

§ 7A-111. Receipt and disbursement of insurance and other moneys for minors and incapacitated adults.

(a) When a minor under 18 years of age is named beneficiary in a policy or policies of insurance, and the insured dies prior to the majority of such minor, and the proceeds of each individual policy do not exceed fifty thousand dollars (\$50,000) such proceeds may be paid to and, if paid, shall be received by the public guardian or clerk of the superior court of the county wherein the beneficiary is domiciled. The receipt of the public guardian or clerk shall be a full and complete discharge of the insurer issuing the policy or policies to the extent of the amount paid to such public guardian or clerk.

Any person having in his possession fifty thousand dollars (\$50,000) or less for any minor under 18 years of age for whom there is no guardian, may pay such moneys into the office of the public guardian, if any, or the office of the clerk of superior court of the county of the recipient's domicile. The receipt of the public guardian or clerk shall constitute a valid release of the payor's obligation to the extent of the sum delivered to the clerk.

The clerk is authorized under this section to receive, to administer and to disburse the monies held in such sum or sums and at such time or times as in his judgment is in the best interest of the child, except that the clerk must first determine that the parents or other persons responsible for the child's support and maintenance are financially unable to provide the necessities for such child, and also that the child is in need of maintenance and support or other necessities, including, when appropriate, education. The clerk shall require receipts or paid vouchers showing that the monies disbursed under this section were used for the exclusive use and benefit of the child.

(b) When an adult who is mentally incapable on account of sickness, old age, disease or other infirmity to manage his own affairs is named beneficiary in a policy or policies of insurance, and the insured dies during the incapacity of such adult, and the proceeds of each individual policy do not exceed five thousand dollars (\$5,000) such proceeds may be paid to and, if paid, shall be received by the public guardian or clerk of the superior court of the county wherein the beneficiary is domiciled. A certificate of mental incapacity, signed by a physician or reputable person who has had an opportunity to observe the mental condition of an adult beneficiary, filed with the clerk, is prima facie evidence of the mental incapacity of such adult, and authorizes the clerk to receive and administer funds under this section. The receipt of the public guardian or clerk shall be a full and complete discharge of the insurer issuing the policy or policies to the extent of the amount paid to such public guardian or clerk.

Any person having in his possession five thousand dollars (\$5,000) or less for any incapacitated adult for whom there is no guardian, may pay such monies into the office of the public guardian, if any, or the office of the clerk of superior court of the county of the recipient's domicile. The clerk's receipt shall constitute a valid release of the payor's obligation to the extent of the sum delivered to the clerk.

The clerk is authorized to receive, to administer and, upon a finding of fact that it is in the best interest of the incapacitated adult, to disburse funds directly to a creditor, a relative or to some discreet and solvent neighbor or friend for the purpose of handling the property and affairs of the incapacitated adult. The clerk shall require receipts or paid vouchers showing that the monies disbursed under this section were used for the exclusive use and benefit of the incapacitated adult.

(c) Any monies paid to the clerk of the superior court under subsection (a) of this section shall also include the name, last known address, social security number or taxpayer identification number of the beneficiary or payee, and the name and address of the nearest relative of the beneficiary or payee.

(d) The determination of incapacity authorized in subsection (b) of this section is separate and distinct from the procedure for the determination of incompetency provided in Chapter 35A.
