5 **SECTION 1.** Chapter 90 of the General Statutes is amended by adding a new Article

11 **"§ 90-731. Intent; purpose.**

12 (a) Intent. – The General Assembly finds that a significant number of residents of the

19 licensed persons.

5 factors regarding the conviction:

6 (1) The level of seriousness of the crime.

7 (2) The date of the crime.

8 (3) The age of the person at the time of the conviction.

9 (4) The circumstances surrounding the commission of the crime, if known.

10 (5) The nexus between the criminal conduct of the person and the job duties of

12 (6) The person's prison, jail, probation, parole, rehabilitation, and employment
13 records since the date the crime was committed.

14 (7) The subsequent commission of a crime by the person.

15 (c) Denial of Licensure. – If the Board denies, revokes, or suspends a license based on
16 information obtained in a criminal history record check, the Board shall disclose to the person
17 the information contained in the criminal history record check that is relevant to the Board's
18 actions. The Board may not provide a copy of the criminal history record check to the person. A
19 person has the right to appear before the Board to appeal the Board decision. An appearance
20 before the Board shall constitute an exhaustion of administrative remedies in accordance with
21 Chapter 150B of the General Statutes.
