After notice to, and consultation with, the affected district bar, senior resident superior court judge, and chief district court judge, the Commission on Indigent Defense Services may recommend to the General Assembly that a district or regional public defender office be established. A legislative act is required in order to establish a new office or to abolish an existing office.

(b) For each new term, and to fill any vacancy, public defenders shall be appointed from a list of not less than three and not more than four names nominated as follows:

- (1) Not less than two and not more than three by written ballot of the attorneys resident in the defender district who are licensed to practice law in North Carolina. The balloting shall be conducted pursuant to rules adopted by the Commission on Indigent Defense Services.
- (2) One name submitted by the Administrative Officer of the Courts after consultation with the Director of the Office of Indigent Defense Services.

(b1) The appointment required under subsection (b) of this section shall be made by the senior resident superior court judge of the superior court district or set of districts as defined in G.S. 7A-41.1 that includes the county or counties of the defender district for which the public defender is being appointed.

(c) A public defender shall be an attorney licensed to practice law in North Carolina and shall devote full time to the duties of the office. In lieu of merit and other increment raises paid to

regular State employees, a public defender shall receive as longevity pay an amount equal to four and eight-tenths percent (4.8%) of the annual salary set forth in the Current Operations Appropriations Act payable monthly after five years of service, nine and six-tenths percent (9.6%) after 10 years of service, fourteen and four-tenths percent (14.4%) after 15 years of service, nineteen and two-tenths percent (19.2%) after 20 years of service, and twenty-four percent (24%) after 25 years of service. "Service" means service as a public defender, appellate defender, assistant public or appellate defender, district attorney, assistant district attorney, justice or judge of the General Court of Justice, or clerk of superior court.

(c1) When traveling on official business, each public defender and assistant public defender is entitled to reimbursement for his or her subsistence expenses to the same extent as State employees generally. When traveling on official business outside his or her county of residence, each public defender and assistant public defender is entitled to reimbursement for travel expenses to the same extent as State employees generally. For purposes of this subsection, the term "official business" does not include regular, daily commuting between a person's home and the public defender's office. Travel distances, for purposes of reimbursement for mileage, shall be determined according to the travel policy of the Administrative Office of the Courts.

(d) Subject to standards adopted by the Commission, the day-to-day operation and administration of public defender offices shall be the responsibility of the public defender in charge of the office. The public defender shall keep appropriate records and make periodic reports, as requested, to the Director of the Office of Indigent Defense Services on matters related to the operation of the office.

(e) The Office of Indigent Defense Services shall procure office equipment and supplies for the public defender, and provide secretarial and library support from State funds appropriated to the public defender's office for this purpose.

(f) Each public defender is entitled to assistant public defenders, investigators, and other staff, full-time or part-time, as may be authorized by the Commission. Assistants, investigators, and other staff are appointed by the public defender and serve at the pleasure of the public defender. Average and minimum compensation of assistants shall be as provided in the biennial Current Operations Appropriations Act. The actual salaries of assistants shall be set by the public defender in charge of the office, subject to approval by the Commission. The Commission shall fix the compensation of investigators. Assistants and investigators shall perform such duties as may be assigned by the public defender.

(f1) In cases in which a public defender determines that a conflict of interest exists in the office, whenever practical, rather than obtaining private assigned counsel to resolve the conflict, the public defender may request the appointment of an assistant public defender from another office of public defender in the region to resolve the conflict.

(g) In lieu of merit and other increment raises paid to regular State employees, an assistant public defender shall receive as longevity pay an amount equal to four and eight-tenths percent (4.8%) of the annual salary set forth in the Current Operations Appropriations Act payable monthly after five years of service, nine and six-tenths percent (9.6%) after 10 years of service, fourteen and four-tenths percent (14.4%) after 15 years of service, nineteen and two-tenths percent (19.2%) after 20 years of service, and twenty-four percent (24%) after 25 years of service. "Service" means service as a public defender, appellate defender, assistant public or appellate defender, district attorney, assistant district attorney, justice or judge of the General Court of Justice, or clerk of superior court.

(h) The term of office of public defender appointed under this section is four years. A public defender or assistant public defender may be suspended or removed from office, and reinstated, for the same causes and under the same procedures as are applicable to removal of a district attorney.

(i) A public defender may apply to the Director of the Office of Indigent Defense Services to enter into contracts with local governments for the provision by the State of services of temporary assistant public defenders pursuant to G.S. 153A-212.1 or G.S. 160A-289.1.

(j) The Director of the Office of Indigent Defense Services may provide assistance requested pursuant to subsection (i) of this section only upon a showing by the requesting public defender, supported by facts, that the overwhelming public interest warrants the use of additional resources for the speedy disposition of cases involving drug offenses, domestic violence, or other offenses involving a threat to public safety.

(k) The terms of any contract entered into with local governments pursuant to subsection (i) of this section shall be fixed by the Director of the Office of Indigent Defense Services in each case. Nothing in this section shall be construed to obligate the General Assembly to make any appropriation to implement the provisions of this section or to obligate the Office of Indigent Defense Services to provide the administrative costs of establishing or maintaining the positions or services provided for under this section. Further, nothing in this section shall be construed to obligate the Office of Indigent Defense Services to maintain positions or services initially provided for under this section.
