

**§ 58-39-150. Objectives of information security program.**

A licensee's information security program shall be designed to:

- (1) Ensure the security and confidentiality of customer information;
- (2) Protect against any anticipated threats or hazards to the security or integrity of the information; and
- (3) Protect against unauthorized access to or use of the information that could result in substantial harm or inconvenience to any customer. (2003-262, s. 4.)
