A BILL TO BE ENTITLED

AN ACT TO AMEND THE CAPITAL TRIAL, SENTENCING, AND POSTCONVICTION PROCEDURES FOR A PERSON WITH A SEVERE MENTAL DISABILITY AND TO PROVIDE THAT INSANITY IS NOT AVAILABLE AS A DEFENSE TO A CRIMINAL ACTION IF PRIOR ALCOHOL OR DRUG USE OR BOTH ARE THE SOLE CAUSE OF THE PSYCHOSIS OR IF VOLUNTARY INTOXICATION, A VOLUNTARY DRUGGED CONDITION, OR BOTH COMBINED ARE THE SOLE SUPPORT FOR THE DEFENSE.

Whereas, leading State and national mental health organizations have called for a prohibition on imposition of the death penalty for persons with a severe mental disability at the time of the commission of the crime; and

Whereas, specifically, the American Psychological Association, the American Psychiatric Association, and the National Alliance on Mental Illness have all called for the exclusion of persons with a severe mental disability from the imposition of the death penalty; and

Whereas, the American Bar Association recently endorsed the call for the end of the death penalty for persons with a severe mental disability; Now, therefore, The General Assembly of North Carolina enacts:

SECTION 1. Article 100 of Chapter 15A of the General Statutes is amended by adding a new section to read:

"§ 15A-2007. Defendant with severe mental disability; death sentence prohibited.

(a) Definition. – For purposes of this section, the term "severe mental disability" means any mental disability or defect that significantly impairs a person's capacity to do any of the following: (i) appreciate the nature, consequences, or wrongfulness of the person's conduct; (ii) exercise rational judgment in relation to conduct; or (iii) conform the person's conduct to the requirements of the law. Furthermore, compelling evidence of the mental disability (i.e. active, residual, or prodromal symptoms) must have been manifested at some time prior to a defendant's alleged offense in order to meet the test of severe mental disability under the provisions of this section. A mental disability manifested primarily by repeated criminal conduct or attributable solely to the acute effects of alcohol or other drugs does not, standing alone, constitute a severe mental disability for purposes of this section.

(b) Death Penalty Prohibited for Defendant With Severe Mental Disability at Time of Commission of Criminal Offense. – Notwithstanding any provision of law to the contrary, no

1 defendant who had a severe mental disability at the time of the commission of the criminal
2 offense shall be sentenced to death.

3 (c) Pretrial Hearing to Determine Severe Mental Disability. – Upon motion of the
4 defendant, supported by appropriate affidavits, the court shall order a pretrial hearing to
5 determine if the defendant had a severe mental disability at the time of the commission of the
6 offense. The defendant has the burden of production and persuasion to demonstrate by clear
7 and convincing evidence that the defendant had a severe mental disability at the time of the
8 criminal offense. If the court determines that the defendant had a severe mental disability at the
9 time of the criminal offense, the court shall declare the case noncapital, and the State shall not
10 seek the death penalty against the defendant.

11 (d) Pretrial Determinations; Effect on Legal Defenses. – Anyone found to be under the
12 influence of a severe mental disability at the time of the commission of the criminal offense
13 pursuant to this statute shall waive a defense of not guilty by reason of insanity. The pretrial
14 determination of the court shall not preclude the defendant from raising any other legal defense
15 during trial.

16 (e) Procedure at Sentencing Hearing Regarding Determination of Severe Mental
17 Disability. – If the court does not find in the pretrial proceeding that the defendant had a severe
18 mental disability at the time of the commission of the criminal offense, the defendant may
19 introduce evidence during the sentencing hearing regarding the disability. If, during the
20 sentencing hearing, the defendant introduces evidence regarding the disability, the court shall
21 submit a special issue to the jury as to whether the defendant had a severe mental disability at
22 the time of the commission of the criminal offense. These special issues shall be considered and
23 answered by the jury prior to the consideration of aggravating or mitigating factors and the
24 determination of sentence. If the jury determines that the defendant had a severe mental
25 disability at the time of the commission of the criminal offense, the court shall declare the case
26 noncapital, and the defendant shall be sentenced to life imprisonment.

27 (f) Burden of Production and Persuasion. – The defendant has the burden of production
28 and persuasion to demonstrate to the jury by a preponderance of the evidence that the defendant
29 had a severe mental disability at the time of the commission of the criminal offense.

30 (g) Jury Consideration of Severe Mental Disability. – If the jury determines that the
31 defendant did not have a severe mental disability as defined by this section at the time of the
32 commission of the criminal offense, the jury may consider any evidence of the disability
33 presented during the sentencing hearing when determining mitigating factors and the
34 defendant's sentence.

35 (h) Penalties That May Be Imposed on Convicted Defendant With a Severe Mental
36 Disability. – The provisions of this section do not preclude the sentencing of an offender who
37 has a severe mental disability as defined by this section to any other sentence authorized by
38 G.S. 14-17 for the crime of murder in the first degree."

39 **SECTION 2.** G.S. 15A-2000(b) reads as rewritten:

40 "(b) Sentence Recommendation by the Jury. – Instructions determined by the trial judge
41 to be warranted by the evidence shall be given by the court in its charge to the jury prior to its
42 deliberation in determining sentence. The court shall give appropriate instructions in those
43 cases in which evidence of the defendant's mental retardation requires the consideration by the
44 jury of the provisions of G.S. 15A-2005. The court shall also give appropriate instructions in
45 those cases in which evidence of the defendant's severe mental disability requires the
46 consideration by the jury of the provisions of G.S. 15A-2007. In all cases in which the death
47 penalty may be authorized, the judge shall include in his instructions to the jury that it must
48 consider any aggravating circumstance or circumstances or mitigating circumstance or
49 circumstances from the lists provided in subsections (e) and (f) which may be supported by the
50 evidence, and shall furnish to the jury a written list of issues relating to such aggravating or
51 mitigating circumstance or circumstances.

1 After hearing the evidence, argument of counsel, and instructions of the court, the jury shall
2 deliberate and render a sentence recommendation to the court, based upon the following
3 matters:

- 4 (1) Whether any sufficient aggravating circumstance or circumstances as
5 enumerated in subsection (e) exist;
- 6 (2) Whether any sufficient mitigating circumstance or circumstances as
7 enumerated in subsection (f), which outweigh the aggravating circumstance
8 or circumstances found, exist; and
- 9 (3) Based on these considerations, whether the defendant should be sentenced to
10 death or to imprisonment in the State's prison for life.

11 The sentence recommendation must be agreed upon by a unanimous vote of the 12 jurors.
12 Upon delivery of the sentence recommendation by the foreman of the jury, the jury shall be
13 individually polled to establish whether each juror concurs and agrees to the sentence
14 recommendation returned.

15 If the jury cannot, within a reasonable time, unanimously agree to its sentence
16 recommendation, the judge shall impose a sentence of life imprisonment; provided, however,
17 that the judge shall in no instance impose the death penalty when the jury cannot agree
18 unanimously to its sentence recommendation."

19 **SECTION 3.** Article 100 of Chapter 15A of the General Statutes is amended by
20 adding a new section to read:

21 **"§ 15A-2008. Request for postconviction determination of severe mental disability.**

22 In cases in which the defendant has been convicted of first degree murder, sentenced to
23 death, and is in custody awaiting imposition of the death penalty, the following procedures
24 apply:

- 25 (1) Notwithstanding any other provision or time limitation contained in Article
26 89 of Chapter 15A of the General Statutes, a defendant may seek appropriate
27 relief from the defendant's death sentence upon the ground that the defendant
28 had a severe mental disability, as defined in G.S. 15A-2007(a), at the time of
29 the commission of the capital crime.
- 30 (2) A motion seeking appropriate relief from a death sentence on the ground that
31 the defendant had a severe mental disability at the time of the commission of
32 the capital crime, shall be filed:
 - 33 a. On or before January 31, 2012, if the defendant's conviction and
34 sentence of death were entered prior to October 1, 2011.
 - 35 b. Within 150 days of the imposition of a sentence of death if the
36 defendant's trial was in progress on October 1, 2011. For purposes of
37 this section, a trial is considered to be in progress if the process of
38 jury selection has begun.
- 39 (3) The motion seeking relief from a death sentence upon the ground that the
40 defendant had a severe mental disability shall comply with the provisions of
41 G.S. 15A-1420. The procedures and hearing on the motion shall follow and
42 comply with G.S. 15A-1420. Upon motion of the defendant, supported by
43 appropriate affidavits, the court shall order a hearing to determine if the
44 defendant had a severe mental disability at the time of the commission of the
45 offense."

46 **SECTION 4.** Article 52 of Chapter 15A of the General Statutes is amended by
47 adding a new section to read:

48 **"§ 15A-960. Insanity defense is not available when drug or alcohol use is the sole cause of**
49 **psychosis.**

50 Notwithstanding any other provision of law, insanity is not available as a defense in either
51 of the following circumstances: (i) prior alcohol use, prior drug use, or both are the sole cause

1 of the psychosis or (ii) voluntary intoxication, a voluntary drugged condition, or both combined
2 are the sole support for the defense."

3 **SECTION 5.** Sections 1, 2, and 4 of this act become effective October 1, 2011, and
4 apply to trials docketed to begin on or after that date. Section 3 of this act becomes effective
5 October 1, 2011, and expires October 1, 2012. Section 5 of this act is effective when it
6 becomes law.
