6 The General Assembly of North Carolina enacts:

7 **SECTION 1.** To upgrade the security services at the State Legislature and the State
8 Government Complex, each agency exercising control over the State Legislature and the State
9 Government Complex shall purchase and deploy active and passive security measures, as
10 needed, that are designed to detect weapons and other metal objects, X-ray technology for the
11 detection of hidden weapons in cases and bags, camera monitoring systems for visitor and
12 building security, and controlled traffic access to sensitive areas to prevent attacks by the use of
13 vehicles.

14 **SECTION 2.** To upgrade the emergency medical services at the State Legislature
15 and the State Government Complex, each agency exercising control over the State Legislature
16 and the State Government Complex shall ensure that at least one emergency medical technician
17 is on staff, or on call, at each location at all times, that all employees are offered training in first
18 aid and cardiopulmonary resuscitation, and that sufficient numbers of automated external
19 defibrillators are deployed at accessible sites in each location.

20 **SECTION 3.** For the State Legislature, there is appropriated from the General
21 Fund to the Legislative Services Commission the sum of one million dollars (\$1,000,000) to
22 comply with this act. For the State Government Complex, there is appropriated from the
23 General Fund to the Department of Administration the sum of five million dollars (\$5,000,000)
24 to comply with this act. Of the funds appropriated to the Department of Administration by this
25 act, the Department shall spend up to one million dollars (\$1,000,000) to build a covered
26 walkway connecting the Legislative Building with the Legislative Office Building.

27 **SECTION 4.** This act becomes effective July 1, 2011.
