

§ 53-139. Capital stock.

The amount of capital stock with which any industrial bank shall commence business shall not be less than fifty percent (50%) of that which would be required of a commercial bank under the provisions of G.S. 53-2. (1923, c. 225, s. 4; C.S., s. 225(d); 1967, c. 789, s. 18.)
