- 46                   (5) Recodified as G.S. 130A-309.91(2a).
- 47                   (5a) Market share. – A television manufacturer's obligation to recycle discarded  
48                   televisions. A television manufacturer's market share is the television  
49                   manufacturer's prior year's sales of televisions as calculated by the  
50                   Department pursuant to G.S. 130A-309.95(4) divided by all manufacturers'  
51                   prior year's sales for all televisions as calculated by the Department pursuant

- 1 to G.S. 130A-309.95(4). Market share may be expressed as a percentage, a  
2 fraction, or a decimal fraction.
- 3 (5b) Notebook computer. – An electronic, magnetic, optical, electrochemical, or  
4 other high-speed data processing device that has all of the following  
5 features:
- 6 a. Performs logical, arithmetic, or storage functions for general purpose  
7 needs that are met through interaction with a number of software  
8 programs contained in the computer.
- 9 b. Is not designed to exclusively perform a specific type of limited or  
10 specialized application.
- 11 c. Achieves human interface through a keyboard, video display greater  
12 than four inches in size, and mouse or other pointing device, all of  
13 which are contained within the construction of the unit that  
14 comprises the computer.
- 15 d. Is able to be carried as one unit by an individual.
- 16 e. Is able to use external, internal, or batteries for a power source.
- 17 Notebook computer includes those that have a supplemental stand-alone  
18 interface device attached to the notebook computer. Notebook computer  
19 does not include a portable handheld calculator, a portable digital assistant  
20 (PDA), or similar specialized device. A notebook computer is sometimes  
21 referred to as a laptop computer.
- 22 ~~(6) Orphan discarded computer equipment. — Any discarded computer~~  
23 ~~equipment for which a manufacturer cannot be identified or for which the~~  
24 ~~manufacturer is no longer in business and has no successor in interest.~~
- 25 (6a) Recover. – The process of reusing or recycling covered devices.
- 26 (6b) Recycle. – The processing, including disassembling, dismantling, and  
27 shredding, of covered devices or their components to recover a usable  
28 product. Recycle does not include any process that results in the incineration  
29 of the product.
- 30 (6c) Recycler. – A person that recycles covered devices.
- 31 (7) Retailer. – A person that sells computer equipment or televisions in the State  
32 to a consumer. Retailer includes a ~~manufacturer of computer equipment or~~  
33 ~~televisions computer equipment manufacturer or a television manufacturer~~  
34 that sells directly to a consumer through any means, including transactions  
35 conducted through sales outlets, catalogs, the Internet, or any similar  
36 electronic means, but does not include a person that sells computer  
37 equipment or televisions to a distributor or retailer through a wholesale  
38 transaction.
- 39 (8) Television. – Any electronic device that contains a tuner that locks on to a  
40 selected carrier frequency and is capable of receiving and displaying of  
41 television or video programming via broadcast, cable, or satellite, including,

15 beis not a television manufacturer under (i) or (iii) of this subdivision."

16 **SECTION 2.** G.S. 130A-309.93(c) reads as rewritten:

17 "(c) Computer Equipment Recycling Plan. – Each computer equipment manufacturer ~~of~~  
18 ~~computer equipment~~ shall develop and submit to the Department a plan for reuse or recycling  
19 of discarded computer equipment in the State produced by the manufacturer. The  
20 manufacturer's responsibility under this Part and its plan under this section are limited to  
21 reusing or recycling computer equipment that is discarded by occupants of a single detached  
22 dwelling unit or a single unit of a multiple dwelling unit who have used the computer  
23 equipment primarily for personal or home business use. The manufacturer shall submit a  
24 proposed plan to the Department within 120 days of registration as required by subsection (a)  
25 of this section. The plan shall:

- 26 (1) Describe any direct take-back program to be implemented by the  
27 manufacturer, including mail-back programs and collection events.
- 28 (2) Provide that the manufacturer will take responsibility for discarded computer  
29 equipment it manufactured.
- 30 (3) Include a detailed description as to how the manufacturer will implement  
31 and finance the plan.
- 32 (4) Provide for environmentally sound management practices to transport and  
33 recycle discarded computer equipment.
- 34 (5) Describe the performance measures that will be used by the manufacturer to  
35 document recovery and recycling rates for discarded computer equipment.  
36 The calculation of recycling rates shall include the amount of discarded  
37 computer equipment managed under the manufacturer's program divided by  
38 the amount of computer equipment sold by the manufacturer in North  
39 Carolina.
- 40 (6) Describe in detail how the manufacturer will provide for transportation of  
41 discarded computer equipment at no cost from discarded computer  
42 equipment collectors.
- 43 (7) Describe in detail how the manufacturer will fully cover the costs of  
44 processing discarded computer equipment received from discarded computer  
45 equipment collectors.
- 46 (8) Include a public education plan on the laws governing the recycling and  
47 reuse of discarded computer equipment under this Part and on the methods  
48 available to consumers to comply with those requirements."

49 **SECTION 3.** G.S. 130A-309.93 is amended by adding a new subsection to read:

50 "(h) Data Security. – Computer equipment manufacturers shall not be liable in any way  
51 for data or other information left on a covered device that is collected or recovered."

1           **SECTION 4.** G.S. 130A-309.93A(c) reads as rewritten:

2           "(c) The obligation to recycle televisions shall be allocated to each television  
3 manufacturer based on the television manufacturer's market share. A television manufacturer  
4 must annually recycle or arrange for the recycling of its market share of televisions pursuant to  
5 this section. The manufacturer's obligation to recycle its market share of televisions is limited  
6 to televisions that are discarded by occupants of a single detached dwelling unit or a single unit  
7 of a multiple dwelling unit who have used the televisions primarily for personal or home  
8 business use."

9           **SECTION 5.** G.S. 130A-309.93A is amended by adding a new subsection to read:

10          "**(h) Data Security.** – Television manufacturers shall not be liable in any way for data or  
11 other information left on a covered device that is collected or recovered."

12          **SECTION 6.** G.S. 130A-309.93B is amended by adding a new subsection to read:

13          "**(d)** A retailer shall not be liable in any way for data or other information left on a  
14 covered device that is collected or recovered."

15          **SECTION 7.** G.S. 130A-309.94 reads as rewritten:

16          "**§ 130A-309.94. Requirements for discarded computer equipment and television**  
17 **collectors.**

18          **(a)** Each discarded computer equipment and television collector shall ensure that  
19 discarded computer equipment and televisions received by the collector are properly stored,  
20 and either held for pickup by a manufacturer or delivered to a facility designated by a  
21 manufacturer.

22          **(b)** A discarded computer equipment and television collector shall not be liable in any  
23 way for data or other information left on a covered device that is collected or recovered."

24          **SECTION 8.** G.S. 147-33.104 reads as rewritten:

25          "**§ 147-33.104. (Effective July 1, 2010, until January 1, 2011) Purchase by State agencies**  
26 **and governmental entities of certain computer equipment prohibited.**

27          **(a)** The exemptions set out in G.S. 147-33.80 do not apply to this section.

28          **(b)** No State agency, political subdivision of the State, or other public body shall  
29 ~~purchase computer equipment, enter into any contract with a computer equipment manufacturer,~~  
30 ~~as defined in G.S. 130A-309.91, from any manufacturer determined not to be that the Secretary~~  
31 ~~determines is not in compliance with the requirements of G.S. 130A-309.93 or with a television~~  
32 ~~manufacturer, as defined in G.S. 130A-309.91, that the Secretary determines is not in~~  
33 ~~compliance with the requirements of G.S. 130A-309.93A as determined from the list provided~~  
34 ~~by the Department of Environment and Natural Resources pursuant to G.S. 130A-309.95(1).~~  
35 The Secretary shall issue written findings upon a determination of noncompliance. A  
36 determination of noncompliance by the Secretary is reviewable under Article 3 of Chapter  
37 150B of the General Statutes.

38          **(c)** The Office of Information Technology Services shall make the list available to  
39 political subdivisions of the State and other public bodies. A computer equipment manufacturer  
40 that is not in compliance with the requirements of G.S. 130A-309.93 and a television  
41 manufacturer that is not in compliance with the requirements of G.S. 130A-309.93A shall not  
42 sell or offer for sale computer equipment to be awarded a contract by the State, a political  
43 subdivision of the State, or other public body.

44          **(d)** In considering bids for any State contract by any computer equipment manufacturer  
45 or any television manufacturer, as defined in G.S. 130A-309.91, the State agency, political  
46 subdivision of the State, or other public body shall, in addition to any other preferences  
47 provided elsewhere under State law, give preference to a computer equipment manufacturer  
48 and a television manufacturer that has a program to recover other manufacturers' computer and  
49 television equipment, including, but not limited to, collection events, recycling grants, and  
50 manufacturer initiatives to take back any brand of computer equipment or television equipment  
51 with the purchase of a similar product."
