

§ 58-56A-20. Pharmacy benefits manager affiliate disclosure; sharing of data.

A pharmacy benefits manager shall not, in any way that is prohibited by the Health Insurance Portability and Accountability Act of 1996 (HIPAA), transfer or share records relative to prescription information containing patient-identifiable and prescriber-identifiable data to a pharmacy benefits manager affiliate. (2021-161, s. 1(b).)
