3 WHO GRADUATE FROM THE NORTH CAROLINA SCHOOL OF SCIENCE AND
4 MATHEMATICS AND ENROLL FULL-TIME AT A CONSTITUENT INSTITUTION OF
5 THE UNIVERSITY OF NORTH CAROLINA FOR UP TO FOUR ACADEMIC YEARS.

6 The General Assembly of North Carolina enacts:

7 **SECTION 1.** Article 23 of Chapter 116 of the General Statutes is amended by adding
8 a new Part to read:

9 "Part 5. Tuition Grant for Graduates of the North Carolina School of Science and Mathematics.

10 **"§ 116-209.80. Tuition grants for graduates to attend a constituent institution of higher**
11 **education.**

12 (a) Within the funds available, a State resident who graduates from the North Carolina
13 School of Science and Mathematics (NCSSM) in each school year, beginning with the 2019-2020
14 school year, and who enrolls as a full-time student in a constituent institution of The University
15 of North Carolina in the next academic year after graduation shall be eligible for a tuition grant
16 awarded under this Part. Students who receive initial tuition grants as a cohort of a graduating
17 class of NCSSM shall also be eligible to apply for tuition grants for subsequent academic years
18 for up to a total of four academic years. The student shall be required to submit a letter of intent
19 to the Authority that the student will remain a resident of North Carolina for at least four years
20 following graduation from the constituent institution for which the student received tuition
21 grants.

22 (b) A student shall be continuously enrolled in an eligible institution of higher education
23 after the award of the initial tuition grant to be eligible for tuition grants in subsequent academic
24 years. The Authority shall have the discretion to waive this requirement if the student is able to
25 demonstrate that any of the following have substantially disrupted or interrupted the student's
26 pursuit of a degree: (i) a military service obligation, (ii) serious medical debilitation, (iii) a
27 short-term or long-term disability, or (iv) other extraordinary hardship. The amount of the tuition
28 grant to each graduate shall be determined and distributed as provided in G.S. 116-209.81.

29 **"§ 116-209.81. Administration of tuition grants.**

30 (a) The Authority shall administer the tuition grants provided for in this Part pursuant to
31 guidelines and procedures established by the Authority consistent with its practices for
32 administering State-funded financial aid. The guidelines and procedures shall include an
33 application process and schedule, notification and disbursement procedures, standards for
34 reporting, and standards for return of tuition grants when a student withdraws. The Authority
35 shall not approve any grant until it receives proper certification from the appropriate constituent
36 institution that the student applying for the grant is an eligible student. Upon receipt of the

1 certification, the Authority shall remit, at the times it prescribes, the tuition grant to the
2 constituent institution on behalf, and to the credit, of the student. In the event a student on whose
3 behalf a tuition grant has been paid is not enrolled and carrying a minimum academic load as of
4 the tenth classroom day following the beginning of the school term for which the tuition grant
5 was paid, the constituent institution shall refund the full amount of the tuition grant to the
6 Authority.

7 (b) Except as otherwise provided in this section, the amount of the grant awarded to a
8 student shall cover the tuition cost at the constituent institution in which the student is enrolled.
9 No tuition grant awarded to a student under this section shall exceed the cost of attendance at a
10 constituent institution for which the student is enrolled.

11 (c) If a student, who is eligible for a tuition grant under this section, also receives a
12 scholarship or other grant covering the cost of attendance at the constituent institution for which
13 the tuition grant is awarded, then the amount of the tuition grant shall be reduced by an
14 appropriate amount determined by the Authority so that the total amount of scholarships and
15 grants received by the student does not exceed the cost of attendance for the institution. The cost
16 of attendance shall be determined by the Authority for each constituent institution.

17 (d) In the event there are not sufficient funds to provide each eligible student with a full
18 grant as provided by this Part, each eligible student shall receive a pro rata share of funds
19 available for the academic year covered by the appropriation in the preceding fiscal year.

20 **"§ 116-209.82. Tuition grant recipient to report on academic progress; NCSSM report.**

21 The recipient of a tuition grant under this Part and the school administrators of NCSSM shall
22 report to the board of county commissioners and the members of the House of Representatives
23 and the members of the Senate whose districts include the county of the student's permanent
24 residence that the student has accepted a tuition grant to attend a constituent institution in
25 accordance with this Part. The recipient shall submit a report each semester to the members of
26 the House of Representatives and the members of the Senate whose districts include the county
27 of the student's permanent residence on the student's academic progress, activities, and projects.
28 NCSSM shall submit a written report by April 1 of each year to the General Assembly in
29 accordance with G.S. 120-29.5 on the number of students accepting tuition grants and attending
30 constituent institutions and aggregate data on student outcomes and activities. The report shall
31 not include personally identifiable student data.

32 **"§ 116-209.83. North Carolina Tuition Grant Fund Reserve.**

33 The North Carolina Tuition Grant Fund Reserve shall be established as a reserve to be
34 administered by the Authority. All funds appropriated to or otherwise received by the Authority
35 to provide tuition grants under this Part, all returned tuition grant monies, and all interest earned
36 on these funds shall be placed in the Fund. The Fund shall be used for (i) tuition grants for the
37 academic year that begins in the fiscal year following the fiscal year in which the appropriation
38 is made to the Reserve and (ii) the administrative costs of the Authority, provided that no more
39 than five percent (5%) of the funds appropriated each fiscal year for tuition grants is expended
40 for administrative purposes."

41 **SECTION 2.** Notwithstanding any other provision of law, students who are State
42 residents who graduated from the North Carolina School of Science and Mathematics at the end
43 of the 2018-2019 school year and were awarded a tuition grant for the 2019-2020 academic year
44 in accordance with Section 10A.5 of S.L. 2018-5 shall be included in the award of tuition grants
45 under G.S. 116-209.81, as enacted by this act, beginning with the 2020-2021 academic year.

46 **SECTION 3.** There is appropriated from the General Fund to the North Carolina
47 Tuition Grant Fund Reserve established pursuant to G.S. 116-209.83, as enacted by this act, the
48 sum of (i) two million two hundred thousand dollars (\$2,200,000) in recurring funds for the
49 2019-2020 fiscal year and (ii) two million two hundred thousand dollars (\$2,200,000) in
50 additional recurring funds for the 2020-2021 fiscal year for the purpose of awarding tuition grants
51 in accordance with this act.

1 **SECTION 4.** This act becomes effective July 1, 2019, and applies beginning with
2 the award of tuition grants for the 2020-2021 academic year.
