(a1) Methods of List Maintenance; Cross State Checks. – List maintenance efforts under this section shall be nondiscriminatory and shall comply with the provisions of the Voting Rights Act of 1965, as amended, and with the provisions of the National Voter Registration Act. The State Board, in addition to the methods set forth in this section, may use other methods toward the ends set forth in subsection (a) of this section, including address-updating services provided by the Postal Service and entering into data sharing agreements with other states to cross-check information on voter registration and voting records. Upon receipt of the list from the Department of Health and Human Services, the Executive Director shall distribute to each county board of elections the names on that list of deceased persons who were residents of that county. Upon the receipt of those names, each county board of elections shall remove from its voter registration records any person the list shows to be deceased each week.
- (2) Upon receipt of a signed statement of a near relative or personal representative of the estate of a deceased voter indicating that the person has died, a county board of elections shall remove the person identified as deceased from its voter registration records within one week of receipt of the signed statement. The county board does not need to send any notice to the address of the person before removing the person from its voter registration records.

(c) Conviction of a Felony. – In order to remove the names of ineligible individuals from the list of eligible voters in this State, the following shall occur:

- (1) At a minimum of once per week, the Executive Director shall compile a list of individuals against whom a final judgment of conviction of a felony within this State has been entered. voter registration, and if the voter makes no objection, remove the person's name from its registration records. If the voter notifies the county board of elections of his objection to the removal within 30 days of the notice, the chair of the county board of elections shall enter a challenge under G.S. 163-85(c)(5), and the notice the county board of elections received pursuant to this subsection shall be prima facie evidence for the preliminary hearing that the registrant was convicted of a felony.

(c1) Noncitizens. –

- (1) Within 30 days of receipt of the communication in accordance with G.S. 9-6.2, the State Board shall do each of the following:

The State Board shall not include a person's name in the report if the State Board review determines that the individual became a citizen of the United States after the date of that person's jury disqualification.
  - c. In the event that the prospective juror voted prior to becoming a United States citizen, the State Board shall furnish the State Bureau of Investigation and the district attorney a copy of its investigation for prosecution of the violation as provided in G.S. 163-278.

The county board of elections shall indicate within the statewide computerized voter registration system any individual removed from the voter registration records on the basis of noncitizenship status.
  - b. If, within 30 days of the date on which notice was sent of the removal of a voter's name from registration records pursuant to sub-subdivision a. of this subdivision, the voter notifies the county board of elections of the voter's objection to the removal, the chair of the county board of elections shall enter a challenge under G.S. 163-85(c)(7) and the notice provided to the county board of elections by the receipt of the report from the State Board pursuant to this subdivision shall establish a rebuttable presumption in the preliminary hearing heard pursuant to G.S. 163-85(d) that the person is not a citizen of the United States. The voter may appear with evidence to rebut the presumption, including

any federal documentation of citizenship or evidence that the voter did not request to be excused from jury duty on the basis of noncitizenship.

- (3) Except as provided by State and federal law, the records retained pursuant to this subsection are public records under G.S. 132-1, notwithstanding the requirements of G.S. 20-43.4(c).   - c. A notice of cancellation received from an election jurisdiction outside the State.
- (2) Following each congressional election, the county board of elections shall send to each registered voter who has not voted or confirmed the voter's address by another means a confirmation mailing. The county board of elections shall remove from its voter registration records the names of individuals who fail to respond to the confirmation mailing sent by the county board in accordance with this subdivision and who do not vote or appear to vote in an election beginning on the date of the notice and ending on the day after the date of the second general election for the United States House of Representatives that occurs after the date of the notice. A county board of elections shall send a confirmation notice that complies with all of the following:
  - a. Is a postage prepaid and preaddressed return card, sent by forwardable mail, on which the registrant may state current address.
  - b. Contains or is accompanied by a notice to the effect that if the registrant did not change residence but remained in the county, the registrant should return the card not later than the deadline for registration by mail in G.S. 163-82.6(d)(1).
  - c. Contains or is accompanied by information as to how the registrant may continue to be eligible to vote if the registrant has moved outside the county.
- (3) Any registered voter who is removed from the list of registered voters pursuant to this subsection shall be reinstated if the voter appears to vote and gives oral or written affirmation that the voter has not moved out of the county but has maintained residence continuously within the county.
