensee. Each policy shall identify the name of the client company and the licensee. The

licensee shall be named as the insured and identify the client company. The licensee shall specify that it is the labor contractor for the client company by using the designation "L/C/F" on the policy.

Each policy shall expire on the same date. The policy shall not include coverage for nonleased employees of the client company or employees solely employed by the licensee. Only the licensee, as the first-named insured under such a policy, may request the insurer to cancel the policy. Each policy shall be sent to the licensee as the named insured.

The client company of a licensee shall have a continuing obligation to provide coverage as required by Chapter 97 of the General Statutes, the Workers' Compensation Act, for any employees of the client company who are not assigned employees and not otherwise covered under a policy described in this subsection.

If a client company of a licensee leases employees from more than one licensee, there shall be a separate policy for the assigned employees of each licensee.

The workers' compensation carrier also shall issue a policy covering the internal employees of the licensee unless they are otherwise covered.

All policies written in accordance with this subsection by the same insurance carrier that reference the same licensee as labor contractor shall be combined for premium discount purposes.

When policies written in accordance with this subsection are written by the same insurance carrier, the carrier and licensee may agree to a retrospective rating program or any other permitted pricing program.

Whenever a policy written in accordance with this subsection is cancelled, the insurance company writing the policy shall provide individual notices of cancellation as required by this Chapter to the licensee and the client company of the licensee.

(c) If the licensee provides workers' compensation coverage pursuant to the single policy method, the insurer shall issue to the licensee a single policy covering all assigned employees in this State in accordance with Chapter 97 of the General Statutes, the Workers' Compensation Act, and any other applicable laws or rating plans of this State.

As a condition of issuing a single policy, the licensee shall provide to the insurer of the policy all of the following information regarding each client company of the licensee with assigned employees in this State:

- (1) The correct legal name, any fictitious names, and the federal identification number.
- (2) The name and address of the president and chief executive officer.
- (3) The business mailing address.
- (4) The business telephone number and facsimile number.

The licensee shall also provide to the insurer the name and address of the insurance producer responsible for securing the policy of insurance on behalf of the licensee.

The insurer shall issue to each client company of the licensee a certificate of insurance on the single policy. The certificate of insurance shall require that the insurer provide notice of cancellation to the licensee and the client company of the licensee.

Whenever a policy written in accordance with this subsection is cancelled, the insurance company writing the policy shall provide individual notices of cancellation as required by this Chapter to the licensee and the client company of the licensee.

If the insurer fails to provide individual notices of cancellation to the licensee and the client company, the insurer shall remain liable on the risk for losses incurred by the client company that would have been covered by the workers' compensation policy prior to the attempted cancellation.

(d) A license shall not be issued to any professional employer organization unless (i) the organization first files with the Commissioner evidence of workers' compensation coverage for all assigned employees in this State, including those leased from or coemployed with another person, and (ii) the organization certifies to the Commissioner that it has provided its workers' compensation carrier with proper and necessary documentation to allow the carrier to determine and charge a premium that is commensurate with exposure and anticipated claim experience for all employees covered under policies issued by the carrier in the name of the licensee.

(e) Each licensee shall maintain and make available to its workers' compensation carrier on an annual basis the following information:

- (1) The correct name and federal identification number of each client company.
- (2) A listing of all covered employees provided to each client company, by classification code.
- (3) The total eligible wages, by classification code, and the premiums due to the carrier for the employees provided to each client company.
- (4) Sufficient information to permit the calculation of an experience modification factor for each client company upon termination of the professional employer relationship. Information accruing during the term of the leasing arrangement that is used to calculate an experience modification factor for a client company upon termination of the leasing relationship shall continue to be used in the future experience ratings of the licensee.

(f) Every Form 19 "Employer's Report of Employee's Injury or Occupational Disease to the Industrial Commission" filed with the Industrial Commission shall identify by name and address both the licensee and the client company employing the employee who is the subject of the Form 19.

(g) A licensee shall, within 30 days of initiation or termination of the licensee's relationship with any client company, notify its workers' compensation carrier and the North Carolina Industrial Commission of both the initiation and termination of the relationship. If the client company terminates the relationship between the licensee and the client company, the notice required by this subsection shall be given within 10 days of the licensee's actual knowledge of the termination.

(h) If the professional employer services arrangement with a client company is terminated, the client company shall be assigned an experience modification factor that reflects its experience during the experience period specified by the approved experience rating plan, including, if applicable, experience incurred for assigned employees under the PEO agreement.

(i) A client company shall not enter into a PEO agreement or be eligible for workers' compensation coverage in the voluntary market if the client-workers' company owes its current or prior carrier any premium for workers' compensation insurance, or if the client company owes its current or prior professional employer organization amounts due under the PEO agreement, except for premiums or amounts due that are subject to dispute. For the purposes of this section and compliance with other laws and rules, a licensee may rely on a statement by the client company that the client company has met any and all prior premium or fee obligations, unless the licensee has actual knowledge to the contrary.

(j) This section shall not prevent a client company of a licensee from providing workers' compensation insurance coverage for assigned employees coemployed by the client company and the licensee through a policy of insurance issued by a licensed insurance carrier in the name of the client company as the insured.

(k) Irrespective of whether the licensee or client company maintains the policy of workers' compensation insurance for the covered employees pursuant to the PEO agreement, the licensee and the client company shall be entitled to the exclusivity of the remedy under both the workers' compensation and the employer liability provision of the workers' compensation policy or plan that either party has secured and shall both be afforded the protections provided under Chapter 97 of the General Statutes. The licensee shall be entitled, along with the client company, to the exclusivity of the remedy under both the workers' compensation and employers' liability provision of the workers' compensation policy or plan that either party has secured.

(l) All assigned risk policies for client companies of the same licensee shall be assigned to one workers' compensation carrier in the State and in other states to the extent possible. (2004-162, s. 1; 2005-124, s. 4; 2022-46, ss. 3, 14(iiii).)

§ 58-89A-112. Liabilities.

Subject to any contrary provisions thereof, the PEO agreement shall be interpreted for purposes of insurance, bonding, and employer's liability as follows:

- (1) A licensee is not liable for the acts, errors, or omissions of a client company or of any assigned employee or for the quality, adequacy, or safety of the goods or services produced or sold in the client company's business. A client company is not liable for the acts, errors, or omissions of a licensee or of any employee of a licensee. Nothing in this section limits any contractual liability between a licensee and the client company or limits any liability or responsibility under this Article.
- (2) Employees assigned to a client company by a licensee are the employees of the client company for the purposes of general liability insurance, automobile insurance, fidelity bonds, surety bonds, and liquor liability insurance carried by the client company unless the employees are included by specific reference in the applicable PEO agreement, insurance contract, or bond. (2004-162, s. 1.)

§ 58-89A-115. Benefit plan notice.

- (2) The identity of each insurer for each type of coverage.
- (3) The amount of benefits provided for each type of coverage and to whom or on whose behalf benefits are to be paid.
- (4) The policy limits on each insurance policy.
- (5) Whether the coverage is fully insured, partially insured, or fully self-funded.

(b) With respect to any insurance or benefit plan provided by a licensee for the benefit of its assigned employees, a licensee shall provide to the insurer the name and address of the insurance producer responsible for securing the policy of insurance on behalf of the licensee.

(c) Whenever any insurance policy or benefit plan is cancelled, the insurance company writing the policy shall provide a notice of cancellation as required by this Chapter.

(d) The licensee shall notify the client company and the Commissioner in writing about a discontinuance and replacement, if any, of any health plan or workers' compensation insurance coverage no later than 10 business days after the discontinuance.

(e) The Commissioner, by rule, may require a licensee to file other reports that are reasonably necessary for the administration and enforcement of this Article. (2004-162, s. 1; 2022-46, s. 14(jjjj).)

§ 58-89A-120. Unemployment taxes; payroll.

A licensee is the employer of an assigned employee for purposes of Chapters 95, 96 and 105 of the General Statutes. The Department of Commerce, Division of Employment Security (DES), shall cooperate with the Commissioner in the investigation of applicants and licensees and shall provide the Commissioner with access to all relevant records and data in the custody of the DES. - (2) Maintain and make available at all times to the Commissioner the following information, which shall be treated as proprietary and confidential and which is exempt from disclosure to persons other than other governmental agencies that have a reasonable, legitimate purpose for obtaining the information:

Part 4. Penalties and Sanctions.
