

GENERAL ASSEMBLY OF NORTH CAROLINA
SESSION 2021

H

2

HOUSE BILL 500
Committee Substitute Favorable 6/1/21

Short Title: Disaster Relief and Mitigation Act of 2021. (Public)

Sponsors:

Referred to:

April 12, 2021

1 A BILL TO BE ENTITLED
2 AN ACT TO ENACT THE DISASTER RELIEF AND MITIGATION ACT OF 2021 AND TO
3 APPROPRIATE FUNDS.

4 The General Assembly of North Carolina enacts:

5
6 **PART I. NORTH CAROLINA OFFICE OF RECOVERY AND RESILIENCY (NCORR)**

7
8 **POWERS AND DUTIES**

9 **SECTION 1.1.(a)** Article 13 of Chapter 143B of the General Statutes reads as
10 rewritten:

11 "Article 13.

12 "Department of Public Safety.

13 ...

14 "Part 5A. North Carolina Office of Recovery and Resiliency.

15 "**§ 143B-1040. North Carolina Office of Recovery and Resiliency.**

16 (a) ~~The North Carolina Office of Recovery and Resiliency (Office) (NCORR) is created~~
17 ~~in the Department of Public Safety. The Office shall execute multi-year recovery and resiliency~~
18 ~~projects and administer funds provided by the Community Development Block Grant Disaster~~
19 ~~Recovery program for Hurricanes Florence and Matthew. The Office will provide general~~
20 ~~disaster recovery coordination and public information; citizen outreach and application case~~
21 ~~management; audit, finance, compliance, and reporting on disaster recovery funds; and program~~
22 ~~and construction management services. The Office shall also contract for services from vendors~~
23 ~~specializing in housing, construction, and project management services.~~Safety. NCORR shall
24 support resiliency in the State by carrying out the following functions and activities:

- 25 (1) Bring resilience expertise to disaster recovery and hazard mitigation programs
26 administered by the Department of Public Safety.
27 (2) Serve as North Carolina's lead State agency for the coordination of resilience
28 efforts across State agencies, The University of North Carolina, and other
29 stakeholders to maximize efficient planning, design, and implementation of
30 activities that improve recovery and resilience.
31 (3) Provide support and technical assistance to build the capacity of State
32 agencies, local governments, nonprofits, and businesses in North Carolina to
33 initiate resiliency planning, identify and prioritize resilient projects and
34 practices, implement resiliency strategies, and evaluate program
35 effectiveness.
36 (4) Execute multiyear recovery and resiliency projects.

- 1 (5) Administer funds provided by the Community Development Block Grant
2 Disaster Recovery program pursuant to subsection (c) of this section.
3 (6) Provide general disaster recovery coordination and public information, citizen
4 outreach, and application case management.
5 (7) Audit, finance, comply with, and report on disaster recovery funds and
6 program and construction management services.
7 (8) Contract for services from vendors specializing in housing, construction, and
8 project management services.
9 (9) Develop and administer a grant program for financially distressed local
10 governments to assist with recovery and resiliency capacity.
11 (10) Provide technical assistance to local governments.

12 (b) ~~The Office-NCORR~~ shall develop and administer a grant program for financially
13 distressed local governments to assist with recovery capacity. The grants shall cover the salaries,
14 benefits, and operating costs for up to two ~~three-year~~ positions and may also be used to purchase
15 one vehicle per community as necessitated by the individual circumstances of each community.
16 ~~The Office-NCORR~~ shall also, in consultation with the Local Government Commission, develop
17 and administer a one-time emergency fund for local governments in disaster-affected areas that
18 need immediate cash flow assistance. These funds shall be used to meet local government debt
19 service obligations, to meet payroll obligations for local governments, and to meet vendor
20 payments where nonpayment would result in negative financial outcome.

21 (c) Notwithstanding any other provision of law, all Community Development Block
22 Grant Disaster Recovery awards received by the State in response to ~~the declarations and~~
23 ~~executive orders described in Section 3.1 of S.L. 2016-124, or in any subsequent federally~~
24 ~~declared disasters,~~ disaster shall be administered by the North Carolina Office of Recovery and
25 Resiliency of the Department of Public Safety, NCORR, including circumstances where the
26 designated grantee is an agency other than the North Carolina Office of Recovery and Resiliency.

27 (d) Funds appropriated to NCORR may be used to locate employees in key regions or to
28 foster partnerships with councils of government in order to address capacity gaps and aid local
29 governments to access federal funds and recovery projects and activities."

30 **SECTION 1.1.(b)** Section 5.7(a) of S.L. 2018-136, as amended by Section 12.5 of
31 S.L. 2020-78, reads as rewritten:

32 **"SECTION 5.7.(a)** ...

33 The Secretary may reassign up to 15 existing positions of the Division of Emergency
34 Management to ~~the Office-NCORR.~~ In addition, the Secretary may create new ~~three-year~~
35 ~~time limited positions.~~ positions if State and federal funds are available to support those
36 positions. The reassigned positions assigned to ~~the Office-NCORR~~ shall retain the employment
37 status of the positions at the time of the reassignment after implementation of this act is
38 completed. The ~~three-year time limited new~~ positions created in this section shall be ~~temporary~~
39 ~~positions based upon availability of State and federal funds~~ and are exempt from the provision
40 of the State Human Resources Act, Chapter 126 of the General Statutes, except Articles 6 and 7
41 of that Chapter.

42 "

43 **SECTION 1.1.(c)** The North Carolina Office of Recovery and Resiliency shall
44 establish an intergovernmental working group composed of representatives from the Department
45 of Environmental Quality and other relevant State agencies, local governments, and other
46 stakeholders to identify legislative, economic, jurisdictional, and other challenges related to
47 stream management and flooding reduction. The working group shall make recommendations to
48 the Joint Legislative Emergency Management, Disaster Recovery, and Resiliency Activities
49 Oversight Committee by February 1, 2022. The working group shall terminate upon submission
50 of its recommendations or by February 1, 2022, whichever is earlier.

FUND ADDITIONAL POSITIONS/RESILIENCE ACTIVITIES

SECTION 1.2. There is appropriated from the General Fund to the Department of Public Safety, North Carolina Office of Recovery and Resiliency, the sum of one million one hundred seventy-nine thousand one hundred seven dollars (\$1,179,107) in recurring funds for each year of the 2021-2023 biennium. The funds shall be used to support up to 10 full-time equivalent positions to carry out resiliency programming, which may include advising State decision makers on recovery and resilience activities; leading and coordinating resilience efforts across State agencies, as well as federal, regional, and local governments, universities, and other public and private stakeholders; and providing expertise and technical support to communities with resiliency planning and projects to protect communities from flooding and other natural disasters.

FUND ADDITIONAL POSITIONS/RESILIENT COMMUNITIES PROGRAM

SECTION 1.3.(a) There is appropriated from the General Fund to the Department of Public Safety, North Carolina Office of Recovery and Resiliency (NCORR), the sum of three hundred eighty thousand seven hundred sixty-three dollars (\$380,763) in recurring funds for each year of the 2021-2023 biennium and the sum of ten million one hundred thousand dollars (\$10,100,000) in nonrecurring funds for the 2021-2022 fiscal year to support the North Carolina Resilient Communities Program, which shall support local government and community leaders with incorporating resilience into operations, planning, and policy and identifying priority projects to protect communities from flooding and other natural hazards. These funds shall be used to do the following:

- (1) Create up to three permanent full-time positions to staff the NC Resilient Communities Program.
- (2) Provide support for local communities and regional organizations to plan for natural hazards.
- (3) Provide grant funding to support implementation of priority projects that enhance resilience to natural hazards in local communities.
- (4) Develop a data portal to make flood and other natural hazards data and modeling available to local users.
- (5) Support local capacity building and provide technical assistance to local governments and communities consistent with the NC Resilient Communities Program.

SECTION 1.3.(b) Funds appropriated in subsection (a) of this section may be used to locate NCORR staff in key regions, to foster partnerships with councils of government in order to address capacity gaps, and to aid local governments to access federal funds for resiliency and recovery projects and activities. Any nonrecurring funds appropriated in subsection (a) of this section that are not expended or encumbered by June 30, 2022, shall remain available to implement this section.

FUND FLOOD RESILIENCE BLUEPRINT

SECTION 1.4.(a) There is appropriated from the General Fund to the Department of Public Safety, North Carolina Office of Recovery and Resiliency (NCORR), twenty million dollars (\$20,000,000) in nonrecurring funds for the 2021-2022 fiscal year to be used to develop a statewide Flood Resilience Blueprint for major watersheds impacted by flooding, including, among others, the Cape Fear River and the Neuse River Basins. Any funds appropriated in this subsection that are not expended or encumbered by June 30, 2022, shall remain available to implement this section.

SECTION 1.4.(b) The watershed blueprint required by subsection (a) of this section shall form the backbone of a State flood planning process that increases community resilience to flooding, shall be a resource for riverine and stream management to reduce flooding, and should

1 support the establishment and furtherance of local government stormwater maintenance
2 programs. NCORR shall identify the major watersheds affected by flooding and direct these
3 funds toward the activities which are central to the creation of an actionable blueprint, namely
4 flood risk assessment, identification of data gaps, and recommendations to reduce flood risk for
5 each target watershed. When developing the blueprints, NCORR shall incorporate local
6 knowledge, community goals, and the best available science and hydrologic modeling to create
7 a decision tool for flood mitigation investments and strategies from local watersheds up to whole
8 river basins. A successful blueprint should ultimately lead to a prioritized set of projects and
9 funding strategies that the State can implement. NCORR is encouraged to examine examples
10 from other states such as the Louisiana Coastal Master Plan or the flood resilience planning
11 processes in South Carolina and Virginia.

12 **SECTION 1.4.(c)** NCORR shall report by July 1, 2022, to the Joint Legislative
13 Oversight Committee on Agriculture and Natural and Economic Resources and the Joint
14 Legislative Emergency Management, Disaster Recovery, and Resiliency Activities Oversight
15 Committee on the implementation of this section.

16 17 **FUND NEUSE RIVER FLOOD MITIGATION**

18 **SECTION 1.5.(a)** There is appropriated from the General Fund to the Department
19 of Public Safety, North Carolina Office of Recovery and Resiliency (NCORR), the sum of
20 thirty-two million two hundred thousand dollars (\$32,200,000) in nonrecurring funds for the
21 2021-2022 fiscal year to be allocated as follows and with regard to the Neuse River flood
22 mitigation activities:

- 23 (1) \$5,200,000 for Seven Spring Levee.
- 24 (2) \$5,000,000 for Stoney Creek acquisitions.
- 25 (3) \$12,000,000 for 301/Railroad elevation.
- 26 (4) \$10,000,000 for buyouts.

27 **SECTION 1.5.(b)** The funds appropriated in subsection (a) of this section may be
28 used to create up to three permanent full-time positions to staff these activities. Any funds
29 appropriated in subsection (a) of this section that are not expended or encumbered by June 30,
30 2022, shall remain available to implement this section.

31 **SECTION 1.5.(c)** NCORR shall oversee and administer the projects listed in
32 subsection (a) of this section. NCORR shall consult and coordinate with the appropriate local
33 government units, Federal Emergency Management Agency, United States Army Corps of
34 Engineers, nonprofit corporations, and other entities, as necessary, to complete the respective
35 projects.

36 37 **FUND LUMBER RIVER FLOOD MITIGATION/RECOVERY FROM STORM 38 DAMAGE**

39 **SECTION 1.6.(a)** There is appropriated from the General Fund to the Department
40 of Public Safety, North Carolina Office of Recovery and Resiliency (NCORR), the sum of
41 thirty-six million five hundred thousand dollars (\$36,500,000) in nonrecurring funds for the
42 2021-2022 fiscal year to be allocated as follows and with regard to Lumber River flood mitigation
43 activities and other storm damage recovery efforts:

- 44 (1) \$18,000,000 for channel widening.
- 45 (2) \$5,000,000 for Lumberton CSX/Floodgates.
- 46 (3) \$3,500,000 for Fairbluff levee.
- 47 (4) \$10,000,000 for buyouts.
- 48 (5) \$14,000,000 for Town of Boiling Spring Lakes dam repair project.
- 49 (6) \$5,000,000 for Town of Southport waterfront stabilization from storm
50 damage.

1 **SECTION 1.6.(b)** The funds appropriated in subsection (a) of this section may be
2 used to create up to three permanent full-time positions to staff these activities. Any funds
3 appropriated in subsection (a) of this section that are not expended or encumbered by June 30,
4 2022, shall remain available to implement this section.

5 **SECTION 1.6.(c)** NCORR shall oversee and administer the projects listed in
6 subsection (a) of this section. NCORR shall consult and coordinate with the appropriate local
7 government units, Federal Emergency Management Agency, United States Army Corps of
8 Engineers, nonprofit corporations, and other entities, as necessary, to complete the respective
9 projects.

10 **PART II. DIVISION OF EMERGENCY MANAGEMENT**

11 **ADDITIONAL POWERS AND DUTIES OF THE DIVISION OF EMERGENCY** 12 **MANAGEMENT, HAZARD MITIGATION**

13 **SECTION 2.1.** G.S. 166A-19.12 is amended by adding two new subdivisions to
14 read:

15 "(24) The Division may contract for services from vendors specializing in housing,
16 rehabilitation, or construction on private residential structures funded by State
17 or federal funds provided to the State as a result of a disaster declared by the
18 President under the Stafford Act or a disaster declared by the Governor under
19 G.S. 166A-19.21. Nothing in this subdivision is intended to exempt the
20 Division from other requirements of Article 8 of Chapter 143 of the General
21 Statutes.

22 (25) The Division may contract for services from vendors specializing in housing
23 elevation, acquisition, demolition, and mitigation reconstruction on private
24 residential structures to implement the federal Hazard Mitigation Grant
25 Program on behalf of the State or political subdivisions. Nothing in this
26 subdivision is intended to exempt the Division from other requirements of
27 Article 8 of Chapter 143 of the General Statutes."
28
29
30

31 **ESTABLISHMENT OF THE DISASTER RELIEF AND MITIGATION FUND**

32 **SECTION 2.2.(a)** There is established the Disaster Relief and Mitigation Fund
33 (Fund) in the Department of Public Safety, Division of Emergency Management (Division). Any
34 funds appropriated to the Fund shall remain available for expenditure as provided in this section
35 unless directed otherwise by the General Assembly.

36 **SECTION 2.2.(b)** The Division shall administer a grant program that allows State
37 agencies, units of local government, and nonprofit corporations to apply for funds to be used for
38 any of the following:

- 39 (1) Flood mitigation efforts that stabilize areas and reduce future damage.
- 40 (2) Predevelopment assistance to provide small and underserved communities
41 with technical assistance to identify and design shovel-ready projects related
42 to disaster relief and flood mitigation.
- 43 (3) Matching funds for federal grants and other federal funding for projects
44 related to disaster relief and flood mitigation.

45 **SECTION 2.2.(c)** There is appropriated from the General Fund to the Disaster Relief
46 and Mitigation Fund in the Department of Public Safety, Division of Emergency Management,
47 the sum of twenty million dollars (\$20,000,000) in nonrecurring funds for the 2021-2022 fiscal
48 year to be used for the purposes set out in this section.

49 **SECTION 2.2.(d)** The State Controller shall transfer from the State Emergency
50 Response and Disaster Relief Fund to the Disaster Relief and Mitigation Fund any remaining

1 State matching funds appropriated in the following acts to be used as set forth in subdivision
2 (b)(3) of this section:

- 3 (1) Section 4.1 of S.L. 2016-124.
- 4 (2) Section 1 of S.L. 2017-119.
- 5 (3) Section 5.6(b) of S.L. 2018-5.
- 6 (4) Section 1.1 of S.L. 2019-250.
- 7 (5) Section 2.6 of S.L. 2020-97.

8 9 **ESTABLISHMENT OF THE TRANSPORTATION INFRASTRUCTURE RESILIENCY** 10 **FUND**

11 **SECTION 2.3.(a)** There is established the Transportation Infrastructure Resiliency
12 Fund (Fund) in the Department of Public Safety, Division of Emergency Management (Division).
13 Any funds appropriated to the Fund shall remain available for expenditure as provided in this
14 section unless directed otherwise by the General Assembly.

15 **SECTION 2.3.(b)** The Division shall administer a grant program to ensure
16 transportation resilience against natural disasters. The Division shall consult with the Department
17 of Transportation prior to awarding grants to State agencies, units of local government, and
18 nonprofit corporations. Funds may be used for any of, and activities consistent with, the
19 following:

- 20 (1) Projects that update and prepare transportation infrastructure for storms,
21 mudslides, and flooding events.
- 22 (2) Risk assessments for critical transportation routes, building on existing and
23 future reports such as the I-95 and I-40 Flood Resilience Feasibility Study.
- 24 (3) Creating community-informed flood risk and vulnerability assessments that
25 identify resilience gaps and project opportunities for transportation routes in
26 North Carolina to help maintain vital transportation functions following
27 flooding events.

28 **SECTION 2.3.(c)** There is appropriated from the General Fund to the Transportation
29 Infrastructure Resiliency Fund in the Department of Public Safety, Division of Emergency
30 Management, the sum of twenty million dollars (\$20,000,000) in nonrecurring funds for the
31 2021-2022 fiscal year to be used for the purposes set out in this section.

32 33 **FUND NC 2-1-1 SYSTEM**

34 **SECTION 2.4.** There is appropriated from the General Fund to the Department of
35 Public Safety, Division of Emergency Management, the sum of two hundred fifty thousand
36 dollars (\$250,000) in nonrecurring funds for the 2021-2022 fiscal year to support NC 2-1-1
37 activities.

38 39 **PART III. NORTH CAROLINA LAND AND WATER FUND**

40 41 **TARGETED FUNDING FOR FLOOD MITIGATION/REPORTING**

42 **SECTION 3.1.(a)** There is appropriated from the General Fund to the North Carolina
43 Land and Water Fund in the Department of Natural and Cultural Resources the sum of twenty
44 million dollars (\$20,000,000) in nonrecurring funds for the 2021-2022 fiscal year. The Division
45 of Land and Water Stewardship shall use the funds to provide grants to counties, municipalities,
46 nonprofit corporations, and other State agencies for projects addressing the purposes specified in
47 G.S. 143B-135.234(c)(12). The Division shall develop criteria to score projects based on the
48 ability of a project to reduce flood risks.

49 **SECTION 3.1.(b)** G.S. 143B-135.244 reads as rewritten:
50 **"§ 143B-135.244. Clean Water Management Trust Fund: reporting requirement.**

1 The Chair of the Board of Trustees shall report no later than December 1 each year to the
2 Joint Legislative Oversight Committee on Agriculture and Natural and Economic Resources, the
3 Environmental Review Commission, the Subcommittees of the House of Representatives and
4 Senate Appropriations Committees with jurisdiction over natural and economic resources, and
5 the Fiscal Research Division of the General Assembly regarding the implementation of this Part.
6 The report shall include a list of the projects awarded grants from the Fund for the previous
7 12-month period. The list shall include for each project a description of the project, the amount
8 of the grant awarded for the project, and the total cost of the project. Beginning in 2024 and
9 annually thereafter, the report shall also include a review of all projects funded over time pursuant
10 to G.S. 143B-135.234(c)(12) and the extent to which each project reduced flooding during
11 flooding events."
12

13 **PART IV. COASTAL RESILIENCY/FLOOD MITIGATION/DEPARTMENT OF** 14 **ENVIRONMENTAL QUALITY**

15 16 **FUND ADDITIONAL POSITIONS AND OTHER PURPOSES/DIVISION OF COASTAL** 17 **MANAGEMENT/COASTAL RESILIENCY PROGRAM**

18 **SECTION 4.1.** There is appropriated from the General Fund to the Department of
19 Environmental Quality, Division of Coastal Management, the sum of one million three hundred
20 thousand dollars (\$1,300,000) in recurring funds for the 2021-2023 fiscal biennium to be used
21 for the following purposes:

- 22 (1) Create four additional permanent full-time positions to staff the Resilient
23 Coastal Communities Program.
- 24 (2) Coastal planning and management grants.
25

26 **ADDITIONAL FUNDS FOR COASTAL STORM DAMAGE MITIGATION**

27 **SECTION 4.2.** There is appropriated from the General Fund to the Department of
28 Environmental Quality the sum of thirty million dollars (\$30,000,000) in nonrecurring funds for
29 the 2021-2022 fiscal year to be allocated to the Coastal Storm Damage Mitigation Fund. Of the
30 funds appropriated by this section, up to two million dollars (\$2,000,000) may be allocated to the
31 North Carolina Coastal Federation to provide grants for living shorelines, oyster reefs, and marsh
32 restoration in order to protect other coastal communities that are vulnerable to storm surge and
33 tidal flooding. Any funds appropriated in this section that are not expended or encumbered by
34 June 30, 2022, shall remain available to implement this section.
35

36 **PILOT PROGRAM FOR NATURAL INFRASTRUCTURE FLOOD MITIGATION** 37 **WITHIN THE DIVISION OF MITIGATION SERVICES**

38 **SECTION 4.3.(a)** There is appropriated from the General Fund to the Department
39 of Environmental Quality, Division of Mitigation Services, the sum of five million dollars
40 (\$5,000,000) in nonrecurring funds for the 2021-2022 fiscal year. The funds shall be used in
41 accordance with G.S. 143-214.11A to create one or more pilot projects addressing chronic
42 flooding in the Stoney Creek watershed impacting businesses, roadways, and access to
43 emergency services in Wayne County and Goldsboro. The pilot shall also serve as the basis for
44 expanding natural infrastructure flood mitigation projects to additional watersheds and scaling
45 solutions to enhance community resilience across North Carolina. Any funds appropriated in this
46 subsection that are not expended or encumbered by June 30, 2022, shall remain available to
47 implement this section.

48 **SECTION 4.3.(b)** There is appropriated from the General Fund to the Department
49 of Environmental Quality, Division of Mitigation Services, the sum of twenty-five million dollars
50 (\$25,000,000) in nonrecurring funds for the 2021-2022 fiscal year to be allocated to the Natural
51 Infrastructure Flood Mitigation program to be used for flood reduction projects in no less than

1 three and up to six additional priority watersheds. Any funds appropriated in this subsection that
2 are not expended or encumbered by June 30, 2022, shall remain available to implement this
3 section.

4 **SECTION 4.3.(c)** G.S. 143-214.11A is amended by adding a new subsection to read:

5 "(e) The Division shall include in the annual report required by G.S. 143-214.13
6 information on projects funded under this section. The report shall include a list and description
7 of projects funded, the amount of State funds and total budget for each project, and the amount
8 of flood storage capacity enhanced or restored for each project."

10 **PART V. NORTH CAROLINA FOREST SERVICES**

12 **CLARIFY USE OF PREVIOUSLY APPROPRIATED FUNDS FOR THE NORTH** 13 **CAROLINA FOREST SERVICE**

14 **SECTION 5.1.(a)** Section 3.9 of S.L. 2020-97 reads as rewritten:

15 **"SECTION 3.9.** The funds allocated to the North Carolina Forest Service by subdivision
16 (10) of Section 4.1 of S.L. 2016-124 and that are unencumbered and unexpended for those
17 purposes or for the additional purposes authorized by Section 12.9 of S.L. 2017-57 shall be used
18 by the Department of Agriculture and Consumer Services for the following purposes:

19 (1) ~~The purchase and renovation of an existing facility for use as a regional~~
20 ~~headquarters and training facility construction authorization and partial~~
21 ~~support of construction of a Region One headquarters and training facility for~~
22 ~~the North Carolina Forest Service. The facility shall include, but is not limited~~
23 ~~to, an office building with classrooms, an equipment maintenance facility, and~~
24 ~~multibay equipment shelters.~~

25 (2) Support of operations and other receipt-supported activities such as
26 maintenance and repairs at the North Carolina State Fair and the Western
27 North Carolina Agriculture Center."

28 **SECTION 5.1.(b)** This section is effective when this act becomes law.

30 **PART VI. EXPAND LEGISLATIVE OVERSIGHT**

32 **EMERGENCY MANAGEMENT, DISASTER RECOVERY, AND RESILIENCY** 33 **ACTIVITIES**

34 **SECTION 6.1.** Article 12Q of Chapter 120 of the General Statutes reads as rewritten:

35 "Article 12Q.

36 "Joint Legislative Emergency ~~Management~~ Management, Disaster Recovery, and Resiliency
37 Activities Oversight Committee.

38 **"§ 120-70.150. Creation and membership of Joint Legislative Emergency ~~Management~~**
39 **Management, Disaster Recovery, and Resiliency Activities Oversight**
40 **Committee.**

41 The Joint Legislative Emergency ~~Management~~ Management, Disaster Recovery, and
42 Resiliency Activities Oversight Committee is established. The Committee consists of 12
43 members as follows:

- 44 (1) Six members of the Senate appointed by the President Pro Tempore of the
45 Senate; and
46 (2) Six members of the House of Representatives appointed by the Speaker of the
47 House of Representatives.

48 Terms on the Committee are for two years and begin on the convening of the General
49 Assembly in each odd-numbered year, ~~except the terms of the initial members, which begin on~~
50 ~~appointment and end on the day of the convening of the 2013 General Assembly.~~ year. Members
51 may complete a term of service on the Committee even if they do not seek reelection or are not

reelected to the General Assembly, but resignation or removal from service in the General Assembly constitutes resignation or removal from service on the Committee.

A member continues to serve until a successor is appointed. A vacancy shall be filled by the officer who made the original appointment.

"§ 120-70.151. Purpose and powers of Committee.

(a) The Joint Legislative Emergency ~~Management~~ Management, Disaster Recovery, and Resiliency Activities Oversight Committee shall examine, on a continuing basis, issues related to emergency ~~management~~ management, disaster recovery, and resiliency activities in North Carolina ~~in order to make ongoing recommendations to the General Assembly on ways to promote effective emergency preparedness, management, response, and recovery.~~ Carolina. The Committee ~~may~~ shall examine:

- (1) Whether the State building code sufficiently addresses issues related to commercial and residential construction in hurricane and flood prone ~~areas~~ areas, including the extent to which the design, location, and construction of the buildings help reduce or eliminate damages caused by natural disasters.
- (2) The public health infrastructure in place to respond to natural and nonnatural disasters.
- (3) Hurricane and other natural disaster preparedness, evacuation, ~~and response~~ response, and recovery.
- (4) Energy security issues.
- (5) Terrorism preparedness and response, including bioterrorism.
- (6) Flood ~~and natural disaster preparation~~ mapping, prevention, mitigation, preparedness, and response.
- (7) Any other topic the Committee believes is related to its purpose.

(b) The Committee may make interim reports to the General Assembly on matters for which it may report to a regular session of the General Assembly. A report to the General Assembly may contain any legislation needed to implement a recommendation of the Committee.

"§ 120-70.152. Organization of Committee.

(a) The President Pro Tempore of the Senate and the Speaker of the House of Representatives shall each designate ~~a cochair~~ one or more cochairs of the Joint Legislative Emergency ~~Management~~ Management, Disaster Recovery, and Resiliency Activities Oversight Committee. The Committee shall meet upon the joint call of the cochairs.

...

(e) In appointing members to the Committee, the President Pro Tempore of the Senate and the Speaker of the House of Representatives shall take into consideration the goal of having members appointed to the Committee who have knowledge and experience relating to areas that are most often impacted by natural disasters and emergencies ~~most frequently the focus of a declaration of a state of emergency.~~

PART VII. EFFECTIVE DATE

SECTION 7.1. Except as otherwise provided, this act becomes effective July 1, 2021.
