Any funeral service establishment receiving the remains in violation of this subsection shall make no charge for any service in connection with the remains prior to delivery of the remains as stipulated by the persons having legal authority to direct the disposition of the body. This section shall not prevent any funeral service establishment from charging and being reimbursed for services rendered in connection with the removal of the remains of any deceased person in case of accidental or violent death, and rendering necessary professional services required until the persons having legal authority to direct the disposition of the body have been notified.

When and where a licensee presents a selection of funeral merchandise to the public to be used in connection with the service to be provided by the licensee or an establishment as licensed under this Article, a card or brochure shall be directly associated with each item of merchandise setting forth the price of the service using said merchandise and listing the services and other merchandise included in the price, if any. When there are separate prices for the merchandise and services, such cards or brochures shall indicate the price of the merchandise and of the items separately priced.

At the time funeral arrangements are made and prior to the time of rendering the service and providing the merchandise, a funeral director or funeral service licensee shall give or cause to be given to the person or persons making such arrangements a written statement duly signed by a licensee of said funeral establishment showing the price of the service as selected and what services are included therein, the price of each of the supplemental items of services or merchandise requested, and the amounts involved for each of the items for which the funeral establishment will advance moneys as an accommodation to the person making arrangements, insofar as any of the above items can be specified at that time. The statement shall have printed, typed or stamped on the face thereof: "This statement of disclosure is provided ~~pursuant to~~ under the requirements of North Carolina G.S. 90-210.25(e)."

(g) Whenever it shall appear to the Board that any person, firm or corporation has violated, threatens to violate or is violating any provisions of this Article, the Board may apply to the courts of the State for a restraining order and injunction to restrain these practices. If upon application the court finds that any provision of this Article is being violated, or a violation is threatened, the court shall issue an order restraining and enjoining the violations, and this relief may be granted regardless of whether criminal prosecution is instituted under the provisions of this subsection. The venue for actions brought under this subsection shall be the superior court of any county in which the acts are alleged to have been committed or in the county where the defendant in the action resides."
