

1 the distribution. For purposes of this section, the amount of the ad valorem
2 taxes levied by a county or municipality includes ad valorem taxes levied by
3 the county or municipality in behalf of a taxing district and collected by the
4 county or municipality. In addition, the amount of taxes levied by a county
5 includes ad valorem taxes levied by a merged school administrative unit
6 described in G.S. 115C-513 in the part of the unit located in the county. In
7 computing the amount of tax proceeds to be distributed to each county and
8 municipality, the amount of any ad valorem taxes levied but not substantially
9 collected shall be ignored. Each county and municipality receiving a
10 distribution of the proceeds of the tax levied under this Article shall in turn
11 immediately share the proceeds with each district in behalf of which the
12 county or municipality levied ad valorem taxes in the proportion that the
13 district levy bears to the total levy of the county or municipality. Any county
14 or municipality that fails to provide the Department of Revenue with
15 information concerning ad valorem taxes levied by it adequate to permit a
16 timely determination of its appropriate share of tax proceeds collected under
17 this Article may be excluded by the Secretary from each monthly distribution
18 with respect to which the information was not provided in a timely manner,
19 and those tax proceeds shall then be distributed only to the remaining counties
20 or municipalities, as appropriate. For the purpose of computing the
21 distribution of the tax under this subsection to any county and the
22 municipalities located in the county for any month with respect to which the
23 property valuation of a public service company is the subject of an appeal and
24 the Department of Revenue is restrained by law from certifying the valuation
25 to the county and the municipalities in the county, the Department shall use
26 the last property valuation of the public service company that has been
27 certified.

28 The board of county commissioners in each taxing county shall, by resolution adopted during
29 the month of ~~April~~ November of each year, determine which of the two foregoing methods of
30 distribution shall be in effect in the county during the next succeeding fiscal year. In order for
31 the resolution to be effective, a certified copy of it must be delivered to the Secretary in Raleigh
32 within 15 calendar days after its adoption. If the board fails to adopt a resolution choosing a
33 method of distribution not then in effect in the county, or if a certified copy of the resolution is
34 not timely delivered to the Secretary, the method of distribution then in effect in the county shall
35 continue in effect for the following fiscal year. Provided, if a board of county commissioners
36 changes the method of distribution from the prior fiscal year, such change from the prior fiscal
37 year shall not become effective unless written notice is provided to the affected municipalities
38 before December 15 in the year of adoption of the resolution and copies of such written notice
39 are submitted to the Secretary. The method of distribution in effect on the first of July of each
40 fiscal year shall apply to every distribution made during that fiscal year."
