9 by the State Board of Education shall be in conformity with the
10 Constitution and subject to such laws as may be enacted from time to
11 time by the General Assembly. Among such duties are:

- 12 a. To certify and regulate the grade and salary of teachers and other
13 school employees.
14 b. To adopt and supply textbooks.
15 c. To adopt rules requiring all local boards of education to
16 implement the Basic Education Program on an incremental basis
17 within funds appropriated for that purpose by the General
18 Assembly and by units of local government. Beginning with the
19 1991-92 school year, the rules shall require each local school
20 administrative unit to implement fully the standard course of
21 study in every school in the State in accordance with the Basic
22 Education Program so that every student in the State shall have
23 equal access to the curriculum as provided in the Basic Education
24 Program and the standard course of study.

25 The Board shall establish benchmarks by which to measure
26 the progress that each local board of education has made in
27 implementing the Basic Education Program. ~~The Board shall~~
28 ~~report to the Joint Legislative Education Oversight Committee and to~~
29 ~~the General Assembly by December 31, 1991, and by February 1 of~~
30 ~~each subsequent year on each local board's progress in implementing~~
31 ~~the Basic Education Program, including the use of State and local~~
32 ~~funds for the Basic Education Program.~~

33 The Board shall develop a State accreditation program that
34 meets or exceeds the standards and requirements of the Basic
35 Education Program. The Board shall require each local school
36 administrative unit to comply with the State accreditation
37 program to the extent that funds have been made available to the
38 local school administrative unit for implementation of the Basic
39 Education Program.

40 The Board shall use the State accreditation program to
41 monitor the implementation of the Basic Education Program.

- 42 c1. To issue an annual 'report card' for the State and for each local
43 school administrative unit, assessing each unit's efforts to

1 improve student performance based on the growth in
2 performance of the students in each school and taking into
3 account progress over the previous years' level of performance
4 and the State's performance in comparison with other states. This
5 assessment shall take into account factors that have been shown
6 to affect student performance and that the State Board considers
7 relevant to assess the State's efforts to improve student
8 performance.

9 c2. Repealed by Session Laws 1995 (Regular Session, 1996), c. 716,
10 s. 1.

11 c3. To develop a system of school building improvement reports for
12 each school building. The purpose of school building
13 improvement reports is to measure improvement in the growth in
14 student performance at each school building from year to year,
15 not to compare school buildings. The Board shall include in the
16 building reports any factors shown to affect student performance
17 that the Board considers relevant to assess a school's efforts to
18 improve student performance. Local school administrative units
19 shall produce and make public their school building
20 improvement reports by March 15, 1997, for the 1995-96 school
21 year, by October 15, 1997, for the 1996-97 school year, and

23 data for the prior school year.

24 c4. To develop guidelines, procedures, and rules to establish,
25 implement, and enforce the School-Based Management and
26 Accountability Program under Article 8B of this Chapter in order
27 to improve student performance, increase local flexibility and
28 control, and promote economy and efficiency.

29 d. To formulate rules and regulations for the enforcement of the
30 compulsory attendance law.

31 e. To manage and operate a system of insurance for public school
32 property, as provided in Article 38 of this Chapter.

33 In making substantial policy changes in administration,
34 curriculum, or programs the Board should conduct hearings
35 throughout the regions of the State, whenever feasible, in order
36 that the public may be heard regarding these matters."

37 (d) G.S. 115C-12(16) reads as rewritten:

38 "(16) Power with Regard to Salary Schedules. – The Board shall provide for
39 sick leave with pay for all public school employees in accordance with
40 the provisions of this Chapter and shall promulgate rules and regulations
41 providing for necessary substitutes on account of sick leave and other
42 teacher absences.

- 1 a. Support personnel refers to all public school employees who are
2 not required by statute or regulation to be certified in order to be
3 employed. The State Board of Education is authorized and
4 empowered to adopt all necessary rules for full implementation
5 of all schedules to the extent that State funds are made available
6 for support personnel.
- 7 b. Salary schedules for the following public school support
8 personnel shall be adopted by the State Board of Education:
9 school finance officer, office support personnel, teacher
10 assistants, maintenance supervisors, custodial personnel, and
11 transportation personnel. The Board shall classify these support
12 positions in terms of uniform pay grades included in the salary
13 schedule of the State Personnel Commission.

14 By the end of the third payroll period of the 1995-96 fiscal
15 year, local boards of education shall place State-allotted office
16 support personnel, teacher assistants, and custodial personnel on
17 the salary schedule adopted by the State Board of Education so
18 that the average salary paid is the State-allotted amount for the
19 category. In placing employees on the salary schedule, the local
20 board shall consider the education, training, and experience of
21 each employee. It is the intent of the General Assembly that a
22 local school administrative unit not fail to employ an employee
23 who was employed for the prior school year in order to
24 implement the provisions of this sub-subdivision. A local board
25 of education is in compliance with this sub-subdivision if the
26 average salary paid is at least ninety-five percent (95%) of the
27 State-allotted amount for the category at the end of the third
28 payroll period of the 1995-96 fiscal year, and at least ninety-eight
29 percent (98%) of the State-allotted amount for the category at the
30 end of the third payroll period of each subsequent fiscal year.
31 The Department of Public Instruction shall provide technical
32 assistance to local school administrative units regarding the
33 implementation of this sub-subdivision.

34 ~~The State Board of Education shall report to the General~~
35 ~~Assembly, prior to March 31, 1995, and March 31, 1996, on the~~
36 ~~implementation of this sub-subdivision.~~

- 37 c. Salary schedules for other support personnel, including but not
38 limited to maintenance and school food service personnel, shall
39 be adopted by the State Board of Education. The Board shall
40 classify these support positions in terms of uniform pay grades
41 included in the salary schedule of the State Personnel
42 Commission. These schedules shall apply if the local board of

1 education does not adopt a salary schedule of its own for
2 personnel paid from other than State appropriations."

11 and that the student's parents are involved in the decision.

12 The State Board of Education shall provide technical support to local
13 school administrative units to assist them in developing and
14 implementing plans for alternative learning programs.

15 The State Board shall evaluate the effectiveness of alternative

28 that mission as its guide, the State Board of Education shall adopt a Basic Education
29 Program for the public schools of the State. Before it adopts or revises the Basic
30 Education Program, the State Board shall consult with an Advisory Committee, including
31 at least eight members of local boards of education, that the State Board appoints from a
32 list of nominees submitted by the North Carolina School Boards Association. ~~The State
33 Board shall report annually to the General Assembly on any changes it has made in the program
34 in the preceding 12 months and any changes it is considering for the next 12 months.~~

35 The State Board shall implement the Basic Education Program within funds
36 appropriated for that purpose by the General Assembly and by units of local government.
37 It is the intent of the General Assembly that until the Basic Education Program is fully
38 funded, the implementation of the Basic Education Program shall be the focus of State
39 educational funding. It is the goal of the General Assembly that the Basic Education
40 Program be fully funded and completely operational in each local school administrative
41 unit by July 1, 1995.
