

§ 143-228.11. Standardize certain regulatory review procedures.

No later than December 1, 2014, each Regulatory Authority shall review and, where necessary, revise its procedures for review of Regulatory Submittals to accomplish the following:

- (1) Standardize the provision of review and comments on Regulatory Submittals so that revisions or requests for additional information that are required by the Regulatory Authority in order to proceed with the permit, license, or approval are clearly delineated from revisions or requests for additional information that constitute suggestions or recommendations by the Regulatory Authority. For purposes of this subdivision, "suggestions or recommendations by the Regulatory Authority" means comments made by the reviewer of the Regulatory Submittal to the Submitting Party that make a suggestion or recommendation for consideration by the Submitting Party but that are not required by the Regulatory Authority in order to proceed with the permit, license, or approval.
- (2) With respect to revisions or requests for additional information that are required by the Regulatory Authority in order to proceed with the permit, license, or approval, the Regulatory Authority shall identify the statutory or regulatory authority for the requirement. (2014-120, s. 29(b).)
