16 time of the underlying offense and (ii) ~~that the petitioner is an "innocent party", 'innocent~~

31 vehicle to the defendant or any person acting on the defendant's behalf. A lessor who
32 refuses to sell, give, or transfer possession of a seized motor vehicle to the defendant or
33 any person acting on the behalf of the defendant shall not be liable for damages arising
34 out of the refusal.

35 No motor vehicle subject to forfeiture under this section shall be released to a
36 nondefendant motor vehicle owner if the records of the Division indicate the motor
37 vehicle owner had previously signed an acknowledgment, as required by this section, and
38 the same person was operating the motor vehicle while that person's license was revoked
39 unless the innocent ~~vehicle~~-owner shows by the greater weight of the evidence that the
40 motor vehicle owner has taken all reasonable precautions to prevent the use of the motor
41 vehicle by this particular person and immediately reports, upon discovery, any
42 unauthorized use to the appropriate law enforcement agency. A determination by the

3 that the petitioner is an innocent owner. The clerk shall schedule a hearing before a judge
4 to be held within 10 business days or as soon as thereafter may be feasible. Notice of the
5 hearing shall be given to the petitioner, the district attorney, and the attorney for the
6 county board of education. The clerk shall forward a copy of the petition to the district
7 attorney for the district attorney's review. If, based on available information, the district
8 attorney determines that the petitioner is an innocent owner and that the motor vehicle is
9 not subject to forfeiture, the district attorney may note the State's consent to the release of
10 the motor vehicle on the petition and return the petition to the clerk of court who shall
11 enter an order releasing the motor vehicle to the petitioner subject to the conditions of
12 release as set forth in G.S. 20-28.2(e) and no hearing shall be held. The clerk shall send a
13 copy of the order of release to the county board of education attorney. At any pretrial
14 hearing conducted pursuant to this subsection, the court is not required to determine the
15 issue of forfeiture, only the issue of whether the petitioner is an innocent owner.
16 Accordingly, the State shall not be required to prove the underlying offense of impaired
17 driving or the existence of a prior drivers license revocation. If the court determines that
18 the petitioner is an innocent owner, the court shall release the motor vehicle to the
19 petitioner subject to the same conditions as if the petitioner were an innocent owner under
20 G.S. 20-28.2(e). An order issued under this subsection finding that the petitioner failed to
21 establish that the petitioner is an innocent owner may be reconsidered by the court as part
22 of the forfeiture hearing conducted pursuant to G.S. 20-28.2(d).

23 (e2) Pretrial Release of Motor Vehicle to Defendant Owner. – A defendant motor
24 vehicle owner may file a petition with the clerk of court seeking a pretrial determination
25 that the defendant's license was not revoked pursuant to an impaired driving license
26 revocation as defined in G.S. 20-28.2(a). The clerk shall schedule a hearing before a
27 judge of the division in which the underlying criminal charge is pending for a hearing to
28 be held within 10 business days or as soon thereafter as may be feasible. Notice of the
29 hearing shall be given to the defendant, the district attorney, and the attorney for the
30 county board of education. The clerk shall forward a copy of the petition to the district
31 attorney for the district attorney's review. If, based on available information, the district
32 attorney determines that the defendant's motor vehicle is not subject to forfeiture, the
33 district attorney may note the State's consent to the release of the motor vehicle on the
34 petition and return the petition to the clerk of court who shall enter an order releasing the
35 motor vehicle to the defendant upon payment of all towing and storage charges incurred
36 as a result of the seizure and impoundment of the motor vehicle, subject to the
37 satisfactory proof of the identity of the defendant as a motor vehicle owner and the
38 existence of financial responsibility to the extent required by Article 13 of this Chapter,
39 and no hearing shall be held. The clerk shall send a copy of the order of release to the
40 attorney for the county board of education. At any pretrial hearing conducted pursuant to
41 this subsection, the court is not required to determine the issue of the underlying offense
42 of impaired driving only the existence of a prior drivers license revocation as an impaired
43 driving license revocation. Accordingly, the State shall not be required to prove the

1 underlying offense of impaired driving. An order issued under this subsection finding
2 that the defendant failed to establish that the defendant's license was not revoked pursuant
3 to an impaired driving license revocation as defined in G.S. 20-28.2(a) may be
4 reconsidered by the court as part of the forfeiture hearing conducted pursuant to G.S. 20-
5 28.2(d).

6 (e3) Pretrial Release of Motor Vehicle to Lienholder. – A lienholder may file a
7 petition with the clerk of court requesting the court to order pretrial release of a seized
8 motor vehicle. The lienholder shall serve a copy of the petition on all interested parties
9 which shall include the registered owner, the titled owner, the district attorney, and the
10 county board of education attorney. Upon 10 days' prior notice of the date, time, and
11 location of the hearing sent by the lienholder to all interested parties, a judge, after a
12 hearing, shall order a seized motor vehicle released to the lienholder conditioned upon
13 payment of all towing and storage costs incurred as a result of the seizure and
14 impoundment of the motor vehicle if the judge determines, by the greater weight of the
15 evidence, that:

- 16 (1) Default on the obligation secured by the motor vehicle has occurred;
17 (2) As a consequence of default, the lienholder is entitled to possession of
18 the motor vehicle;
19 (3) The lienholder agrees to sell the motor vehicle in accordance with the
20 terms of its agreement and pursuant to the provisions of Part 5 of Article
21 9 of Chapter 25 of the General Statutes. Upon sale of the motor vehicle,
22 the lienholder will pay to the clerk of court of the county in which the
23 vehicle was seized all proceeds from the sale, less the amount of the lien
24 in favor of the lienholder, and any towing and storage costs paid by the
25 lienholder;
26 (4) The lienholder agrees not to sell, give, or otherwise transfer possession
27 of the forfeited motor vehicle to the defendant or the motor vehicle
28 owner; and
29 (5) The forfeited motor vehicle had not previously been released to the
30 lienholder.

31 The clerk of superior court may order a seized vehicle released to the lienholder
32 conditioned upon payment of all towing and storage costs incurred as a result of the
33 seizure and impoundment of the motor vehicle at any time when all interested parties
34 have, in writing, waived any rights that they may have to notice and a hearing, and the
35 lienholder has agreed to the provision of subdivision (4) above. A lienholder who
36 refuses to sell, give, or transfer possession of a forfeited motor vehicle to:

- 37 (1) The defendant;
38 (2) The motor vehicle owner who owned the motor vehicle immediately
39 prior to forfeiture; or
40 (3) Any person acting on the behalf of the defendant or the motor vehicle
41 owner.

1 shall not be liable for damages arising out of such refusal. However, any subsequent
2 violation of the conditions of release by the lienholder shall be punishable by civil or
3 criminal contempt.

4 (f) Duty of Trial Judge. — ~~The trial judge at the sentencing hearing on the~~
5 ~~operator's charge of violating G.S. 20-138.1 or G.S. 20-138.5 shall determine if the~~
6 ~~vehicle is subject to forfeiture pursuant to the provisions of G.S. 20-28.2.~~

7 (g) Possessory Lien. — ~~The entity that tows and stores the vehicle, other than the~~
8 ~~county school board, shall be entitled to a possessory lien as defined in G.S. 28.2(a1)(5).~~

9 (h) Insurance Proceeds. — In the event a motor vehicle is damaged incident to the
10 conduct of the defendant which gave rise to the defendant's arrest and seizure of the
11 motor vehicle pursuant to this section, the county board of education, or its authorized
12 designee, is authorized to negotiate the county board of education's interest with the
13 insurance company and to compromise and accept settlement of any claim for damages.
14 Property insurance proceeds accruing to the defendant, or other owner of the seized
15 motor vehicle, shall be paid by the responsible insurance company directly to the clerk of
16 superior court in the county where the motor vehicle was seized. If the motor vehicle is
17 declared a total loss by the insurance company responsible for repairs to the motor
18 vehicle, the clerk of superior court, upon application of the county board of education,
19 shall enter an order that the motor vehicle be released to the insurance company upon
20 payment into the court of all insurance proceeds for damage to the motor vehicle after
21 payment of towing and storage costs and all valid liens. The clerk of superior court shall
22 provide the Division with a certified copy of the order entered pursuant to this subsection,
23 and the Division shall transfer title to the insurance company or to such other person or
24 entity as may be designated by the insurance company. Insurance proceeds paid to the
25 clerk of court pursuant to this subsection shall be subject to forfeiture pursuant to G.S.
26 20-28.5 and shall be disbursed pursuant to further orders of the court. An affected motor
27 vehicle owner or lienholder who objects to any agreed upon settlement under this
28 subsection may file an independent claim with the insurance company for any additional
29 monies believed owed. Notwithstanding any other provisions in this Chapter, nothing in
30 this section shall require an insurance company to make payments in excess of those
31 required pursuant to its policy of insurance on the seized motor vehicle.

32 (i) Expedited Sale of Seized Motor Vehicles in Certain Cases. — In order to avoid
33 additional liability for towing and storage costs pending resolution of the criminal
34 proceedings of the defendant, the county board of education may, after expiration of 90
35 days from the date of seizure, sell any motor vehicle having a fair market value of one
36 thousand five hundred dollars (\$1,500) or less. The county board of education may also
37 sell a motor vehicle, regardless of the fair market value, any time the towing and storage
38 costs exceed eighty-five percent (85%) of the fair market value of the vehicle, or with the
39 consent of all the motor vehicle owners. Any sale conducted pursuant to this subsection
40 shall take place upon not less than 10 days' prior notice to the motor vehicle owners and
41 lienholders, and the proceeds of the sale, after the payment or reimbursement of
42 outstanding towing and storage costs, shall be deposited with the clerk of superior court.
43 If an order of forfeiture is entered by the court, the court shall order the proceeds held by

1 the clerk to be disbursed as provided in G.S. 20-28.5(b). If the court determines that the
2 motor vehicle is not subject to forfeiture, the court shall order the proceeds held by the
3 clerk to be disbursed first to pay the sale, towing, and storage costs, second to pay
4 outstanding liens on the motor vehicle, and the balance to be paid to the motor vehicle
5 owners.

6 (j) Retrieval of Certain Personal Property. – At reasonable times, the entity
7 charged with storing the motor vehicle may permit owners of personal property not
8 affixed to the motor vehicle to retrieve those items from the motor vehicle, provided
9 satisfactory proof of ownership of the motor vehicle or the items of personal property is
10 presented to the storing entity.

11 (k) County Board of Education Right to Appear and Participate in Proceedings. –
12 The attorney for the county board of education shall be given notice of all proceedings
13 regarding offenses involving impaired driving related to a motor vehicle subject to
14 forfeiture. The attorney for the county board of education shall also have the right to
15 appear and to be heard on all issues relating to the seizure, possession, release, forfeiture,
16 sale, and other matters related to the seized vehicle under this section. With the prior
17 consent of the county board of education, the district attorney may delegate to the
18 attorney for the county board of education any or all of the duties of the district attorney
19 under this section. Clerks of superior court, law enforcement agencies, and all other
20 agencies with information relevant to the seizure, impoundment, release, or forfeiture of
21 motor vehicles are authorized and directed to provide county boards of education with
22 access to that information and to do so by electronic means when existing technology
23 makes this type of transmission possible.

24 (l) Payment of Fees Upon Conviction. – If the driver of a motor vehicle seized
25 pursuant to this section is convicted of an offense involving impaired driving, the
26 defendant shall be ordered to pay as restitution to the county board of education, the
27 motor vehicle owner, or the lienholder the cost paid or owing for the towing, storage, and
28 sale of the motor vehicle to the extent the costs were not covered by the proceeds from
29 the forfeiture and sale of the motor vehicle. In addition, a civil judgment for the costs
30 under this section in favor of the party to whom the restitution is owed shall be docketed
31 by the clerk of superior court. If the defendant is sentenced to an active term of
32 imprisonment, the civil judgment shall become effective and be docketed when the
33 defendant's conviction becomes final. If the defendant is placed on probation, the civil
34 judgment in the amount found by a judge during the probation revocation or termination
35 hearing to be due, shall become effective and be docketed by the clerk when the
36 defendant's probation is revoked or terminated.

37 (m) Trial Priority. – Trials of impaired driving offenses involving forfeitures of
38 motor vehicles pursuant to G.S. 20-28.2 shall be scheduled on the arresting officer's next
39 court date or within 30 days of the offense, whichever comes first.

40 Once scheduled, the case shall not be continued unless all of the following conditions
41 are met:

- 42 (1) A written motion for continuance is filed with notice given to the
43 opposing party prior to the motion being heard.

1 (2) The judge makes a finding of a 'compelling reason' for the continuance.

2 (3) The motion and finding are attached to the court case record.

3 Upon a determination of guilt, the issue of vehicle forfeiture shall be heard by the
4 judge immediately, or as soon thereafter as feasible, and the judge shall issue the
5 appropriate orders pursuant to G.S. 20-28.2(d).

6 Should a defendant appeal his conviction to superior court, the appeal shall be set
7 down for trial on the next available trial date and the limitations on continuances and
8 requirement for expedited hearing on the forfeiture of the vehicle, set forth above, shall
9 apply."

10 Section 4. G.S. 20-28.4 reads as rewritten:

11 **"§ 20-28.4. Release of impounded motor vehicles by judge.**

12 ~~(a) Release to Innocent Vehicle Owner.—A vehicle owner who was not the~~
13 ~~operator of the vehicle at the time of the offense may petition the court for return of the~~
14 ~~vehicle pursuant to the provisions of G.S. 20-28.2(e).~~

15 ~~(b) Acknowledgment Required.—The vehicle owner seeking release under this~~
16 ~~section or pretrial release under G.S. 20-28.3 shall sign an acknowledgment as described~~
17 ~~in G.S. 20-28.2(a1)(1).~~

18 ~~(c) Release to Lienholder.—A district court judge may order a forfeited vehicle~~
19 ~~released to a lienholder if the judge determines, by the greater weight of the evidence,~~
20 ~~that the lienholder satisfies the criteria as set out in G.S. 20-28.2(f).~~

21 ~~(d) Release Upon Conclusion of Trial. – If the driver of a motor vehicle seized~~
22 ~~pursuant to G.S. 20-28.3:~~

23 ~~(1) Is subsequently not convicted of either G.S. 20-138.1 or G.S. 20-138.5 an~~
24 ~~offense involving impaired driving due to dismissal or a finding of not~~
25 ~~guilty; or~~

26 ~~(2) The judge at the sentencing hearing fails to find the grossly aggravating~~
27 ~~factor described in G.S. 20-179(e)(2), a forfeiture hearing conducted~~
28 ~~pursuant to G.S. 20-28.2(d) fails to find that the driver's license was~~
29 ~~revoked as a result of a prior impaired driving license revocation as~~
30 ~~defined in G.S. 20-28.2; and~~

31 ~~(3) The vehicle has not previously been released to a lienholder pursuant to~~
32 ~~G.S. 20-28.3(e3),~~

33 the seized motor vehicle or insurance proceeds held by the clerk of court pursuant to G.S.
34 20-28.2(c1) or G.S. 20-28.3(h) shall be returned-released to the motor vehicle owner-
35 owner conditioned upon payment of towing and storage costs. Notwithstanding G.S.
36 44A-2(d), if the owner of the seized motor vehicle does not obtain release of the vehicle
37 within 30 days from the date of the court's order, the possessor of the seized motor
38 vehicle has a mechanics' lien on the seized motor vehicle for the full amount of the
39 towing and storage charges incurred since the motor vehicle was seized and may dispose
40 of the seized motor vehicle pursuant to Article 1 of Chapter 44A of the General Statutes.

41 ~~If the court finds that probable cause did not exist to seize the motor vehicle, the court~~
42 ~~shall order the vehicle released.~~

1 A determination which results in the return or release of the seized vehicle under this
2 section authorizes the driver, vehicle owner, or lienholder to recover towing or storage
3 fees paid in order to obtain pretrial release of the motor vehicle. Towing or storage fees
4 recovered pursuant to this subsection shall be paid by the county school board from
5 forfeitures paid into the county school fund."

6 Section 5. G.S. 20-28.5 reads as rewritten:

7 "**§ 20-28.5. Forfeiture of impounded ~~vehicle~~, motor vehicle or funds.**

8 (a) Sale. —Unless a judge orders the vehicle returned to an innocent party or a
9 lienholder pursuant to G.S. 20-28.2 or G.S. 20-28.4, the vehicle shall be ordered forfeited
10 and sold or transferred to the school board in the county where the charges were filed.
11 The sale of the vehicle shall be a judicial. A motor vehicle ordered forfeited and sold shall
12 be sold at a public sale conducted in accordance with the provisions of Parts 1 and 2 of
13 Article 29A of Chapter 1 Article 12 of Chapter 160A of the General Statutes Statutes,
14 applicable to sales authorized pursuant to G.S. 160A-266(a)(2), (3), or (4), subject to the
15 notice requirements of this subsection, and shall be conducted by the county school board
16 board of education or a person acting on its behalf. In addition to the notice requirements
17 of Part 2 of Article 29A of Chapter 1 of the General Statutes, notice of sale Notice of
18 sale, including the date, time, location, and manner of sale shall also be given by certified
19 mail, return receipt requested, first-class mail to all motor vehicle owners at the address
20 shown by the Division's records of the Division and at any other address of the motor
21 vehicle owner as may be found in the criminal file in which the forfeiture was ordered.
22 Notice Written notice of sale shall also be by certified mail, return receipt requested,
23 given to all lienholders on file with the Division. Notice of sale shall be given to the
24 Division in accordance with the procedures established by the Division. Notices required
25 to be given under this subsection shall be mailed at least 14 days prior to the date of sale.
26 A lienholder shall be permitted to purchase the motor vehicle at any such sale by bidding
27 in the amount of its lien, if that should be the highest bid, without being required to
28 tender any additional funds, other than the towing and storage fees. The county board of
29 education, or its agent, shall not sell, give, or otherwise transfer possession of the
30 forfeited motor vehicle to the defendant, the motor vehicle owner who owned the motor
31 vehicle immediately prior to forfeiture, and any person acting on the defendant's or motor
32 vehicle owner's behalf.

33 (b) Proceeds of Sale. — Proceeds of any sale conducted under this ~~section~~ section,
34 G.S. 20-28.2(f)(5), or G.S. 20-28.3(e3)(3) shall first be applied to the cost of sale and
35 then to satisfy towing and storage liens and the cost of sale costs. The balance of the
36 proceeds of sale, if any, shall be used to satisfy any other existing liens of record that
37 were properly recorded with the Division prior to the date of initial seizure of the vehicle.
38 Any remaining balance shall be paid to the county school fund in the county in which the
39 motor vehicle was ordered forfeited. If there is more than one school board in the county,
40 then the net proceeds of sale, after reimbursement to the county board of education of
41 reasonable administrative costs incurred in connection with the forfeiture and sale of the
42 motor vehicle, shall be distributed in the same manner as fines and other forfeitures.

2 transferred free and clear of any liens.

3 (c) Retention of Motor Vehicle. – The county board of education may, at its
4 option, retain any forfeited motor vehicle for its ~~use~~ use upon payment of towing and
5 storage costs. If the motor vehicle is retained, any valid lien of record at the time of the
6 initial seizure of the motor vehicle shall be satisfied by the ~~school board~~ county board of
7 education relieving the motor vehicle owner of all liability for the obligation secured by
8 the motor vehicle. If there is more than one school board in the county, and the motor
9 vehicle is retained by the county board of education, then the fair market value of the
10 motor vehicle, less the costs for towing, storage, reasonable administrative costs, and
11 liens paid, shall be used to determine and pay the share due each of the school boards in
12 the same manner as fines and other forfeitures.

13 (d) ~~{Counties with Multiple School Boards.}~~ ~~— If there is more than one school~~
14 ~~board in the county, then the fair market value of the vehicle shall be used to determine~~
15 ~~the share due each of the school boards in the same manner as fines and other forfeitures.~~

16 (e) Order of Forfeiture; Appeals. – An order of forfeiture is stayed pending appeal
17 of a conviction for an offense that is the basis for the order. When the conviction of an
18 offense that is the basis for an order of forfeiture is appealed from district court, the issue
19 of forfeiture shall be heard in superior court de novo. Appeal from a final order of
20 forfeiture shall be to the Court of Appeals."

21 Section 6. G.S. 20-28.6 is repealed.

22 Section 7. G.S. 20-28.7 reads as rewritten:

23 "**§ 20-28.7. Responsibility of Division of Motor Vehicles.**

30 In any case in which a vehicle has been seized pursuant to G.S. 20-28.3, in addition to
31 any other information that must be reported pursuant to this Chapter, the clerk of superior
32 court shall report to the Division by electronic means the execution of an
33 acknowledgment as defined in G.S. 20-28.2(a1)(1), the entry of an order of forfeiture as
34 defined in G.S. 20-28.2(a1)(4), and the entry of an order of release as defined in G.S. 20-
35 28.3 and G.S. 20-28.4. Each report shall include any of the following information that
36 has not previously been reported to the Division in the case: the name, address, and
37 drivers license number of the defendant; the name, address, and drivers license number of
38 the nondefendant motor vehicle owner, if known; and the make, model, year, vehicle
39 identification number, state of registration, and vehicle registration plate number of the
40 seized vehicle, if known.

41 "**§ 20-28.9. Authority for the Department of Public Instruction to administer a**
42 **statewide or regional towing, storage, and sales program for driving while**
43 **impaired vehicles forfeited.**

1 (a) The Department of Public Instruction is authorized to enter into a contract for a
2 statewide service or contracts for regional services to tow, store, process, maintain, and
3 sell motor vehicles seized pursuant to G.S. 20-28.3. All motor vehicles seized under G.S.
4 20-28.3 shall be subject to contracts entered into pursuant to this section. Contracts shall
5 be let by the Department of Public Instruction in accordance with the provisions of
6 Article 3 of Chapter 143 of the General Statutes. All contracts shall ensure the safety of
7 the motor vehicles while held and any funds arising from the sale of any seized motor
8 vehicle. The contract shall require the contractor to maintain and make available to the
9 agency a computerized up-to-date inventory of all motor vehicles held under the contract,
10 together with an accounting of all accrued charges, the status of the vehicle, and the
11 county school fund to which the proceeds of sale are to be paid. The contract shall
12 provide that the contractor shall pay the towing and storage charges owed on a seized
13 vehicle to a commercial towing company at the time the seized vehicle is obtained from
14 the commercial towing company, with the contractor being reimbursed this expense when
15 the vehicle is released or sold. The Department shall not enter into any contract under
16 this section under which the State will be obligated to pay a deficiency arising from the
17 sale of any forfeited motor vehicle.

18 (b) The Department, through its contractor or contractors designated in accordance
19 with subsection (a) of this section, may charge a reasonable fee for storage not to exceed
20 ten dollars (\$10.00) per day for the storage of seized vehicles pursuant to G.S. 20-28.3.

24 motor vehicle is released and shall collect a ten dollar (\$10.00) administrative fee out of
25 the proceeds of the sale of any forfeited motor vehicle. The funds collected under this
26 subsection shall be paid to the General Fund."

27 Section 9. G.S. 20-54 reads as rewritten:

28 **"§ 20-54. Authority for refusing registration or certificate of title.**

29 The Division shall refuse registration or issuance of a certificate of title or any transfer
30 of registration upon any of the following grounds:

- 31 (1) The application contains a false or fraudulent statement, the applicant
32 has failed to furnish required information or reasonable additional
33 information requested by the Division, or the applicant is not entitled to
34 the issuance of a certificate of title or registration of the vehicle under
35 this Article.
- 36 (2) The vehicle is mechanically unfit or unsafe to be operated or moved
37 upon the highways.
- 38 (3) The Division has reasonable ground to believe that the vehicle is a
39 stolen or embezzled vehicle, or that the granting of registration or the
40 issuance of a certificate of title would constitute a fraud against the
41 rightful owner or another person who has a valid lien against the
42 vehicle.

- 1 (4) The registration of the vehicle stands suspended or revoked for any
2 reason as provided in the motor vehicle laws of this State.
- 3 (5) The required fee has not been paid.
- 4 (6) The vehicle is not in compliance with the emissions inspection
5 requirements of Part 2 of Article 3A of this Chapter or a civil penalty
6 assessed as a result of the failure of the vehicle to comply with that Part
7 has not been paid.
- 8 (7) The Division has been notified that the motor vehicle has been seized by
9 a law enforcement officer and is subject to forfeiture pursuant to G.S.
10 20-28.2, et seq., or any other statute."

11 Section 10. Part 2 of Article 3 of Chapter 20 of the General Statutes is
12 amended by adding a new section to read:

13 **"§ 20-54.1. Forfeiture of right of registration.**

14 (a) Upon receipt of notice of conviction of a violation of an offense involving
15 impaired driving while the person's license is revoked as a result of a prior impaired
16 driving license revocation as defined in G.S. 20-28.2, the Division shall revoke the
17 registration of all motor vehicles registered in the convicted person's name and shall not
18 register a motor vehicle in the convicted person's name until the convicted person's
19 license is restored. Upon receipt of notice of revocation of registration from the Division,
20 the convicted person shall surrender the registration on all motor vehicles registered in
21 the convicted person's name to the Division within 10 days of the date of the notice.

22 (b) Upon receipt of a notice of conviction under subsection (a) of this section, the
23 Division shall revoke the registration of the motor vehicle seized, and the owner shall not
24 be allowed to register the motor vehicle seized until the convicted operator's drivers
25 license has been restored. The Division shall not revoke the registration of the owner of
26 the seized motor vehicle if the owner is determined to be an innocent owner. The
27 Division shall revoke the owner's registration only after the owner is given an opportunity
28 for a hearing to demonstrate that the owner is an innocent owner as defined in G.S. 20-
29 28.2. Upon receipt of notice of revocation of registration from the Division, the owner
30 shall surrender the registration on the motor vehicle seized to the Division within 10 days

8 Division of Motor Vehicles that a lien is asserted and sale is proposed
9 and shall remit to the Division a fee of ten dollars (\$10.00). The
10 Division of Motor Vehicles shall issue notice by registered or certified
11 mail, return receipt requested, ~~within 15 days of receipt of notice from the~~
12 ~~lienor,~~ to the person having legal title to the property, if reasonably
13 ascertainable, to the person with whom the lienor dealt if different, and
14 to each secured party and other person claiming an interest in the
15 property who is actually known to the Division or who can be
16 reasonably ascertained. The notice shall state that a lien has been
17 asserted against specific property and shall identify the lienor, the date
18 that the lien arose, the general nature of the services performed and
19 materials used or sold for which the lien is asserted, the amount of the
20 lien, and that the lienor intends to sell the property in satisfaction of the
21 lien. The notice shall inform the recipient that the recipient has the right
22 to a judicial hearing at which time a determination will be made as to

25 receipt in which to notify the Division by registered or certified mail,
26 return receipt requested, that a hearing is desired and that if the recipient
27 wishes to contest the sale of his property pursuant to such lien, the

34 notice by the lienor to the Division and the notices issued by the

37 notice is issued by the lienor, the recipient shall return the form

5 provided above that a hearing is desired prior to sale, the lien may be
6 enforced by sale as provided in this section and the Division will
7 transfer title only pursuant to the order of a court of competent
8 jurisdiction.

9 If the ~~Division notifies the lienor that the~~ registered or certified mail
10 notice has been returned as undeliverable, or if ~~the Division cannot~~
11 ~~ascertain~~ the name of the person having legal title to the vehicle cannot

13 than eight hundred dollars (\$800.00), the lienor may institute a special
14 proceeding in the county where the vehicle is being held, for
15 authorization to sell that vehicle. Market value shall be determined by
16 the schedule of values adopted by the Commissioner under G.S. 105-
17 187.3.

18 In such a proceeding a lienor may include more than one vehicle, but
19 the proceeds of the sale of each shall be subject only to valid claims
20 against that vehicle, and any excess proceeds of the sale shall escheat to
21 the State and be paid immediately to the treasurer for disposition
22 pursuant to Chapter 116B of the General Statutes. A vehicle owner or
23 possessor claiming an interest in such proceeds shall have a right of
24 action under G.S. 116B-38.

25 The application to the clerk in such a special proceeding shall
26 contain the notice of sale information set out in subsection (f) hereof. If
27 the application is in proper form the clerk shall enter an order
28 authorizing the sale on a date not less than 14 days therefrom, and the
