

GENERAL ASSEMBLY OF NORTH CAROLINA
SESSION 2011

H

D

HOUSE DRH30226-MG-66A (03/23)

Short Title: Establish Pharmacy Audit Rights.

(Public)

Sponsors: Representative Murry.

Referred to:

1 A BILL TO BE ENTITLED
2 AN ACT TO ESTABLISH PHARMACY AUDIT RIGHTS AND TO ESTABLISH
3 STANDARDS FOR RECOUPMENT OF CLAIMS.

4 The General Assembly of North Carolina enacts:

5 **SECTION 1.** Chapter 90 of the General Statutes is amended by adding a new
6 Article to read:

7 "Article 4C.

8 "Pharmacy Audit Rights.

9 **"§ 90-85.50. Declaration of pharmacy rights during audit.**

10 (a) The following definitions apply in this Article:

11 (1) "Pharmacy" means a person or entity holding a valid pharmacy permit
12 pursuant to G.S. 90-85.21 or G.S. 90-85.21A.

13 (2) "Responsible party" means the entity responsible for payment of claims for
14 health care services, other than (i) the individual to whom the health care
15 services were rendered or (ii) that individual's guardian or legal
16 representative.

17 (b) Notwithstanding any other provision of law, whenever a managed care company,
18 insurance company, third-party payer, or any entity that represents a responsible party,
19 conducts an audit of the records of a pharmacy, the pharmacy has a right to all of the following:

20 (1) To have at least 30 days' advance notice of the initial on-site audit for each
21 audit cycle.

22 (2) To have any audit that involves clinical or professional judgment conducted
23 by, or in consultation with, a pharmacist licensed to practice in North
24 Carolina.

25 (3) To not have clerical or recordkeeping errors, including typographical errors,
26 scrivener's errors, and computer errors, on a required document or record, in
27 the absence of any other evidence, deemed fraudulent or result in criminal
28 penalties without proof of intent to commit fraud. This subdivision does not
29 prohibit recoupment of fraudulent payments.

30 (4) To have the records of a hospital or any person authorized to prescribe
31 controlled substances for the purpose of providing medical or
32 pharmaceutical care for their patients transmitted by any means of
33 communication in order to validate a pharmacy record with respect to a
34 prescription or refill for a controlled substance or narcotic drug.

- 1 (5) To have a projection of an overpayment or underpayment based on either the
2 number of patients served with a similar diagnosis or the number of similar
3 prescription orders or refills for similar drugs. This subdivision does not
4 prohibit recoupments of actual overpayments, unless the projection for
5 overpayment or underpayment is part of a settlement by the pharmacy.
- 6 (6) If an audit is conducted for a specifically identified problem that has been
7 disclosed to the pharmacy prior to the initiation of the audit, to have the
8 audit limited to claims that are identified by prescription number.
- 9 (7) If an audit is conducted for a reason other than described in subdivision (6)
10 of this subsection, to have the audit limited to 25 randomly selected
11 prescriptions.
- 12 (8) If an audit reveals the necessity for a review of additional claims, to have the
13 audit conducted on site.
- 14 (9) Except for audits initiated for the reason described in subdivision (6) of this
15 subsection, to be subject to no more than one audit in one calendar year.
- 16 (10) Except for cases of Food and Drug Administration regulation or drug
17 manufacturer safety programs, to be free of recoupments based on any of the
18 following:
- 19 a. Documentation requirements in addition to or exceeding
20 requirements for creating or maintaining documentation prescribed
21 by the State Board of Pharmacy.
- 22 b. A requirement that a pharmacy or pharmacist perform a professional
23 duty in addition to or exceeding professional duties prescribed by the
24 State Board of Pharmacy.
- 25 (11) To be subject to recoupment only following the correction of a claim and to
26 have recoupment limited to amounts paid in excess of amounts payable
27 under the corrected claim.
- 28 (12) Except for Medicare claims, to be subject to reversals of approval for drug,
29 prescriber, or patient eligibility upon adjudication of a claim only in cases in
30 which the pharmacy obtained the adjudication by fraud or misrepresentation
31 of claim elements.
- 32 (13) To be audited under the same standards and parameters as other similarly
33 situated pharmacies audited by the same entity.
- 34 (14) To have at least 30 days following receipt of the preliminary audit report to
35 produce documentation to address any discrepancy found during an audit.
- 36 (15) To have the period covered by an audit limited to 24 months from the date a
37 claim was submitted to, or adjudicated by, a managed care company, an
38 insurance company, a third-party payer, or any entity that represents
39 responsible parties.
- 40 (16) To not be subject to the initiation or scheduling of audits during the first
41 seven calendar days of any month due to the high volume of prescriptions
42 filled during that time, without the express consent of the pharmacy.
- 43 (17) To have the preliminary audit report delivered to the pharmacy within 120
44 days after conclusion of the audit.
- 45 (18) To have a final audit report delivered to the pharmacy within six months
46 after receipt of the preliminary audit report or the final appeal as provided
47 for in G.S. 90-85.51, whichever is later.
- 48 (19) To not have the accounting practice of extrapolation used in calculating
49 recoupments or penalties for audits.

50 **"§ 90-85.51. Mandatory appeals process.**

1 (a) Each entity that conducts an audit of a pharmacy shall establish an appeals process
2 under which a pharmacy may appeal an unfavorable preliminary audit report to the entity.

3 (b) If, following the appeal, the entity finds that an unfavorable audit report or any
4 portion of the unfavorable audit report is unsubstantiated, the entity shall dismiss the audit
5 report or the unsubstantiated portion of the audit report without any further proceedings.

6 (c) Each entity conducting an audit shall provide a copy of the final audit report to the
7 plan sponsor after completion of any appeals process.

8 **"§ 90-85.52. Pharmacy audit recoupments.**

9 (a) Recoupments of any disputed funds shall only occur after final internal disposition
10 of an audit, including the appeals process as set forth in G.S. 90-85.51.

11 (b) The full amount of any recoupment on an audit shall be refunded to the responsible
12 party.

13 (c) Except as permitted under this subsection, the entity conducting an audit shall not
14 base a charge or assessment for an audit, directly or indirectly, on amounts recouped. The entity
15 conducting the audit may charge or assess the responsible party, directly or indirectly, based on
16 amounts recouped if both of the following conditions are met:

17 (1) The responsible party and the entity conducting the audit have entered into a
18 contract that explicitly states the percentage charge or assessment to the
19 responsible party.

20 (2) A commission or other payment to an agent or employee of the entity
21 conducting the audit is not based, directly or indirectly, on amounts
22 recouped.

23 **"§ 90-85.53. Applicability.**

24 This Part does not apply to any audit, review, or investigation that involves alleged fraud,
25 willful misrepresentation, or abuse, including Medicaid fraud and insurance fraud."

26 **SECTION 2.** This act becomes effective October 1, 2011, and applies to audits of
27 pharmacies conducted on and after that date.
