

Article 63.

Aquaculture Development Act.

§ 106-756. Legislative findings and purpose.

The General Assembly finds and declares that it is in the best interest of the citizens of North Carolina to promote and encourage the development of the State's aquacultural resources in order to augment food supplies, expand employment, promote economic activity, increase stocks of native aquatic species, enhance commercial and recreational fishing and protect and better use the land and water resources of the State. (1989, c. 752, s. 147.)
