20 ~~vehicle assigned to it or has an employee to whom a vehicle is assigned shall submit a quarterly~~
21 ~~report to the Division of Motor Fleet Management on the miles driven during the quarter by the~~

26 ~~assignment shall be revoked immediately. The Department of Transportation shall submit an~~
27 ~~annual report to the Division of Motor Fleet Management on the miles driven during the year~~
28 ~~by vehicles assigned to the Department or to employees of the Department. If a vehicle~~
29 ~~included in this report has not been driven at least 12,600 miles during the year, the Department~~
30 ~~of Transportation shall review the reasons for the lower mileage and decide whether to~~
31 ~~terminate the assignment. The Division of Motor Fleet Management may not revoke the~~
32 ~~assignment of a vehicle to the Department of Transportation or an employee of that Department~~
33 ~~for failure to meet the minimum mileage requirement unless the Department of Transportation~~
34 ~~consents to the revocation.~~

36 vehicle, pickup truck, or van to drive between the individual's official work station and his or
37 her home, shall reimburse the State for these trips at a rate computed by the Department. This

39 law. Reimbursement shall be for 20 days per month regardless of how many days the individual
40 uses the vehicle to commute during the month. Reimbursement shall be made by payroll
41 deduction. Funds derived from reimbursement on vehicles owned by the ~~Motor Fleet~~
42 ~~Management Division~~Department of Administration shall be deposited to the credit of the
