11 applicants, subject to all of the following limitations and requirements:

12 a. Reimbursements shall be limited to:

13 1. Fifty percent (50%) of the costs as provided in subsection (b)

24 shall produce documentation for review that substantiates the
25 applicant's compliance with all of the following requirements:

26 1. The applicant has obtained federal certification to employ a
27 H2-A visa worker and complies with all federal requirements
28 for ensuring that no legally authorized United States worker

Further, an application that includes costs for an H2-A worker who returns in subsequent years shall also be eligible to apply for the cost share funding during the subsequent years.

(2) Develop a process for soliciting and reviewing applications and for selecting farmers to participate in the Temporary Agricultural Labor Cost Share Program based on the eligibility requirements and limitations under G.S. 106-841 and this section. Approved applications shall be processed based on the date of submission of the completed application until and as long as funding is available for this program.
