

**§ 131E-158. Credentialed personnel required; temporary waiver of requirements during an emergency.**

(a) Every ambulance when transporting a patient shall be occupied at a minimum by all of the following:

- (1) At least one emergency medical technician who shall be responsible for the medical aspects of the mission prior to arrival at the medical facility, assuming no other individual with higher credentials is available.
- (2) One emergency medical responder who is responsible for the operation of the vehicle and rendering assistance to the emergency medical technician.

An ambulance owned and operated by a licensed health care facility that is used solely to transport sick or infirm patients with known nonemergency medical conditions between facilities or between a residence and a facility for scheduled medical appointments is exempt from the requirements of this subsection.

(a1) In the event of a declaration of a state of emergency by the Governor in accordance with Article 1 of Chapter 166A of the General Statutes, a declaration of a national emergency by the President of the United States, a declaration of a public health emergency by the Secretary of the United States Department of Health and Human Services, or a determination by the North Carolina Office of Emergency Medical Services of the existence of an emergency that poses a risk to the health or safety of patients, the North Carolina Office of Emergency Medical Services may temporarily waive the requirements of subsection (a) of this section and allow ambulances to transport patients with a minimum of the following:

- (1) At least one emergency medical technician who shall be responsible for all the medical aspects of the mission prior to arrival at the medical facility.
- (2) A noncredentialed, licensed driver who has been screened in accordance with protocols approved by the EMS system and the North Carolina Office of Emergency Medical Services, and who shall be responsible for the operation of the vehicle. A noncredentialed, licensed driver shall be responsible only for operation of the vehicle and shall not be responsible for any medical aspects of the mission or any patient care.

(a2) **(Expires May 11, 2024 – see editor's note)** The flexibilities permitted under subdivisions (1) and (2) of subsection (a1) of this section shall apply to Non-Emergency Medical Transportation (NEMT) services through May 11, 2024. The Department of Health and Human Services, Division of Health Service Regulation, shall work with NEMT stakeholders to develop a permanent plan regarding staffing as included in the waiver.

(b) The Commission shall adopt rules setting forth exemptions to the requirements stated in subsection (a) of this section applicable to situations where exemptions are considered by the Commission to be in the public interest.
