20 adding a new section to read:

21 "**§ 105-129.16J. Credit for small businesses that create jobs.**

22 (a) Definitions. – The following definitions apply in this section:

23 (1) Full-time job. – Defined in G.S. 105-129.81.

24 (2) Small business. – A taxpayer that employed no more than 25 full-time  
25 employees at the beginning of the taxable year.

26 (b) Credit. – A taxpayer that meets the eligibility requirements of this section and  
27 creates a new, full-time job in this State is allowed a credit. The amount of the credit is equal to  
28 one thousand dollars (\$1,000) for each new full-time job created and maintained for a period of  
29 at least three years. The credit is taken in the taxable year in which the job is created.

30 (c) Calculation. – The number of new jobs a taxpayer creates or maintains during the  
31 taxable year is determined by subtracting the average number of full-time employees the  
32 taxpayer had in this State during the 12-month period preceding the beginning of the taxable  
33 year from the average number of full-time employees the taxpayer has in this State during the  
34 taxable year.

35 (d) Eligibility Requirements. – In order to be eligible for a credit under this section, the  
36 taxpayer must satisfy the following eligibility requirements:

38 impact requirement under G.S. 105-129.83.

42 have not been satisfied or otherwise resolved.

43 (e) Forfeiture. – A taxpayer forfeits a credit allowed under this section if the taxpayer  
44 was not eligible for the credit for the calendar year in which the taxpayer created the job. In  
45 addition, a taxpayer forfeits a credit if the taxpayer fails to maintain the job for at least three  
46 years. A taxpayer that forfeits a credit under this Article is liable for all past taxes avoided as a  
47 result of the credit plus interest at the rate established under G.S. 105-241.21, computed from  
48 the date the taxes would have been due if the credit had not been allowed. The past taxes and  
49 interest are due 30 days after the date the credit is forfeited; a taxpayer that fails to pay the past  
50 taxes and interest by the due date is subject to the penalties provided in G.S. 105-236.

1       (f)     Limitations. – A taxpayer may not claim a credit under this section with respect to a

31 State's small business owners have not heard of BLNC. The General Assembly, therefore,  
32 directs the Department of Commerce, to increase its marketing expenditures on the BLNC
