14 (1) Any additional unincorporated area that is included within an existing

1 percentage of land area of the entire district at the time such  
2 appointment or reappointment is made.

25 successors to such members may more nearly coincide with the appointment of successors to  
26 members of the existing board; and all successor members shall be appointed for the terms  
27 provided for in G.S. 162A-67."
