A BILL TO BE ENTITLED

AN ACT TO REQUIRE THAT VOTERS PROVIDE IDENTIFICATION BEFORE VOTING.

The General Assembly of North Carolina enacts:

**SECTION 1.** G.S. 163-166.12 reads as rewritten:

**"§ 163-166.12. Requirements for certain voters who register by mail.**

(a) Voting in Person. ~~An individual who has registered to vote by mail on or after January 1, 2003, and has not previously voted in an election that includes a ballot item for federal office in North Carolina,~~ Every individual seeking to vote in person shall present to a local election official at a voting place or one-stop (early voting) site before voting there one of the following:

(1) A current and valid photo identification.

(2) A copy of one of the following documents that shows the name and address of the voter: a current utility bill, bank statement, government check, paycheck, or other government document.

(b) Voting Mail-In Absentee. – An individual who has registered to vote by mail on or after January 1, 2003, and has not previously voted in an election that includes a ballot item for federal office in North Carolina, in order to cast a mail-in absentee vote, shall submit with the mailed-in absentee ballot one of the following:

(1) A copy of a current and valid photo identification.

(2) A copy of one of the following documents that shows the name and address of the voter: a current utility bill, bank statement, government check, paycheck, or other government document.

(b1) The county board of elections shall note the type of identification proof submitted by the voter under the provisions of subsection (a) or (b) of this section and may dispose of the tendered copy of identification proof as soon as the type of proof is noted in the voter registration records.

(b2) Voting When Identification Numbers Do Not Match. – Regardless of whether an individual has registered by mail or by another method, if the individual has provided with the registration form a drivers license number or last four digits of a Social Security number but the computer validation of the number as required by G.S. 163-82.12 did not result in a match, and the number has not been otherwise validated by the board of elections, in the first election in which the individual votes that individual shall submit with the ballot the form of identification described in subsection (a) or subsection (b) of this section, depending upon whether the ballot is voted in person or absentee. If that identification is provided and the board of elections does not determine that the individual is otherwise ineligible to vote a ballot, the failure of

1 identification numbers to match shall not prevent that individual from registering to vote and  
2 having that individual's vote counted. If the individual registers and votes under  
3 G.S. 163-82.6A, the identification documents required in that section, rather than those  
4 described in subsection (a) or (b) of this section, apply.

5 (c) The Right to Vote Provisionally. – If an individual is required under subsection (a),  
6 (b), or (b2) of this section to present identification in order to vote, but that individual does not  
7 present the required identification, that individual may vote a provisional official ballot. If the  
8 voter is at the voting place, the voter may vote provisionally there without unnecessary delay. If  
9 the voter is voting by mail-in absentee ballot, the mailed ballot without the required  
10 identification shall be treated as a provisional official ballot.

11 (d) Exemptions. —~~This Subsection (b) of this section~~ does not apply to any of the  
12 following:

14 application either of the following:

23 identification record bearing the same number, name, and date of birth  
24 contained in the submitted registration. If any individual's number does not  
25 match, the individual shall provide identification as required in subsection
