11 Paid sick time may be used as accrued, or be loaned by the employer at its discretion, to the  
12 employee in advance of accrual. Unless the employer and employee agree to designate otherwise,  
13 for periods of paid sick time that are less than a normal workday, the time shall be counted on an

15 absences or use of leave.

16        (c) For employees of small businesses, there shall be a limit of 32 hours of accrued paid  
17 time in a calendar year. For employees of other employers, there shall be a limit of 56 hours of  
18 accrued paid sick time in a calendar year. Accrued paid sick time for employees carries over from  
19 year to year but is limited to the aforementioned limits.

20        (d) When there is separation from employment and the employee is rehired within 90 days  
21 of separation by the same employer, previously accrued paid sick time that had not been used shall

26 following reasons:

27            (1) To care for the employee's immediate family member who is suffering from a  
28 physical or mental illness, injury, or medical condition that requires home care,  
29 professional medical diagnosis or care, preventative medical care, or a routine  
30 medical appointment, unless the care is covered under federal law.

31            (2) To care for the employee's own physical or mental illness, injury, or medical  
32 condition that requires home care, professional medical diagnosis or care,  
33 preventative medical care, or a routine medical appointment, unless the care is  
34 covered under federal law.

35            (3) To allow an employee to address the psychological, physical, or legal effects on  
36 himself or herself, or an immediate family member, of domestic violence,  
37 sexual assault, or stalking.

38        (b) An employer may require certification of the qualifying illness, injury, health  
39 condition, or violence when a paid sick time period covers more than three consecutive workdays.  
40 Any reasonable documentation signed by a health care provider involved in following or treating  
41 the illness, injury, or health condition, and indicating the need for the amount of sick days taken,  
42 shall be deemed acceptable certification. Acceptable certification of domestic violence, sexual  
43 assault, or stalking may include (i) law enforcement, court, or federal agency records or files; (ii)  
44 documentation from a domestic violence or sexual assault program; or (iii) documentation from a  
45 religious, medical, or other professional from whom assistance was sought in dealing with the  
46 alleged domestic violence, sexual offense, or stalking.

47            (1) The employer shall not require certification from a health care provider  
48 employed by the employer. The employer shall not delay the commencement of  
49 time taken for purposes of subsection (a) of this section or pay for this period  
50 on the basis that the employer has not yet received the certification. Nothing in  
51 this section shall be construed to require an employee to provide as certification

1 any information from a health care provider that would be in violation of  
2 section 1177 of the Social Security Act or the regulations promulgated pursuant  
3 to section 264(c) of the Health Insurance Portability and Accountability Act, 42  
4 U.S.C. § 1320d-2.

5 (2) An employer may not require disclosure of details relating to domestic  
6 violence, sexual assault, or stalking or the details of an employee's medical  
7 condition as a condition of providing paid sick time under this Article. If an  
8 employer possesses health information or information pertaining to domestic  
9 violence, sexual assault, or stalking about an employee or employee's  
10 immediate family member, such information shall be treated as confidential and  
11 not disclosed except to the affected employee or with the permission of the  
12 affected employee.

13 (c) When the use of sick time is foreseeable, the employee shall make a good-faith effort  
14 to provide notice of the need for such time to the employer in advance of the use of the sick time  
15 and shall make a reasonable effort to schedule the use of sick time in a manner that does not  
16 unduly disrupt the operations of the employer.

17 (d) An employer may not require, as a condition of providing sick time under this act, that  
18 the employee search for or find a replacement worker to cover the hours during which the  
19 employee is on paid sick time.

20 (e) Nothing in this section shall be construed as requiring financial or other reimbursement  
21 to an employee from an employer upon the employee's termination, resignation, retirement, or  
22 other separation from employment for accrued paid sick days that have not been used.

23 (f) Nothing in this section shall be construed to discourage employers from adopting or  
24 retaining paid sick time policies more generous than policies that comply with the requirements of  
25 this section, and nothing in this section shall be construed to diminish the obligation of an  
26 employer to comply with any contract, collective bargaining agreement, or any employment  
27 benefit program or plan that provides greater sick time leave rights to employees than the rights  
28 established under this section.

29 (g) This act provides minimum requirements pertaining to paid sick time and shall not be  
30 construed to preempt, limit, or otherwise affect the applicability of any other law, regulation,  
31 requirement, policy, agreement, or standard that provides for greater accrual or use by employees  
32 of sick time, whether paid or unpaid, or that extends other protections to employees.

33 (h) Employers who have a paid time-off leave policy shall not be required to modify that  
34 policy, if that policy offers an employee the option, at the employee's discretion, to take paid sick  
35 time that is at least equivalent to the amounts and for the same purposes and under the same  
36 conditions as provided under this section.

37 **"§ 95-31.6. Notification, posting, and records.**

38 Employers shall give notice that employees are entitled to paid sick time, the amount of paid  
39 sick time, and the terms of its use guaranteed under this section, that retaliation against employees  
40 who request or use paid sick time is prohibited, and that each employee has the right to file a  
41 complaint with the Commissioner of Labor or in the General Court of Justice if sick time as  
42 required by this Article is denied by the employer or the employee is retaliated against for  
43 requesting or taking paid sick time. Employers may comply with this section by supplying each of  
44 their employees with a notice in English and Spanish that contains the information required by this  
45 section or by displaying a poster in a conspicuous and accessible place in each establishment  
46 where the employees are employed which contains in English and Spanish all information  
47 required by this section.

48 **"§ 95-31.7. Enforcement.**

49 (a) The Commissioner shall enforce and administer the provisions of this Article, and the  
50 Commissioner or his or her authorized representative is empowered to hold hearings and to  
51 institute civil proceedings hereunder.

1       **(b)** The Commissioner or the Commissioner's authorized representative shall have the  
2 power to administer oaths and examine witnesses, issue subpoenas, compel the attendance of  
3 witnesses and the production of papers, books, accounts, records, payrolls, and documents, and  
4 take depositions and affidavits in any proceeding hereunder.

5       **(c)** Any employer who violates the provisions of this Article shall be liable to the  
6 employee or employees affected in the amount of their unpaid sick time as the case may be, plus  
7 interest at the legal rate set forth in G.S. 24-1 from the date each amount first came due.

8       **(d)** In addition to the amounts awarded pursuant to subsection (c) of this section, the court  
9 shall award liquidated damages in an amount equal to the amount found to be due as provided in  
10 subsection (c) of this section, provided that if the employer shows to the satisfaction of the court  
11 that the act or omission constituting the violation was in good faith and that the employer had  
12 reasonable grounds for believing that the act or omission was not a violation of this Article, the  
13 court may, in its discretion, award no liquidated damages or may award any amount of liquidated  
14 damages not exceeding the amount found due as provided in subsection (c) of this section.

15       **(e)** Action to recover such liability may be maintained in the General Court of Justice by  
16 any one or more employees.

17       **(f)** The court, in any action brought under this Article, may, in addition to any judgment  
18 awarded to plaintiff, order costs and fees of the action and reasonable attorneys' fees to be paid by  
19 the defendant. The court may order costs and fees of the action and reasonable attorneys' fees to be  
20 paid by the plaintiff if the court determines that the action was frivolous.

21       **(g)** The Commissioner is authorized to determine and supervise the payment of the  
22 amounts due under this section, including interest at the legal rate set forth in G.S. 24-1 from the  
23 date each amount first came due, and the agreement to accept such amounts by the employee shall  
24 constitute a waiver of the employee's right to bring an action under subsection (e) of this section.

25       **(h)** Actions under this Article must be brought within two years pursuant to G.S. 1-53.

26       **(i)** The rights and remedies created by this Article are supplementary to all existing  
27 common law and statutory rights and remedies.

28 **"§ 95-31.8. Rules.**

29 The Commissioner of Labor shall adopt rules to implement this Article.

30 **"§ 95-31.9. Severability.**

31 The provisions of this Article shall be severable, and if any phrase, clause, sentence, or  
32 provision is declared to be invalid or is preempted by federal law or regulation, the validity of the  
33 remainder of this Article shall not be affected thereby."

41 one thousand dollars (\$1,000) for each subsequent violation. In determining the amount of such  
42 penalty, the appropriateness of such penalty to the size of the business of the person charged and  
43 the gravity of the violation shall be considered. The determination by the Commissioner shall be  
44 final, unless within 15 days after receipt of notice thereof by certified mail with return receipt, by

4 statute of limitations commencing at the time of the occurrence of the violation."

5 **SECTION 5.1.(e)** Article 2A of Chapter 95 of the General Statutes is amended by  
6 adding a new section to read:

7 **"§ 95-25.23D. Wage claims; liens; collections.**

8 (a) For the purposes of wage claims and collections under this Article, an employee is  
9 entitled to a lien upon:

10 (1) All property of the employer, real or personal, located in this State; and

11 (2) All property upon which the employee has performed work at the instance of  
12 the owner or of any person acting by the employer's authority or under him or  
13 her as contractor or otherwise, for the full amount of the wages and any  
14 statutory penalties owed.

15 (b) Both a wage claim and an action to enforce a lien under this section may be brought by  
16 the employee individually or by the Commissioner or any representative of the employee on  
17 behalf of the employee, including collective bargaining representatives.

18 (c) If no lien has been recorded at the time the employee files his or her complaint with the  
19 Commissioner, the Commissioner shall record and provide notice of the lien on behalf of the  
20 employee.

21 (d) Any number of wage claims or wage deficiencies against the same employer may be  
22 joined in a single proceeding, but the court may order separate trials or hearings. If the proceeds of  
23 the sale of the property subject to a lien are insufficient to pay all the claimants, whether or not  
24 such claims have been joined together, the court shall order the claimants to be paid in proportion  
25 to the amount due each claimant.

26 (e) An employee's lien upon personal property shall be limited to such property as can be  
27 made subject to a security interest under the Commercial Code by the filing of a financing  
28 statement.

29 (f) In order to enforce a lien under this section upon real property, a claim of lien must be  
30 recorded with the county recorder in the county where the property is located, as follows:

31 (1) The claim shall include all of the applicable information set forth under  
32 G.S. 44A-12.

33 (2) The notice of lien shall be served on the property owner in the manner  
34 prescribed by G.S. 44A-11.

35 A lien under this section is perfected as soon as notice is provided as required by this subsection.

36 (g) In order to enforce a lien under this section upon personal property, the Commissioner,  
37 employee representative, or employee shall file the notice of the lien in the office of the Secretary  
38 of State and serve a copy of the notice by personal service to the employer in the same manner as a  
39 summons, or by mail. The office of the Secretary of State shall place the notice of the lien in the  
40 same file as the financing statements pursuant to G.S. 25-9-310. The notice shall specify the  
41 nature and amount of the claim, describe the property on which the lien is made, and state that the  
42 person filing the notice claims a lien on that property.

43 (h) The lien may be filed at any time prior to the expiration of the statute of limitations for  
44 a wage claim on the same wages pursuant to G.S. 95-25.22(f).

45 (i) Mistakes or errors in the claimed amount owed shall not invalidate the lien unless  
46 made with the intent to defraud.

47 (j) If a lien is recorded pursuant to subsection (f) of this section and an action to recover  
48 unpaid wages has been filed, then that action shall also be deemed an action to foreclose upon any  
49 property subject to the recorded lien. In the judgment resulting from such an action, the court may  
50 order the sale at sheriff's auction or the transfer to the plaintiff of title or possession of any  
51 property subject to the lien. Whether or not the court makes such an order as part of the judgment,

1 a writ of sale may be issued for any property subject to the lien at any point after a judgment for  
2 unpaid wages is issued.

3 (k) If judgment is entered in favor of the employer in an action for unpaid wages or if the  
4 case is dismissed with prejudice, the lien shall be extinguished upon expiration of the applicable  
5 appeals period if no appeal is filed. If an appeal is filed, the lien shall continue in force until all  
6 issues on appeal have been decided.

7 (l) If an action to recover the wages is not brought within one year of the filing of the lien,  
8 the lien created by this section shall be extinguished.

9 (m) A lien recorded pursuant to subsection (f) of this section takes precedence over all  
10 other debts, judgments, decrees, liens, or mortgages against the employer, regardless as to whether  
11 these debts, judgments, decrees, liens, or mortgages originate before or after the wage lien, and  
12 regardless of whether these debts, judgments, decrees, liens, or mortgages were perfected prior to  
13 the wage lien. An employee's lien is effective against the employer, the estate of the employer, or  
14 a subsequent bona fide purchaser of the property subject to the employee's lien.

15 (n) The employee, the Commissioner, or the employee's representative, as assignee of the  
16 employee, is entitled to court costs and reasonable attorneys' fees for filing a successful action to  
17 foreclose a lien pursuant to this section."

18 **SECTION 5.1.(f)** This section is effective when it becomes law and applies to  
19 employers and employees on or after that date.
