45 section. A person who purchases an item under a direct pay permit issued under this subsection
46 is liable for use tax due on the purchase. The tax is payable when the property is placed in use or
47 the service is received. A direct pay permit issued under this subsection does not apply to taxes
48 imposed under G.S. 105-164.4 on sales of electricity, piped natural gas, video programming,
49 spirituous liquor, or the gross receipts derived from rentals of accommodations.

1 A person who purchases an item for storage, use, or consumption in this State whose tax
2 status cannot be determined at the time of the purchase because of one of the reasons listed below
3 may apply to the Secretary for a general direct pay permit:

- 4 (1) The place of business where the item will be stored, used, or consumed in the
5 State is not known at the time of the purchase and a different tax consequence
6 applies depending on where the item is used in the State.
7 (2) The manner in which the item will be stored, used, or consumed in the State
8 is not known at the time of the purchase and one or more of the potential uses
9 is taxable but others are not taxable in the State.

10 ...

11 (a3) Boat and Aircraft. – A direct pay permit issued under this subsection authorizes its
12 holder to purchase tangible personal property, certain digital property, or repair, maintenance,
13 and installation services for a boat, an aircraft, or a qualified jet engine without paying tax to the
14 seller and authorizes the seller to not collect any tax on the ~~item or services~~ purchased items from
15 the permit holder. A person who purchases the ~~property or services~~ tangible personal property,
16 certain digital property, or repair, maintenance, and installation services under a direct pay permit
17 must file a return and pay the tax due to the Secretary in accordance with G.S. 105-164.16. A
18 permit holder is allowed a use tax exemption on one or more of the following: (i) the installation
19 charges that are a part of the sales price of tangible personal property or certain digital property
20 purchased by the permit holder for a boat, an aircraft, or a qualified jet engine, provided the
21 installation charges are separately stated and identified as such on the invoice or other
22 documentation given to the permit holder at the time of the sale and (ii) the sales price of or gross
23 receipts derived from repair, maintenance, and installation services provided for a ~~boat, an~~
24 ~~aircraft, or a qualified jet engine.~~ boat or an aircraft.

25 In lieu of purchasing under a direct pay permit pursuant to this subsection, a purchaser may
26 elect to have the seller collect and remit the tax due on behalf of the purchaser. Where the
27 purchaser elects for the seller to collect and remit the tax, an invoice given to the purchaser
28 bearing the proper amount of tax on a retail transaction extinguishes the purchaser's liability for
29 the tax on the transaction. Where a seller cannot or does not separately state installation charges
30 that are a part of the sales price of tangible personal property or certain digital property for a boat,
31 an aircraft, or a qualified jet engine on the invoice or other documentation given to the purchaser
32 at the time of the sale, tax is due on the total purchase price.

33 The amount of the use tax exemption is the amount of the installation charges and the sales
34 price of or gross receipts derived from the repair, maintenance, and installation services that
35 exceed twenty-five thousand dollars (\$25,000).

38 "(c) Liability. – A seller may contract with a certified service provider to collect and remit
39 sales and use taxes payable to the State on sales made by the seller. A certified service provider
40 with whom a seller contracts is the agent of the seller. As the seller's agent, the certified service
41 provider, rather than the seller, is liable for sales and use taxes due this State on all sales
42 transactions the certified service provider processes for the seller unless the seller misrepresents
43 the type of ~~products~~ items it sells or commits fraud. A seller that misrepresents the type of

 13 is owned or leased by the entity and is a capital improvement for use by the entity is considered
 14 a sales or use tax liability incurred on direct purchases by the entity for the purpose of this
 15 subsection. The refund allowed under this subsection does not apply to purchases of electricity,
 16 telecommunications service, ancillary service, piped natural gas, video programming, or a
