

§ 130A-48. Procedure for incorporating district.

A sanitary district shall be incorporated as follows. Either fifty-one percent (51%) or more of the resident freeholders within a proposed sanitary district or fifty-one percent (51%) or more of the freeholders within a proposed sanitary district, whether or not the freeholders are residents of the proposed sanitary district, may petition the county board of commissioners of the county in which all or the largest portion of the land of the proposed district is located. This petition shall set forth the boundaries of the proposed sanitary district and the objectives of the proposed district. For the purposes of this Part, the term "freeholder" shall mean a person holding a deed to a tract of land within the district or proposed district, and also shall mean a person who has entered into a contract to purchase a tract of land within the district or proposed district, is making payments pursuant to a contract and will receive a deed upon completion of the contractual payments. The contracting purchaser, rather than the contracting seller, shall be deemed to be the freeholder. The county tax office shall be responsible for checking the freeholder status of those persons signing the petition. That office shall also be responsible for confirming the location of the property owned by those persons. Upon receipt of the petition, the county board of commissioners, through its chairperson, shall notify the Department and the chairperson of the county board of commissioners of any other county or counties in which any portion of the proposed district lies of the receipt of the petition. The chairperson shall request that the Department hold a joint public hearing with the county commissioners of all the counties in which a portion of the district lies concerning the creation of the proposed sanitary district. The Secretary and the chairperson of the county board of commissioners shall name a time and place within the proposed district to hold the public hearing. The chairperson of the county board of commissioners shall give prior notice of the hearing by posting a notice at the courthouse door of the county and also by publication at least once a week for four successive weeks in a newspaper published in the county. In the event the hearing is to be before a joint meeting of the county boards of commissioners of more than one county, or in the event the land to be affected lies in more than one county, publication and notice shall be made in each of the affected counties. In the event that all matters pertaining to the creation of this sanitary district cannot be concluded at the hearing, the hearing may be continued at a time and place within the proposed district named by the Department.
