

§ 90-210.105. Board authorized to freeze certain funds of Association.

Whenever in the opinion of the Board of Funeral Service it deems it necessary for the protection of the interest of members of a burial association, it shall have authority by written order to direct that the funds of any burial association on deposit in any institution organized and operating under Chapters 53 and 54 of the General Statutes be frozen and not paid out by such legal entity. Any legal entity freezing the funds of a burial association pursuant to the directive of the Board of Funeral Service shall not be liable to any burial association for freezing said account pursuant to the order of the Board.
