

§ 136-201. Plan for intermodal interface.

When planning a regionally significant transportation project, the Department shall consider design alternatives that will facilitate the cost-effective interface of the project with other existing or planned transportation projects, including highway, airport, rail, bus, bicycle, and pedestrian facilities. The Department of Transportation shall record its consideration of these design alternatives in the planning documents for the project. (1999-328, s. 4.10.)
