

§ 108A-147.9. Health advancement presumptive IGT adjustment component.

(a) The health advancement presumptive IGT adjustment component is an amount of money calculated by adding the public hospital health advancement IGT adjustment subcomponent calculated under subsection (b) of this section, the UNC Health Care System health advancement IGT adjustment subcomponent calculated under subsection (c) of this section, and the East Carolina University health advancement IGT adjustment subcomponent calculated under subsection (d) of this section.

(b) The public hospital health advancement IGT adjustment subcomponent is the total of the following amounts:

- (1) Sixty percent (60%) of the public hospital share of the sum of the presumptive service cost component calculated under G.S. 108A-147.5 for the current quarter, the administration component calculated under G.S. 108A-147.7 for the current quarter, and the State retention component under G.S. 108A-147.8 for the current quarter. The public hospital share is the total hospital costs for all public acute care hospitals divided by the total hospital costs for all acute care hospitals except for critical access hospitals and rural emergency hospitals for the current quarter.
- (2) Sixty percent (60%) of the nonfederal share for newly eligible individuals of the aggregate amount of the HASP directed payments due to PHPs in the current quarter for reimbursements to public acute care hospitals that are attributable to newly eligible individuals.

(c) The UNC Health Care System health advancement IGT adjustment subcomponent is the total of the following amounts:

- (1) The UNC Health Care System share of the presumptive service cost component calculated under G.S. 108A-147.5 for the current quarter and the administration component calculated under G.S. 108A-147.7 for the current quarter. The UNC Health Care System share is the total hospital costs for the UNC Health Care System hospitals divided by the total hospital costs for all acute care hospitals except for critical access hospitals and rural emergency hospitals for the current quarter.
- (2) The nonfederal share for newly eligible individuals of the aggregate amount of the HASP directed payments due to PHPs in the current quarter for reimbursements to UNC Health Care System hospitals that are attributable to newly eligible individuals.

(d) The East Carolina University health advancement IGT adjustment subcomponent is the total of the following amounts:

- (1) The East Carolina University share of the presumptive service cost component calculated under G.S. 108A-147.5 for the current quarter and the administration component calculated under G.S. 108A-147.7 for the current quarter. The East Carolina University share is the total hospital costs for the primary affiliated teaching hospital for the East Carolina University Brody School of Medicine divided by the total hospital costs for all acute care hospitals except for critical access hospitals and rural emergency hospitals for the current quarter.
- (2) The nonfederal share for newly eligible individuals of the aggregate amount of HASP directed payments due to PHPs in the current quarter for reimbursements to the primary affiliated teaching hospital for the East Carolina University Brody School of Medicine that are attributable to newly eligible individuals.
