19 **AIRPORT IMPROVEMENT PROGRAM**

20 **SECTION 2.(a)** Article 7 of Chapter 63 of the General Statutes is amended by adding
21 a new section to read:

22 **"§ 63-74. Airport Improvement Program.**

23 (a) Purpose. – There is established an Airport Improvement Program that shall serve to
24 (i) fund improvements at eligible airports and (ii) pay debt service or related financing costs and
25 expenses on revenue bonds or notes issued by eligible airports. The Department of Transportation
26 shall allocate funds appropriated to this program to eligible airports based on the findings in the
27 biennial economic impact study, as described in this section. The Department shall adopt rules
28 governing the distribution and use of these funds.

29 (b) Eligible Airport. – Any publicly owned, commercial service airport with more than
30 10,000 passenger boardings during the two calendar years preceding the fiscal year in which
31 funds are allocated is eligible to apply for airport improvement program funds.

32 (c) Economic Impact Study and Distribution Formula. – The Department of
33 Transportation shall conduct a biennial economic impact study that examines the annual
34 economic impact of each commercial service airport in North Carolina. Funds appropriated to
35 the Airport Improvement Program shall be disbursed by the Department based on the percentage
36 of the total economic impact of each eligible airport as determined by the economic impact study.

1 The three largest airports, as defined by economic impact, would take a five percent (5%) cut per
 2 decile of the pro rata share of funds distributed herein, with a maximum cut of twenty percent
 3 (20%), and redistributed to the remaining eligible airports as follows. Of the funds redistributed
 4 to the remaining eligible airports, twenty-five percent (25%) shall be allocated equally among
 5 the remaining eligible airports and seventy-five percent (75%) shall be allocated proportionally
 6 to the remaining eligible airports based on the total number of passenger boardings used to
 7 establish eligibility for the program.

8 (d) Permissible Uses, Reporting, and Return of Funds. – The Department of
 9 Transportation shall not allocate funds to an airport under this section until that airport has
 10 provided a report outlining how the airport will use the funds in conformance with the purposes
 11 of the program. No later than 45 days from the date the Department receives the report required
 12 under this subsection, the Department shall make a determination whether the intended use of
 13 the funds matches the purposes of the program and, if so, allocate funds under this section to the
 14 compliant airport. An airport that receives funds under this section shall return the funds to the
 15 Department if the funds are in the possession or control of the airport and not expended or made
 16 subject to an encumbrance by August 31 of the year following the fiscal year in which the
 17 Department makes the allocation. All funds returned to the Department under this section, or
 18 retained by the Department for failure of an eligible airport to submit a report under this
 19 subsection, shall be credited to the fund from which they were appropriated and shall remain
 20 unexpended and unencumbered until appropriated by the General Assembly.

21 (e) Limitation. – Notwithstanding any provision of law to the contrary, the allocation of
 22 funds under this section to eligible airports, the enactment of this section, and the issuance of
 23 bonds or notes by the airports in reliance thereon, shall not in any manner constitute a pledge of
 24 the full faith and credit and taxing power of the State. Additionally, allocations under this section
 25 are subject to the availability of funds appropriated to the Airport Improvement Program. A
 26 security interest shall not be granted in funds allocated under this section."
