7 The General Assembly of North Carolina enacts:

8 Section 1. Article 3 of Chapter 105 of the General Statutes is amended by  
9 adding a new section to read:

10 "**§ 105-116.1. Distribution of gross receipts taxes to cities.**

11 (a) Definitions. – The following definitions apply in this section:

12 (1) Freeze deduction. – The amount by which the percentage distribution  
13 amount of a city was required to be reduced in fiscal year 1995-96 in  
14 determining the amount to distribute to the city.

15 (2) Percentage distribution amount. – Three and nine-hundredths percent  
16 (3.09%) of the gross receipts derived by an electric power company, a  
17 natural gas company, and a telephone company from sales within a city  
18 that are taxable under G.S. 105-116 or G.S. 105-120.

1       (b) Distribution. – The Secretary must distribute to the cities part of the taxes  
2 collected under this Article on electric power companies, natural gas companies, and  
3 telephone companies. Each city's share for a calendar quarter is the percentage  
4 distribution amount for that city for that quarter minus one-fourth of the city's hold-back  
5 amount. The Secretary must make the distribution within 75 days after the end of each  
6 calendar quarter.

7       (c) Limited Hold-Harmless Adjustment. – The hold-back amount for a city that,  
8 in the 1995-96 fiscal year, received from gross receipts taxes less than ninety-five percent  
9 (95%) of the amount it received in the 1990-91 fiscal year is the amount determined by  
10 the following calculation:

11           (1) Adjust the city's 1995-96 distribution by adding the city's freeze  
12 deduction to the amount distributed to the city for that year.

13           (2) Compare the adjusted 1995-96 amount with the city's 1990-91  
14 distribution.

15           (3) If the adjusted 1995-96 amount is less than or equal to the city's 1990-  
16 91 distribution, the hold-back amount for the city is zero.

17           (4) If the adjusted 1995-96 amount is more than the city's 1990-91  
18 distribution, the hold-back amount for the city is the city's freeze  
19 deduction minus the difference between the city's adjusted 1995-96  
20 amount and the city's 1990-91 distribution.

21       (d) Allocation of Hold-Harmless Adjustment. – The hold-back amount for a city  
22 that, in the 1995-96 fiscal year, received from gross receipts taxes at least ninety-five  
23 percent (95%) of the amount it received in the 1990-91 fiscal year is the amount  
24 determined by the following calculation:

25           (1) Determine the amount by which the freeze deduction is reduced for all  
26 cities whose hold-back amount is determined under subsection (c) of  
27 this section. This amount is the total hold-harmless adjustment.

28           (2) Determine the amount of gross receipts taxes that would be distributed  
29 for the quarter to cities whose hold-back amount is determined under  
30 this subsection if these cities received their percentage distribution  
31 amount minus one-fourth of their freeze deduction.

32           (3) For each city included in the calculation in subdivision (2) of this  
33 subsection, determine that city's percentage share of the amount  
34 determined under that subdivision.

35           (4) Add to the city's freeze deduction an amount equal to the city's  
36 percentage share under subdivision (3) of this subsection multiplied by  
37 the total hold-harmless adjustment."

38       Section 2. G.S. 105-116 reads as rewritten:
