

§ 143C-2-3. Fiscal analysis required for any State agency bill that affects the budget.

A State agency proposing a bill that affects the State budget shall prepare a fiscal analysis for the bill and submit the analysis to the Fiscal Research Division upon introduction of the bill. The fiscal analysis shall estimate the impact of the legislation on the State budget for the first five fiscal years the legislation would be in effect. (2006-203, s. 3.)
