

§ 106-579.13. Publications.

(a) The Commission [Commissioner] may publish or furnish, upon request, a list of the brands and classes or types of antifreeze inspected by the State Chemist during the fiscal year which have been found to be in accord with this Article and for which a license or permit for sale has been issued.

(b) The Commissioner may cause to be published from time to time reports summarizing all judgments, decrees, and court orders which have been rendered under this Article including the nature of the charge and the disposition thereof.

(c) The Commissioner may also cause to be disseminated such information regarding antifreezes as he deems necessary in the interest of protection of the public. Nothing in this section shall be construed to prohibit the Commissioner from collecting, reporting, and illustrating the results of the investigations of the Department. (1975, c. 719, s. 13.)
