- (5) State resident. – An individual who is an applicant or current member with a fire department who attests to the following:

The requesting entity shall provide to the Bureau the fingerprints of the applicant to be checked, any additional information required by the Bureau, and a form signed by the applicant to be checked consenting to the (i) check of the criminal record

and (ii) use of fingerprints and other identifying information required by the State or National Repositories. The fingerprints of the individual shall be used by the Bureau for a search of the State criminal history record file, and the Bureau shall forward a set of fingerprints to the Federal Bureau of Investigation for a national criminal history record check.

(c) A statewide criminal history record check without fingerprints may be conducted as provided for in this subsection in lieu of the criminal history record check in subsection (b) of this section for a State resident. The requesting entity may request the statewide criminal history record check under this subsection through either of the following ways:

- (1) A statewide criminal history record check without fingerprints may be conducted by the State Bureau of Investigation. The requesting entity shall provide to the Bureau any information required by the Bureau to conduct a name only search and a form signed by the State resident to be checked consenting to the (i) check of the criminal record and (ii) use of other identifying information required by the State Repository.

- (3) A statewide criminal history record check of the State resident's name may be conducted and certified by the clerk of court, at the clerk's discretion.

(d) Applicants for junior membership and current junior members of a fire department under the age of 18 shall be exempt from the criminal history record check.

(e) All releases of criminal history information by the State Bureau of Investigation to the requesting entity shall be subject to, and in compliance with, rules governing the dissemination of criminal history record checks as adopted by the Bureau. All of the information the requesting entity receives through the checking of the criminal history is privileged information and for the exclusive use of that requesting entity. The requesting entity shall keep all information received pursuant to this section confidential.

(f) If the applicant's or current member's criminal history record check reveals one or more convictions of a crime listed in subsection (a) of this section, then the conviction constitutes just cause for not selecting the applicant for the position or for dismissing the current member from a current position with the local fire department or emergency medical services. Except as provided in subsection (g) of this section, the conviction does not automatically prohibit volunteering or employment; however, the following factors shall be considered by the requesting entity in determining whether the applicant shall be denied or the current member dismissed from a current position:

- (1) The level and seriousness of the crime.
- (2) The date of the crime.
- (3) The age of the person at the time of the conviction.
- (4) The circumstances surrounding the commission of the crime, if known.
- (5) The nexus between the criminal conduct of the person and the duties of the person.
- (6) The prison, jail, probation, parole, rehabilitation, and employment records of the person since the date the crime was committed.
- (7) The subsequent commission by the person of a crime listed in subsection (a) of this section.

(g) An applicant is prohibited from serving in a paid or volunteer position with a fire department if the applicant's criminal history record check reveals a conviction of arson or another felony conviction involving burning or setting fire under Article 15, Article 22, or any other Article of Chapter 14 of the General Statutes. A requesting entity shall request, and an

applicant shall disclose, any pending felony charges involving burning or setting fire under Article 15, Article 22, or any other Article of Chapter 14 of the General Statutes. Upon becoming aware of pending felony charges, through the required disclosure or by other means, a requesting entity shall not offer the applicant a paid or volunteer position, except as provided in subsection (i) of this section. This subsection does not apply to an applicant for a paid or volunteer position with an emergency medical service.

(h) The emergency medical services may deny an applicant the position or dismiss a current member who refuses to consent to a criminal history record check or use of fingerprints or other identifying information required by the State or National Repositories of Criminal Histories. This refusal constitutes just cause for the denial of the position or the dismissal from a current position. The emergency medical services may extend a conditional offer of the position pending the results of a criminal history record check required by this section.

(i) The local fire department shall deny an applicant the position and may dismiss a current member who refuses to consent to a criminal history record check or use of fingerprints or other identifying information required by the State or National Repositories of Criminal Histories, a clerk of court, or third-party vendor. This refusal constitutes just cause for the denial of the position or the dismissal from a current position. The local fire department may extend a conditional offer of the position pending the (i) results of a criminal history record check required by this section or (ii) final disposition of felony charges disclosed as required by this section or otherwise discovered.

(j) For purposes of this section, "local fire chief" shall include the fire chief of any bona fide fire department certified to the State Fire Marshal with at least a Class 9S rating for insurance grading purposes; "county fire marshal" shall include only fire marshals who are paid employees of a county; and "emergency services director" shall include only emergency services directors who are paid employees of a city or county.

(k) Except as provided for in subsection (l) of this section, the State Bureau of Investigation shall charge a reasonable fee for conducting the checks of the criminal history records authorized by this section. If the requesting entity is charged a fee for obtaining a criminal history record check, the requesting entity may require the applicant or current member to reimburse the requesting entity the cost incurred.

(l) The State Bureau of Investigation may charge the fire chief of a nonprofit volunteer fire department a fee to cover the cost associated with submission of fingerprints to the Federal Bureau of Investigation for a national criminal history record check provided in accordance with subsection (b) of this section. The State Bureau of Investigation shall not charge a fee for conducting a statewide criminal history record check for a fire chief of a nonprofit volunteer fire department provided in accordance with subsection (b) or (c) of this section.
