5 exists for such an emergency management agency, then the Governor is hereby empowered to
6 establish an emergency management agency within that county.

7 (c) Municipalities May Establish and Maintain Emergency Management Agencies. –
8 All incorporated municipalities are authorized to establish and maintain emergency
9 management agencies subject to coordination by the county.

14 (e) Local Appropriations Authorized. – Each county and incorporated municipality in
15 this State is authorized to make appropriations for the purposes of this Article and to fund them

17 of other revenues, use of which is not otherwise restricted by law.

18 (f) Additional Powers. – In carrying out the provisions of this Article each political

45 assistance, including State and federal funding appropriated for emergency management
46 planning and preparedness, and for the maintenance and operation of a county emergency
47 management program. Such financial assistance is subject to an appropriation being made for
48 this purpose. Where the appropriation does not allocate appropriated funds among counties, the
49 amount allocated to each county shall be determined annually by the Division. The size of this
50 allocation shall be based in part on the degree to which local plans and programs meet State
51 standards and requirements promulgated by the Division, including those relating to

1 professional competencies of local emergency management personnel. However, in making an
2 allocation determination, the Division shall, where appropriate, take into account the fact that a
3 particular county may lack sufficient resources to meet the standards and requirements

16 state of emergency.

17 "**§ 166A-19.21. Gubernatorial disaster declaration.**

18 (a) Preliminary Damage Assessment. – When a state of emergency is declared pursuant

42 the United States has issued a major disaster declaration under the Stafford
43 Act and either of the following is true:

44 a. The preliminary damage assessment indicates that the extent of
45 damage is reasonably expected to meet the threshold established for
46 an increased federal share of disaster assistance under applicable
47 federal law and regulations.

48 b. The preliminary damage assessment prompts the Governor to call a
49 special session of the General Assembly to establish programs to
50 meet the unmet needs of individuals, businesses, or political
51 subdivisions affected by the emergency.

1 (c) Expiration of Disaster Declarations. –

2 (1) Expiration of Type I disaster declarations. – A Type I disaster declaration

20 shall terminate by a declaration of the Governor or resolution of the General
21 Assembly. A declaration or resolution declaring or terminating a state of
22 disaster shall be disseminated promptly by means calculated to bring its
23 contents to the attention of the general public and, unless the circumstances
24 attendant upon the disaster prevent or impede, promptly filed with the

1 (3) The board of commissioners or chair of the board of commissioners of any
2 county who has been requested to do so by a mayor may by declaration
3 extend the emergency area of a state of emergency declared by a
4 municipality to any area within the county in which the board or chair

16 other municipality consents to its application.

17 b. A chair of a board of county commissioners extending the emergency
18 area under the authority of this subdivision shall take reasonable
19 steps to give notice of its terms to those likely to be affected.

20 c. The chair of the board of commissioners shall declare the termination
21 of any prohibitions and restrictions extended pursuant to this
22 subdivision upon the earlier of the following:

31 imposition of prohibitions and restrictions under any ordinances
32 enacted by the county under the authority of G.S. 166A-19.31.

33 (c) Expiration of States of Emergency. – Unless an ordinance adopted pursuant to

- 26 (3) To regulate and control the flow of vehicular and pedestrian traffic, the
27 congregation of persons in public places or buildings, lights and noises of all
28 kinds, and the maintenance, extension, and operation of public utility and
29 transportation services and facilities.
- 30 (4) To waive a provision of any regulation or ordinance of a State agency or a

10 (7) To procure, by purchase, condemnation, seizure, or by other means to
11 construct, lease, transport, store, maintain, renovate, or distribute materials
12 and facilities for emergency management without regard to the limitation of
13 any existing law.

14 (c) In addition to any other powers conferred upon the Governor by law, during a
15 gubernatorially or legislatively declared state of emergency, if the Governor determines that
16 local control of the emergency is insufficient to assure adequate protection for lives and
17 property because (i) needed control cannot be imposed locally because local authorities
18 responsible for preservation of the public peace have not enacted appropriate ordinances or
19 issued appropriate declarations as authorized by G.S. 166A-19.31; (ii) local authorities have not
20 taken implementing steps under such ordinances or declarations, if enacted or declared, for
21 effectual control of the emergency that has arisen; (iii) the area in which the emergency exists
22 has spread across local jurisdictional boundaries, and the legal control measures of the
23 jurisdictions are conflicting or uncoordinated to the extent that efforts to protect life and
24 property are, or unquestionably will be, severely hampered; or (iv) the scale of the emergency
25 is so great that it exceeds the capability of local authorities to cope with it, the Governor has the
26 following powers:

27 (1) To impose by declaration prohibitions and restrictions in the emergency
28 area. These prohibitions and restrictions may, in the Governor's discretion,
29 as appropriate to deal with the emergency, impose any of the types of
30 prohibitions and restrictions enumerated in G.S. 166A-19.31(b), and may
31 amend or rescind any prohibitions and restrictions imposed by local
32 authorities. Prohibitions and restrictions imposed pursuant to this
33 subdivision shall take effect in accordance with the provisions of
34 G.S. 166A-19.31(d) and shall expire upon the earliest occurrence of either of
35 the following: (i) the prohibition or restriction is terminated by the Governor
36 or (ii) the state of emergency is terminated.

37 (2) Give to all participating State and local agencies and officers such directions
38 as may be necessary to assure coordination among them. These directions
39 may include the designation of the officer or agency responsible for
40 directing and controlling the participation of all public agencies and officers
41 in the emergency. The Governor may make this designation in any manner
42 which, in the Governor's discretion, seems most likely to be effective. Any
43 law enforcement officer participating in the control of a state of emergency
44 in which the Governor is exercising control under this section shall have the
45 same power and authority as a sheriff throughout the territory to which the
46 law enforcement officer is assigned.

47 (d) Violation. – Any person who violates any provision of a declaration or executive
48 order issued pursuant to this section shall be guilty of a Class 2 misdemeanor in accordance
49 with G.S. 14-288.20A.

50 **§ 166A-19.31. Power of municipalities and counties to enact ordinances to deal with**
51 **states of emergency.**

1 (a) Authority to Enact Prohibitions and Restrictions. – The governing body of any
2 municipality or county may enact ordinances designed to permit the imposition of prohibitions
3 and restrictions within the emergency area during a state of emergency declared pursuant to
4 G.S. 166A-19.22. Authority to impose by declaration prohibitions and restrictions under this
5 section, and to impose those prohibitions and restrictions at a particular time as appropriate,
6 may be delegated by ordinance to the mayor of a municipality or to the chair of the board of
7 county commissioners of a county.

8 (b) Type of Prohibitions and Restrictions Authorized. – The ordinances authorized by
9 this section may permit prohibitions and restrictions:

- 10 (1) Of movements of people in public places, including imposing a curfew;
11 directing and compelling the voluntary or mandatory evacuation of all or
12 part of the population from any stricken or threatened area within the
13 governing body's jurisdiction; prescribing routes, modes of transportation,
14 and destinations in connection with evacuation; and controlling ingress and
15 egress of an emergency area, and the movement of persons within the area.
16 (2) Of the operation of offices, business establishments, and other places to or
17 from which people may travel or at which they may congregate.
18 (3) Upon the possession, transportation, sale, purchase, and consumption of
19 alcoholic beverages.
20 (4) Upon the possession, transportation, sale, purchase, storage, and use of
21 gasoline, and dangerous weapons and substances, except that this
22 subdivision does not authorize prohibitions or restrictions on lawfully
23 possessed firearms or ammunition. As used in this subdivision, the term
24 "dangerous weapons and substances" has the same meaning as it does under
25 G.S. 14-288.1. As used in this subdivision, the term "firearm" has the same
26 meaning as it does under G.S. 14-409.39(2).
27 (5) Upon other activities or conditions the control of which may be reasonably
28 necessary to maintain order and protect lives or property during the state of
29 emergency.

30 The ordinances authorized by this section need not require or provide for the imposition of all
31 of the types of prohibitions or restrictions, or any particular prohibition or restriction,
32 authorized by this section during an emergency but may instead authorize the official or
33 officials who impose those prohibitions or restrictions to determine and impose the prohibitions
34 or restrictions deemed necessary or suitable to a particular state of emergency.

35 (c) When Ordinances Take Effect. – Notwithstanding any other provision of law,
36 whether general or special, relating to the promulgation or publication of ordinances by any
37 municipality or county, upon the declaration of a state of emergency by the mayor or chair of
38 the board of county commissioners within the municipality or the county, any ordinance
39 enacted under the authority of this section shall take effect immediately unless the ordinance
40 sets a later time. If the effect of this section is to cause an ordinance to go into effect sooner
41 than it otherwise could under the law applicable to the municipality or county, the mayor or
42 chair of the board of county commissioners, as the case may be, shall take steps to cause
43 reports of the substance of the ordinance to be disseminated in a fashion that its substance will
44 likely be communicated to the public in general, or to those who may be particularly affected
45 by the ordinance if it does not affect the public generally. As soon as practicable thereafter,
46 appropriate distribution or publication of the full text of any such ordinance shall be made.

47 (d) When Prohibitions and Restrictions Take Effect. – All prohibitions and restrictions
48 imposed by declaration pursuant to ordinances adopted under this section shall take effect in
49 the emergency area immediately upon publication of the declaration unless the declaration sets
50 a later time. For the purpose of requiring compliance, publication may consist of reports of the
51 substance of the prohibitions and restrictions in the mass communications media serving the

1 emergency area or other effective methods of disseminating the necessary information quickly.
2 As soon as practicable, however, appropriate distribution of the full text of any declaration shall
3 be made. This subsection shall not be governed by the provisions of G.S. 1-597.

4 (e) Expiration of Prohibitions and Restrictions. – Prohibitions and restrictions imposed
5 pursuant to this section shall expire upon the earliest occurrence of any of the following:

6 (1) The prohibition or restriction is terminated by the official or entity that
7 imposed the prohibition or restriction.

8 (2) The state of emergency terminates.

9 (f) Intent to Supplement Other Authority. – This section is intended to supplement and
10 confirm the powers conferred by G.S. 153A-121(a), G.S. 160A-174(a), and all other general
11 and local laws authorizing municipalities and counties to enact ordinances for the protection of
12 the public health and safety in times of riot or other grave civil disturbance or emergency.

13 (g) Previously Enacted Ordinances Remain in Effect. – Any ordinance of a type
14 authorized by this section promulgated prior to October 1, 2012, if otherwise valid, continue in
15 full force and effect without reenactment.

16 (h) Violation. – Any person who violates any provision of an ordinance or a declaration
17 enacted or declared pursuant to this section shall be guilty of a Class 2 misdemeanor in
18 accordance with G.S. 14-288.20A.

24 appropriations of the various departments when the severity and magnitude of the emergency
25 so requires and the contingency and emergency funds are insufficient or inappropriate.

26 (b) Use of Funds for National Guard Training. – In preparation for a state of
27 emergency, with the concurrence of the Council of State, the Governor may use contingency

35 emergency assistance programs which may be established by the Governor upon the
36 declaration of a state of emergency. It is the intent of the General Assembly in authorizing the
37 Governor to make State funds available for emergency assistance and in authorizing the
38 Governor to establish State emergency assistance programs to provide State assistance for

17 for an emergency that poses an imminent threat of a Type I, Type II, or Type
18 III disaster.

19 (2) To cover the cost of first responders to a Type I, Type II, or Type III disaster

31 (a) Generally. – All functions hereunder and all other activities relating to emergency
32 management as provided for in this Chapter or elsewhere in the General Statutes are hereby
33 declared to be governmental functions. Neither the State nor any political subdivision thereof,
34 nor, except in cases of willful misconduct, gross negligence, or bad faith, any emergency
35 management worker, firm, partnership, association, or corporation complying with or
36 reasonably attempting to comply with this Article or any order, rule, or regulation promulgated
37 pursuant to the provisions of this Article or pursuant to any ordinance relating to any
38 emergency management measures enacted by any political subdivision of the State, shall be
39 liable for the death of or injury to persons, or for damage to property as a result of any such
40 activity.

41 (b) Immunity. – The immunity provided to firms, partnerships, associations, or
42 corporations, under subsection (a) of this section, is subject to all of the following conditions:

43 (1) The immunity applies only when the firm, partnership, association, or
44 corporation is acting without compensation or with compensation limited to
45 no more than actual expenses and one of the following applies:

46 a. Emergency management services are provided at any place in this
47 State during a state of emergency declared by the Governor or

16 liability insurance, that firm, partnership, association, or corporation shall be
17 deemed to have waived the immunity to the extent of the indemnification by
18 insurance for its negligence. An insurer shall not under a contract of
19 insurance exclude from liability coverage the acts or omissions of a firm,
