6 adding a new section to read:

7 "**§ 58-49-12. Exceptions to jurisdiction; health care sharing organizations.**

8 A health care sharing organization shall not be subject to the jurisdiction of the

12 (2) Limits its participants to those who share similar interests as defined by the
13 organization.
14 (3) Provides for the financial or medical needs of a participant through
15 contributions from one participant to another in accordance with criteria
16 established by the health care sharing organization.

27 'NOTICE: The organization facilitating the sharing of medical
28 expenses is not an insurance company and neither its guidelines nor
29 its plan of operation is an insurance policy. Whether anyone chooses
30 to assist you with your medical bills will be voluntary. No other
31 participant will be compelled by law to contribute toward your
32 medical bills. As such, participation in the organization or a
33 subscription to any of its documents should never be considered to be
34 insurance. Regardless of whether you receive any payment for
35 medical expenses or whether this organization continues to operate,
36 you are always personally liable for the payment of your own
37 medical bills.'
