

§ 113-16. Cooperation with agencies of the federal government.

The Department is authorized to arrange for and accept such aid and cooperation from the several United States government bureaus and other sources as may assist in completing topographic surveys and in carrying out the other objects of the Department.

The Department is further authorized and directed to cooperate with the Federal Power Commission in carrying out the rules adopted by that Commission; and to act in behalf of the State in carrying out any rules that may be adopted relating to water powers in this State other than those related to making and regulating rates. The provisions of this section are extended to apply to cooperation with authorized agencies of other states.
