

§ 116-43.15. Use of college or university facilities by public school students pursuant to cooperative programs.

The existing facilities of any constituent institution of The University of North Carolina and the existing facilities of any private college or university licensed in accordance with G.S. 116-15 that comply with the North Carolina State Building Code and applicable local ordinances for those facilities may be used without modification for public school students in joint or cooperative programs such as middle or early college programs and dual enrollment programs. Designs for new facilities of any constituent institution of The University of North Carolina and new facilities of any private college or university licensed in accordance with G.S. 116-15 that comply with the North Carolina State Building Code and applicable local ordinances for those facilities may be used without modification for public school students in joint or cooperative programs such as middle or early college programs and dual enrollment programs.

For the purpose of establishing Use and Occupancy Classifications, these programs shall be considered "Business – Group B" in the same manner as other college and university uses. (2006-66, s. 8.11(b); 2006-221, s. 5; 2009-305, s. 5.)
