3                   at the voting place, provided that the identification was unexpired on the  
4                   registered voter's sixty-fifth birthday.

5           (b)    Verification of Photo Identification. – After presentation of the required identification  
6                   described in subsection (a) of this section, the precinct officials assigned to check registration  
7                   shall compare the photograph contained on the required identification with the person presenting  
8                   to vote. The precinct official shall verify that the photograph is that of the person seeking to vote.  
9                   If the precinct official disputes that the photograph contained on the required identification is the  
10                  person presenting to vote, a challenge shall be conducted in accordance with the procedures of  
11                  G.S. 163A-914. A voter shall be permitted to vote unless the judges of election present

15                  cannot produce the identification as required in subsection (a) of this section, the registered voter  
16                  may cast a provisional ballot that is counted only if the registered voter brings an acceptable form  
17                  of photograph identification listed in subsection (a) of this section to the county board of elections  
18                  no later than the end of business on the business day prior to the canvass by the county board of  
19                  elections as provided in G.S. 163A-1172. The State Board shall provide the registered voter  
20                  casting a provisional ballot due to failure to provide photo identification an information sheet on  
21                  the deadline to return to the county board of elections to present photo identification, and what  
22                  forms of photo identification are acceptable, in order for the voter's provisional ballot to be  
23                  counted.

24          (d)    Exceptions. – The following exceptions are provided for a registered voter who does  
25                  not produce an acceptable form of identification as required in subsection (a):

26           (1)    Religious Objection. – If a registered voter does not produce an acceptable  
27                   form of photograph identification due to a religious objection to being  
28                   photographed, the registered voter may complete an affidavit under penalty of  
29                   perjury at the voting place and affirm that the registered voter: (i) is the same  
30                   individual who personally appears at the voting place; (ii) will cast the  
31                   provisional ballot while voting in person; and (iii) has a religious objection to  
32                   being photographed. Upon completion of the affidavit, the registered voter  
33                   may cast a provisional ballot.

34           (2)    Reasonable Impediment. – If a registered voter does not produce an acceptable  
35                   form of photograph identification because the registered voter suffers from a  
36                   reasonable impediment that prevents the registered voter from presenting  
37                   photograph identification, the registered voter may complete an affidavit  
38                   under the penalty of perjury at the voting place and affirm that the registered  
39                   voter: (i) is the same individual who personally appears at the voting place;  
40                   (ii) will cast the provisional ballot while voting in person; and (iii) suffers  
41                   from a reasonable impediment that prevents the registered voter from  
42                   presenting photograph identification. The registered voter also shall complete  
43                   a reasonable impediment declaration form provided in subsection (d1) of this  
44                   section, unless otherwise prohibited by state or federal law. Upon completion  
45                   of the affidavit, the registered voter may cast a provisional ballot.

46           (3)    Natural Disaster. – If a registered voter does not produce an acceptable form  
47                   of photograph identification due to being a victim of a natural disaster  
48                   occurring within 100 days before election day that resulted in a disaster  
49                   declaration by the President of the United States and the Governor of this  
50                   State, the registered voter may complete an affidavit under penalty of perjury  
51                   at the voting place and affirm that the registered voter: (i) is the same

1 individual who personally appears at the voting place; (ii) will cast the  
2 provisional ballot while voting in person; and (iii) was a victim of a natural  
3 disaster occurring within 100 days before election day that resulted in a  
4 disaster declaration by the President of the United States and the Governor of  
5 this State. Upon completion of the affidavit, the registered voter may cast a  
6 provisional ballot.

7 (4) Witness Verification. – If a voter does not produce an acceptable form of  
8 photograph identification, the voter may cast a provisional ballot in the  
9 presence of two persons, complete a witness verification form as provided in  
10 subsection (d2) of this section, and require those two persons in whose  
11 presence the voter marked that voter's provisional ballot to sign the witness  
12 verification form as witnesses and to indicate those persons' addresses. The  
13 persons in whose presence the ballot is marked shall at all times respect the  
14 secrecy of the ballot and the privacy of the voter, unless the voter requests  
15 assistance and that person is otherwise authorized by law to give assistance.

16 (d1) Reasonable Impediment Declaration Form. – The State Board shall adopt a  
17 reasonable impediment declaration form that, at a minimum, includes the following as separate  
18 boxes that a registered voter may check to identify the registered voter's reasonable impediment:

19 (1) Inability to obtain photo identification due to:

20 a. Lack of transportation.

21 b. Disability or illness.

22 c. Lack of birth certificate or other underlying documents required.

23 d. Work schedule.

24 e. Family responsibilities.

25 (2) Lost or stolen photo identification.

26 (3) Photo identification applied for but not yet received by the registered voter  
27 voting in person.

28 (4) Other reasonable impediment. If the registered voter checks the "other  
29 reasonable impediment" box, a further brief written identification of the  
30 reasonable impediment shall be required, including the option to indicate that  
31 State or federal law prohibits listing the impediment.

32 (d2) Witness Verification Form. – The State Board shall adopt a witness verification form  
33 that contains a space for the identification of the two persons witnessing the casting of the ballot,  
34 those persons' signatures, and those persons' addresses. Failure to list a ZIP code does not  
35 invalidate the witness verification form.

36 (e) County Board Review of Exceptions. – If the county board of elections determines  
37 that the registered voter voted a provisional ballot only due to the inability to provide proof of  
38 identification and the required affidavit or witness verification form required in subsection (d) of  
39 this section is submitted, the county board of elections shall find that the provisional ballot is  
40 valid unless the county board has grounds to believe the affidavit is false.

41 (f) Purpose. – The purpose of the identification required pursuant to subsection (a) of this  
42 section is to confirm the person presenting to vote is the registered voter on the voter registration  
43 records. Any address listed on the identification is not determinative of a registered voter's  
44 residence for the purpose of voting. A registered voter's residence for the purpose of voting is  
45 determined pursuant to G.S. 163A-842."

46 **SECTION 1.2(b)** Article 20 of Chapter 163A of the General Statutes is amended by

23 **SECTION 3.4(g)** G.S. 163A-1303 reads as rewritten:

24 "**§ 163A-1303. Sites and hours for one-stop voting.**

26 this section, and G.S. 163A-1304, a county board of elections by unanimous vote of all its  
27 members may provide for one or more sites in that county for absentee ballots to be applied for  
28 and cast under these sections. Every individual staffing any of those sites shall be a member or  
29 full-time employee of the county board of elections or an employee of the county board of  
30 elections whom the board has given training equivalent to that given a full-time employee. Those  
31 sites must be approved by the State Board as part of a Plan for Implementation approved by both  
32 the county board of elections and by the State Board which shall also provide adequate security  
33 of the ballots and provisions to avoid allowing persons to vote who have already voted. The Plan  
34 for Implementation shall include a provision for the presence of political party observers at each  
35 one-stop site equivalent to the provisions in G.S. 163A-821 for party observers at voting places  
36 on election day. A county board of elections may propose in its Plan not to offer one-stop voting  
37 at the county board of elections office; the State Board may approve that proposal in a Plan only  
38 if the Plan includes at least one site reasonably proximate to the county board of elections office  
39 and the State Board finds that the sites in the Plan as a whole provide adequate coverage of the  
40 county's electorate. If a county board of elections has considered a proposed Plan or Plans for  
41 Implementation and has been unable to reach unanimity in favor of a Plan, a member or members  
42 of that county board of elections may petition the State Board to adopt a plan for it. If petitioned,  
43 the State Board may also receive and consider alternative petitions from another member or  
44 members of that county board. The State Board may adopt a Plan for that county. The State  
45 Board, in that plan, shall take into consideration factors including geographic, demographic, and  
46 partisan interests of that county.

47 (b) The State Board shall not approve, either in a Plan approved unanimously by a county  
48 board of elections or in an alternative Plan proposed by a member or members of that board, a  
49 one-stop site in a building that the county board of elections is not entitled under G.S. 163A-1046  
50 to demand and use as an election-day voting place, unless the State Board finds that other equally  
51 suitable sites were not available and that the use of the sites chosen will not unfairly advantage

1 or disadvantage geographic, demographic, or partisan interests of that county. In providing the  
2 site or sites for one-stop absentee voting under G.S. 163A-1300, ~~163A-1301~~, 163A-1302, this  
3 section, and G.S. 163A-1304, the county board of elections shall make a request to the State,  
4 county, city, local school board, or other entity in control of the building that is supported or  
5 maintained, in whole or in part, by or through tax revenues at least 90 days prior to the start of

8 portion thereof is requested and the requirement of an area for election related activity. If the  
9 State, local governing board, or other entity in control of the building does not respond to the  
10 request within 20 days, the building or specific portion thereof may be used for one-stop absentee  
11 voting as stated in the request. If the State, local governing board, or other entity in control of the  
12 building or specific portion thereof responds negatively to the request within 20 days, that entity  
13 and the county board of elections shall, in good faith, work to identify a building or specific  
14 portion thereof in which to conduct one-stop absentee voting under G.S. 163A-1300, ~~163A-1301~~,  
15 163A-1302, this section, and G.S. 163A-1304. If no building or specific portion thereof has been  
16 agreed upon within 45 days from the date the county board of elections received a response to  
17 the request, the matter shall be resolved by the State Board.

18 ...."

19 **SECTION 3.4(h)** G.S. 163A-1306 reads as rewritten:

20 "**§ 163A-1306. Register of absentee requests, applications, and ballots issued; a public**

33 elections.
- 34 (6) The voter's party affiliation.
- 35 (7) The date the ballots were mailed or delivered to the voter.
- 36 (8) Whatever additional information and official action may be required by this  
37 Part.

38 The State Board may provide for the register to be kept by electronic data processing  
39 equipment, and a copy shall be printed out each business day or a supplement printed out each  
40 business day of new information.

41 The register of absentee requests, applications and ballots issued shall constitute a public  
42 record and shall be opened to the inspection of any registered voter of the county within 60 days  
43 before and 30 days after an election in which absentee ballots were authorized, or at any other  
44 time when good and sufficient reason may be assigned for its inspection."

12 voter's name, the absentee voter's application number, and the designation of  
13 the precinct in which the voter is registered. If the ballot is barcoded under  
14 this section, the envelope may be barcoded rather than having the actual  
15 number appear. The person placing the ballots in the envelopes shall leave the  
16 container-return envelope holding the ballots unsealed.

17 (3) The chair, member, officer, or employee of the board of elections shall then  
18 place the unsealed container-return envelope holding the ballots together with  
19 printed instructions for voting and returning the ballots, in an envelope  
20 addressed to the voter at the post office address stated in the request, seal the  
21 envelope, and mail it at the expense of the county board of elections: Provided,  
22 that in case of a request received after 5:00 p.m. on the Tuesday before the

24 transmitting the ballots to the voter in person or by mail, the chair, member,  
25 officer, or employee of the board of elections may deliver the sealed envelope  
26 containing the instruction sheet and the container-return envelope holding the  
27 ballots to a near relative or verifiable legal guardian of the voter.

28 The county board of elections may receive completed written request forms for applications  
29 at any time prior to the election but shall not mail applications and ballots to the voter or issue  
30 applications and ballots in person earlier than 60 days prior to the statewide general election in
