This section is to be liberally construed in order that the State and its citizens may benefit from such grants-in-aid.
- (3a) The Commission shall review, analyze, and advise the Department regarding the performance of its responsibilities under the federal rehabilitation program in which the State participates, as it relates to the provision of services to the blind, particularly its responsibilities relating to the following:
 - a. Eligibility for the program;

- (3b) The Commission shall advise the Department regarding preparation of applications, the State Plan, amendments to this plan, the State needs assessments, and the evaluations required by the federal rehabilitation program; and in partnership with the Department develop, agree to, and review State goals and priorities;
- (3c) The Commission shall, to the extent feasible, conduct a review and analysis (i) of the effectiveness of, and consumer satisfaction with, the functions performed by the Department and other public and private entities responsible for performing functions for individuals who are blind or visually impaired, and (ii) of vocational rehabilitation services provided or paid for from funds made available through other public or private sources and provided by State agencies and other public and private entities responsible for providing vocational rehabilitation services to individuals who are blind or visually impaired;
- (3d) The Commission shall prepare and submit an annual report to the Governor, the Secretary, and the federal rehabilitation program, and make the report available to the public;

The resource plan shall, to the maximum extent possible, rely on the use of resources in existence during the period of implementation of the plan. The agreed-upon resources shall be provided pursuant to G.S. 143B-14. To the extent that there is a disagreement between the Commission and the Department with regard to the resources necessary to carry out the functions of the Commission required by this Part, the Governor shall resolve the disagreement. The Department or other State agency shall not assign any other duties to the staff and other personnel who are assisting the Commission in carrying out its duties that would create a conflict of interest;
