

§ 95-69.18. Operation without inspection certificate; operation not in compliance with this Article; operation after nonissuance or revocation of certificate.

(a) No person may operate or permit to be operated any boiler or pressure vessel subject to the provisions of this Article without a valid inspection certificate unless the absence of a valid inspection certificate is the result of the Commissioner's failure to inspect the device.

(b) No person may operate or permit to be operated any boiler or pressure vessel subject to the provisions of this Article other than in accordance with this Article and the rules adopted pursuant to this Article.

(c) No person may operate or permit to be operated any boiler or pressure vessel subject to the provisions of this Article after the Commissioner has refused to issue or has revoked the inspection certificate for the boiler or pressure vessel.

(d) No person may operate or permit to be operated any boiler or pressure vessel subject to the provisions of this Article after the Commissioner has refused to issue, refused to renew, or has revoked an inspection certificate for nonpayment of fees.
