

§ 1-42.3. Additional ancient mineral claims extinguished in certain counties; oil, gas and mineral interests to be recorded and listed for taxation in such counties.

(a) Where it appears on the public records that the fee simple title to any oil, gas or mineral interests in an area of land has been severed or separated from the surface fee simple ownership of such land and such interest is not in actual course of being mined, drilled, worked or operated, or in the adverse possession of another, or that the record titleholder of any such oil, gas or mineral interests has not listed the same for ad valorem tax purposes in the county in which the same is located for a period of 10 years prior to January 1, 1974, any person having the legal capacity to own land in this State, who has on September 1, 1974, an unbroken chain of title of record to such surface estate of such area of land for at least 50 years and provided such surface estate is not in the adverse possession of another, shall be deemed to have a marketable title to such surface estate as provided in the succeeding subsections of this section, subject to such interests and defects as are inherent in the provisions and limitations contained in the muniments of which such chain of record title is formed.

(b) Such marketable title shall be held by such person and shall be taken by his successors in interest free and clear of any and all such fee simple oil, gas or mineral interest in such area of land founded upon any reservation or exception contained in an instrument conveying the surface estate in fee simple which was executed or recorded at least 50 years or more prior to September 1, 1974, and such oil, gas or mineral interests are hereby declared to be null and void and of no effect whatever at law or in equity: Provided, however, that any such fee simple oil, gas or mineral interest may be preserved and kept effective by recording within two years after September 1, 1974, a notice in writing duly sworn to and subscribed before an official authorized to take probate by G.S. 47-1, which sets forth the nature of such oil, gas or mineral interest and gives the book and page where recorded. Such notice shall be probated as required for registration of instruments by G.S. 47-14 and recorded in the office of the register of deeds of the county wherein such area of land, or any part thereof lies, and in the book therein kept or provided under the terms of G.S. 1-42 for the purpose of recording certain severances of surface and subsurface land rights, and shall state the name and address of the claimant and, if known, the name of the surface owner and also contain either such a description of the area of land involved as to make said property readily located thereby or due incorporation by reference of the recorded instrument containing the reservation or exception of such oil, gas or mineral interest. Such notice may be made and recorded by the claimant or by any other person acting on behalf of any claimant who is either under a disability, unable to assert a claim on his own behalf, or one of a class but whose identity cannot be established or is uncertain at the time of filing such notice of claim for record.

(c) This section shall be construed to effect the legislative purpose of facilitating land title transactions by extinguishing certain ancient oil, gas or mineral claims unless preserved by recording as herein provided. The oil, gas or mineral claims hereby extinguished shall include those of persons whether within or without the State, and whether natural or corporate, but shall exclude governmental claims, State or federal, and all such claims by reason of unexpired oil, gas or mineral releases.

(d) Within two years from November 1, 1974, all oil, gas or mineral interest in lands severed or separated from the surface fee simple ownership must be listed for ad valorem taxes and notice of such interest must be filed in writing in the manner provided by G.S. 1-42.3(b) and recorded in the local registry in the book provided by G.S. 1-42, to be effective against the surface fee simple owner or creditors, purchasers, heirs or assigns of such owner. Subsurface oil, gas and mineral interests shall be assessed for ad valorem taxes as real property and such taxes shall be collected and foreclosed in the manner authorized by Chapter 105 of the General Statutes of North Carolina. The board of county commissioners shall publish a notice of this

subsection in a newspaper published in the county or having general circulation in the county once a week for four consecutive weeks prior to November 1, 1974.

The provisions of this subsection shall apply to the following counties: Alleghany, Burke, Caldwell, Cherokee, Clay, Cleveland, Gaston, Gates, Graham, Halifax, Henderson, Macon, McDowell, Mitchell, Polk, Randolph, Stanly, Surry, Watauga, and Wilkes. (1973, c. 1435; 1981, c. 329, s. 2.)
