

**§ 122C-20.14. Approval of landlords and housing units.**

The Department shall develop an application process for owners of housing units seeking to participate in the program as landlords. The application process shall, at a minimum, include an inspection of the owners' selected housing units and a requirement that owners receive educational information from the Department about the North Carolina Supportive Housing Program prior to being approved as landlords. (2013-397, s. 6(a).)
