4 **SECTION 2.** Representatives of the North Carolina Academy of Family Physicians,  
5 the North Carolina Medical Society, the North Carolina Pediatric Society, the North Carolina  
6 Association of Community Pharmacists, and the North Carolina Retail Merchants Association  
7 are directed to cooperate and collaborate to recommend a minimum standard screening  
8 questionnaire and safety procedures for written protocols for vaccinations or immunizations  
9 administered under G.S. 90-85.15B(b)(6)-(7). The questionnaire and recommended standards  
10 shall be submitted to the North Carolina Board of Medicine, the North Carolina Board of  
11 Nursing, the North Carolina Board of Pharmacy, and the Joint Legislative Oversight Committee  
12 on Health and Human Services on or before October 1, 2019. In the event that the questionnaire  
13 and recommended standards are not submitted by October 1, 2019, the Immunization Branch of  
14 the North Carolina Division of Public Health shall develop the questionnaire and recommended  
15 standards and submit them to the North Carolina Board of Medicine, the North Carolina Board  
16 of Nursing, the North Carolina Board of Pharmacy, and the Joint Legislative Oversight  
17 Committee on Health and Human Services by January 1, 2020.

18 **SECTION 3.** Section 1 of this act becomes effective on October 1, 2019, and the  
19 remainder of this act is effective when it becomes law.
