10 identification numbers to match shall not prevent that individual from registering to vote and
11 having that individual's vote counted. If the individual registers and votes under

43 G.S. 163A-914. A voter shall be permitted to vote unless the judges of election present
44 unanimously agree that the photo identification presented does not bear a reasonable resemblance
45 to that voter.

46 (c) Provisional Ballot Required Without Photo Identification. – If the registered voter
47 cannot produce the identification as required in subsection (a) of this section, the registered voter
48 may cast a provisional ballot that is counted only if the registered voter brings an acceptable form

50 no later than the end of business on the business day prior to the canvass by the county board of
51 elections as provided in G.S. 163A-1172. The State Board shall provide the registered voter

1 casting a provisional ballot due to failure to provide photo identification an information sheet on
2 the deadline to return to the county board of elections to present photo identification, and what
3 forms of photo identification are acceptable, in order for the voter's provisional ballot to be
4 counted.

5 (d) Exceptions. – The following exceptions are provided for a registered voter who does
6 not produce an acceptable form of identification as required in subsection (a):

7 (1) Religious Objection. – If a registered voter does not produce an acceptable
8 form of photograph identification due to a religious objection to being
9 photographed, the registered voter may complete an affidavit under penalty of
10 perjury at the voting place and affirm that the registered voter: (i) is the same
11 individual who personally appears at the voting place; (ii) will cast the
12 provisional ballot while voting in person; and (iii) has a religious objection to
13 being photographed. Upon completion of the affidavit, the registered voter
14 may cast a provisional ballot.

15 (2) Reasonable Impediment. – If a registered voter does not produce an acceptable
16 form of photograph identification because the registered voter suffers from a
17 reasonable impediment that prevents the registered voter from presenting
18 photograph identification, the registered voter may complete an affidavit
19 under the penalty of perjury at the voting place and affirm that the registered
20 voter: (i) is the same individual who personally appears at the voting place;
21 (ii) will cast the provisional ballot while voting in person; and (iii) suffers
22 from a reasonable impediment that prevents the registered voter from
23 presenting photograph identification. The registered voter also shall complete
24 a reasonable impediment declaration form provided in subsection (d1) of this
25 section, unless otherwise prohibited by state or federal law. Upon completion
26 of the affidavit, the registered voter may cast a provisional ballot.

27 (3) Natural Disaster. – If a registered voter does not produce an acceptable form
28 of photograph identification due to being a victim of a natural disaster
29 occurring within 100 days before election day that resulted in a disaster
30 declaration by the President of the United States or the Governor of this State,
31 the registered voter may complete an affidavit under penalty of perjury at the
32 voting place and affirm that the registered voter: (i) is the same individual who
33 personally appears at the voting place; (ii) will cast the provisional ballot
34 while voting in person; and (iii) was a victim of a natural disaster occurring
35 within 100 days before election day that resulted in a disaster declaration by
36 the President of the United States or the Governor of this State. Upon
37 completion of the affidavit, the registered voter may cast a provisional ballot.

38 (d1) Reasonable Impediment Declaration Form. – The State Board shall adopt a
39 reasonable impediment declaration form that, at a minimum, includes the following as separate
40 boxes that a registered voter may check to identify the registered voter's reasonable impediment:

41 (1) Inability to obtain photo identification due to:

- 42 a. Lack of transportation.
- 43 b. Disability or illness.
- 44 c. Lack of birth certificate or other underlying documents required.
- 45 d. Work schedule.
- 46 e. Family responsibilities.

47 (2) Lost or stolen photo identification.

48 (3) Photo identification applied for but not yet received by the registered voter
49 voting in person.

50 (4) Other reasonable impediment. If the registered voter checks the "other
51 reasonable impediment" box, a further brief written identification of the

1 reasonable impediment shall be required, including the option to indicate that
2 State or federal law prohibits listing the impediment.

3 (e) County Board Review of Exceptions. – If the county board of elections determines
4 that the registered voter voted a provisional ballot only due to the inability to provide proof of
5 identification and the required affidavit required in subsection (d) of this section is submitted, the
6 county board of elections shall find that the provisional ballot is valid unless the county board
7 has grounds to believe the affidavit is false.

8 (f) Purpose. – The purpose of the identification required pursuant to subsection (a) of this
9 section is to confirm the person presenting to vote is the registered voter on the voter registration
10 records. Any address listed on the identification is not determinative of a registered voter's
11 residence for the purpose of voting. A registered voter's residence for the purpose of voting is
12 determined pursuant to G.S. 163A-842."
